Montague Branch Of The Canadian Legion Holds Annual Meeting

The annual meeting of the Montague Branch, Canadian Legion, took place in the Legion Room over H. J. Mabon's Drug Store on January 1st.

After the regular business of the month was attended to, Com. C. K. Wightman gave the year's financial report, showing that this branch made great strides in this way during the past year...

Following is Pres. G. W. MacDonald's address: Officers and members of the Montague Branch, No. 8, of the Canadian Legion, Prince Edward Island.

Another year has passed since you elected me as your President, and it gives me much pleasure to greet you as we meet together this evening for our annual meeting.

It is not my purpose to give you an address, but just a short report on the happenings of the year and the work we have been doing.

The Grim Reaper has again been busy in the past twelve months, and has taken from us our beloved King George V. He passed away one year ago January twentieth.

I need not dwell on his life. We all knew him, as he visited us on four different occasions while we were serving in France and Belgium.

On April second, 1936, we were called upon to attend the funeral of our Comrade, Lorin Brehaut.

Then again on April twenty-eighth another of our Comrades was called to the Great Beyond, Comrade Charles Martin.

We were fortunate in having our branch represented at the important events in 1936. First at the Dominion Convention held in British Columbia, by Comrade McLaggan, who has given us a full account of the proceedings.

Our Poppy and Wreath sale went over big this year, as our Secretary's report will show a big improvement over last year.

It was with deep regret that we learned of the abdication of our King Edward VIII. We hope our loyalty and devotion will be continued in the same spirit to the new King, who also served with us and who understands our high ideals.

During the past year we have undertaken to set aside a fund known as a Reserve Fund.

In conclusion, I must thank the members for their whole hearted support they have given me the past year, and sincerely hope that you will give to the new President the same loyal support you have given me.

Mattson Awaits Proof Son Alive

(A. F. by Guardian's Special Wire) TACOMA, Wash., Jan. 10.-Imposters, hijackers and Dr. W. W. Mattson's demand for "new proof" his kidnapped son, Charles, 10, still lived tonight blocked payment of \$28,000 ransom.

Four inches of "tracking" snow in the Tacoma area added another obstacle to direct contact between the father and the man who captured the boy in the Matt on home two weeks ago tonight.

Federal agents, a reliable source said, held firmly to their policy of non-intervention pending determination of the boy's fate but waged relentless undercover war against "chiselers."

"The doctor isn't sure how many people he's dealing with and he wasn't asured the boy is alive," the source declared.

FINAL WEEK OF PRAYER SERVICE HELD

Rev. George Gillespie Is Speaker In Salvation Army Citadel.

The Week of Prayer for 1937 in Charlottetown will long be remembered as an occasion when fine fellowship, unity of purpose and deep spirituality combined to refresh and invigorate all the churches in their efforts, and individuals in their endeavours as Christian men and women.

On Saturday evening, Adjt. Lynch was chairman of the service held in the Salvation Army Citadel when Dr. Legate and Revs. H. L. Denton, Hugh Miller, G. C. Webster, S. C. Cooper and A. E. MacKenzie assisted by leading in various items of worship.

Deep interest followed a brief address by Mr. Miller McCuire on the subject "Should Canada prepare for war?"

Mr. Gillespie chose three passages of Scripture as his text: Luke 4:18: "Because he hath appointed me to preach the gospel to the poor; he hath sent me to heal the broken-hearted, to preach deliverance to the captives, and recovery of sight to the blind, to set at liberty them that are bruised."

Considering the first half of his subject "The Gospel and the Holy Spirit" first, Mr. Gillespie, carefully following the steps of the Master, showed his ministry was indeed one of "Preach the Gospel to the Poor."

And now, this Gospel lives on and is continued through the working of the Holy Spirit in His followers.

Christ has no hands but our hands. To do His work today. He has no feet but our feet. To lead men in His way.

He has no tongues but our tongues. To tell men how He died. He has no help but our help. To bring them to His side.

For the believer, his confidence in the Comforter as a real and abiding presence comes from the words of Christ Himself: "Lo, I am with you always."

Through this same Holy Spirit, we come through the Gospel to Heaven.

"Now we have come to the end of our Week of Prayer services. I feel that there are two results which should follow—we should be encouraged because of these meetings; I have been so encouraged, and I trust you have been; first of all we should be encouraged to pray more; and secondly to live the Gospel. Let us hope, trust and pray that we shall."

Thus was closed a Week of Prayer of real benefit to all who participated in it. Yesterday, several exchanges were carried out between various pulpits, and it is anticipated that one or two others will be also at the earliest opportunity.

Empire Lodge, No. 19, Knights of Pythias installed its new officers for the ensuing term on Thursday evening last.

The following officers were duly installed according to the regular ritual of the Lodge, viz: C. C. B. Finney; V. C. W. Henry; P. H. R. Vessey; M. W. L. Yeo; M. A. G. Toombs; I. G. H. McKee; O. G. J. Brady; K. R. & S. I. G. McLaren; M. P. A. Ford; M. C. L. McKay; Trustee, J. A. McKenzie.

Empire Lodge was instituted on Dec. 7th, 1899, with a membership of about thirty members, many of whom have passed into the great beyond. The Lodge has had its ups and downs during the thirty seven years of its history, and has initiated several hundred members into the mysteries of the ranks according to the beautiful ritual of the order.

The Lodge has had three of its members attain to the highest position in the order. The first member of Empire Lodge to become Grand Chancellor of the Maritime Domain was the late S. A. McDonald, then a few years following him, Lieut. Col. C. L. Mackay, and following him B. R. Holman, and at the present time Jas. T. McKee is Grand Outer Guard of Grand Lodge, and will in due course attain to the position of Grand Chancellor.

Besides these honors in the Grand Lodge, Lieut. Col. C. L. Mackay was in 1921 elected a Supreme Representative and attended Supreme Lodge meetings at San Francisco, Cal., and Toronto, Ont., at the Toronto Supreme Lodge session he was elected Supreme Master at Arms, the highest office yet attained by a Canadian member of the order.

The Grand Lodge of the Maritime Provinces meets in Charlottetown next August 17th to 19th and it is expected a very large attendance of members will attend.

RELIGIOUS SERVICES

YOUNG PEOPLE AT SONG SERVICE; DISCUSS ATTITUDE ON WAR

A large audience of young people gathered in Heartz Memorial Hall after the church services last evening when the regular weekly song services were resumed following the holiday season.

Mr. Steel presided as chairman. Mr. Chas. Gough led in the responsive readings and the Secretary of the Y. M. C. A. led in prayer. The Young Peoples Choir under the direction of Mrs. Francis Holt Trainer sang a gospel selection "Since Jesus came into my heart" with solo parts taken by Miss Mary Lawson and Mr. Harry Yorston.

Points emphasized in the discussion were the teachings of Christ as the Prince of Peace, the need of developing an international world outlook on the affairs of nations, the evil of selfish nationalism, the progress toward world peace by means of Christian tolerance among people, Canada's debt to the Mother Country, our moral obligation in matters of defence, and the necessity of determining our attitudes apart from all feelings of mere sentiment.

The discussion throughout was followed with deep interest and Rev. A. E. MacKenzie closed the period with a brief comment challenging the audience to determine their personal attitude in the light of their individual responsibility as Christians.

It was announced that the service on next Sunday would be held in St. James Church with Rev. John Copp, S. C. M. Field Secretary in the Maritimes as speaker.

ST. JAMES CHURCH

The Sacrament of Holy Communion was celebrated at the morning service. The communion table address by the minister, the Rev. R. Moorhead Legate, D. D., was based on Exodus 12, 26, "and it shall come to pass when your children say, 'What mean ye by this service?' you shall say, it is the sacrifice of the Lord's Passover."

What mean ye by this service? you shall say, it is the sacrifice of the Lord's Passover. The evening service, the minister took as his theme, "The Parable of the Pharisee and the Publican. He pointed out the vivid contrast that Christ pictures between the two types of men; spiritual self-conceit against spiritual modesty; pride versus humble-mindedness. Christ's point is that the spiritual formalist gains nothing from either God or man, but the humble-minded man gains from both. He stands well in the estimation of Christ who was humble-minded; and he stands well in the eyes of his fellow man. The best thing that can happen to us is to have our boastful attitude checked and our self-assertiveness repulsed thus to be taught how little right we have to feel pleased with ourselves. The attitude of mind and spirit that is acceptable and rewarded is the attitude of that man who crept one day into the holy house and not daring so much as to lift up his eyes, said: 'Lord, be merciful to me a sinner.' At the evening service, Miss Marguerite Gudmors sang a solo, "In The Garden."

Many things determine impressions. Peter, quoting the prophet, declared youth would see visions while the aged would dream dreams. For the latter, life is largely behind, friends are fewer, fires are smouldering and the end of the trail is in sight. They look backward and give themselves to dreams.

Young with his forward look see visions. His character determines the vision. The pure in heart sees visions and your old men shall dream dreams. Pentecost is one of the great events of history, although it may not be included in the secular list of epoch-making events. Spiritual things are frequently relegated to the secondary or entirely forgotten in our material-minded age.

Disagreement in interpretation is due to insight and judgment. The spiritual minded is the true interpreter, which Emerson meant when he wrote: "After all is said and done, the saint is the true logician."

Many things determine impressions. Peter, quoting the prophet, declared youth would see visions while the aged would dream dreams. For the latter, life is largely behind, friends are fewer, fires are smouldering and the end of the trail is in sight. They look backward and give themselves to dreams.

With his forward look see visions. His character determines the vision. The pure in heart finds the Holy Graft. He justly revolts against man and gives himself to the creation of a new heaven and a new earth. "See some great things" said a physician to an unhappy, neurotic patient. The greatest thing that we may see is the programme of the Kingdom of God, the challenging vision of every age and individual.

CENTRAL CHRISTIAN CHURCH

The morning service was conducted by the Rev. G. C. Webster of Zion Presbyterian Church and his text was Luke 22, 31-32. And the Lord said Simon, Simon behold Satan hath desired to have you that he may sift you as wheat but I have prayed for thee that thy faith fail not and when thou art converted strengthen thy brethren."

Mr. Webster said when Jesus stated "Simon, Simon" it was the first and second warning that Satan desires to sift him as wheat. This was before Simon became Peter the rock. It was also a warning that Satan desired to sift us as wheat, the ministers, the editors, and also the nation and we should be on our guard, Jesus is praying for the individual and the nation for his prayers will avail.

The music of the day was an anthem by the choir "Draw Me To Thee". News in the meeting and (Continued on page 7)

IN MEMORIAM

In Loving Memory of PERLEY BULL Murray Harbor Died January 11, 1935.

We often sit and think of him when we are all alone. For memory is the only friend that grief can call its own.

That grief can call its own. We have only just a picture Of a face we loved so well To part with him it was so hard No human tongue can tell. He had no one a last farewell He waved his hand to none His spirit fled before we knew That he from us was gone.
