Take Nuxated Iron, Says Doctor, If You Want Plenty of "Stay There" Strength Like an Athlete!

Makes Delicate, Nervous, Run-down People Stronger in Ten Days' Time, in Many Cases.

Most people foolishly seem to think they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug.

comes from having plenty of iron in the blood, while many another has gone down to inglorious defeat simply for the lack of iron.

NOTE—Nuxated Iron which is prescribed and recommended above by Dr. E. Sauer, and other physicians, is not a secret remedy but one which is well known to druggists everywhere.

CARD OF THANKS

Mr. Dr. Conroy desires to thank through the medium of the press all those whose kindly interest proved a comfort to her in her recent bereavement.

She wishes to make special mention of the unremitting care of Dr. W. J. P. McMillan, who remained day and night by the bedside of his dying child, aided and sustained in that vigil by the kindly advice and counsel of his brother physician.

She desires further to express her deep appreciation of the floral offerings sent by thoughtful friends. They were indeed a tribute to the artistic taste and cultured mind of him, whose memory remains to her as a perfume of his life.

Her friends were a symbol of the spirit which had winged its flight from earth.

Out in Life's garden where sympathy grew God planted a soul 'twas the soul of you.

Life's wonderful garden, Love, seeking, went through Till he found a heart 'twas the heart of you.

I have sought through Life's garden of roses and rue And I find one sweet blossom, all jewelled with dew— Love, Sympathy, Faith—all unchanging and true— Are the heart of my flower—dear Mother, 'tis you. 4047

MISSING FROM STEAMER.

AN ATLANTIC PORT, March 16—During the voyage of an American steamship which arrived here today from Bermuda, the wife of a Major Thompson, who was killed in action while fighting in the British army in Europe last year, is believed to have jumped overboard. She was last seen at midnight on March 2nd, the day the vessel left Bermuda, and the next morning she was missing. Her friends said she had suffered from melancholia.

That first gray hair!

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It does or mars the face. When it sheds, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge of soft brush with it drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure mitigation or prevention of disease.

It's queer now people will sit up and take notice when one man begins to abuse another.

No Asthma Remedy Like It. Dr. J. D. Kellogg's Asthma Remedy is distinctly different from other so-called remedies. Were this not so it would not have continued its great work of relief until known from ocean to ocean for its wonderful value. Kellogg's the foremost and best of all asthma remedies, stands upon a reputation founded in the hearts of thousands who have known its benefit.

Try Mac's Cold Cream (solid) or Mac's Witch Hazel Cream (liquid) and preserve your good complexion. 25c.

LAI D TO REST

The funeral of Mrs. Jemima Rackham, relict of the late Henry Rackham, took place on Saturday, March 9th. Relatives, friends and neighbors followed to pay their tribute of respect to one who had been an example of patience and spirituality.

Through all her affliction she was visited by her faithful pastor, Rev. F. H. Littlejohns.

Service was held at the home of Mrs. John McNevin, Brighton. Rev. R. G. Fulton kindly officiated. Miss Katie Stanley, assisted by Grace Church choir, rendered the singing very sympathetically. A favorite hymn "My Saviour First Of All" was beautifully sung by Miss Mamie Smith.

The pallbearers were Messrs. Alexander Horne, C. B. Chappelle, George Rackham, James Tait, J. D. Seaman, and Dr. Ayers.

The deceased lady was a daughter of Mr. John Bryenton, a native of England, and was the last surviving member of a family of twelve.

The floral tributes were a symbol of the spirit which had winged its flight from earth.
