ARCTIC ENDURANCE TESTS

LONDON — (CP) — A British submarine now is on its way to the Arctic for underwater endurance tests. Her crew will take the sub down in the coldest water to be found near the ice barrier off Spitzbergen and remain submerged as long as possible. The crew will later be examined to see how they reacted to the test.

POPULAR PIPER
(CP) — Piper Barnes was a popular dancing partner at a Burns supper here. It wasn't the skill of the piper — the piper was the only man among 111 guests at the gathering.

In the absence of the president, the vice president Lorraine MacLure presided. The secretary read the minutes of the last meeting. Under new business plans were made to sell apples and candy at the concert. A St. Patrick's party was planned for the next meeting with the leaders to be in charge of the recreation. This was followed by the missionary program on the Canadian Indians. During the work period, lunch was served by the hostess.

SOUTHERN KINGS ICE SPORTS
On Friday night the Southern Kings Ice Sports under the supervision of Col. W.W. Reid, Department of Physical Fitness, were held in the Montague Rink. One of the largest crowds this year assembled to watch the kids go through their paces, and to compete in friendly rivalry. Representatives from Murray River, Valleyfield, Victoria Cross, and Montague took part in the evening's proceedings to give the spectators a fine evening of enjoyment. The successive events were smoothly run off with many contestants in each class, each kid hoping to round the final turn in the lead. The highlight of the evening was the close finish to the

On Thursday evening the regular monthly meeting of the St. David's Women's Association was held at the Manor. Despite unpleasant weather and walking conditions there was a good attendance. A tasty lunch was served by Mrs. Babineau and Mrs. Boyce. A successful meeting was held in February at the home of Mrs. Spurgeon Walker. The April meeting is to be at Mrs. Daniel Matheson's.

While temperatures tumbled to new official and unofficial records in the Maritimes on Friday night and early Saturday morning we have the word of Mr. W. T. Wood backed up by two witnesses that on Saturday morning between six and seven, the thermometer reading at the C. N. S. station in Georgetown as taken by Mr. Wood, who is station agent here, was twenty-four below zero, and this in spite of all the (hot) air circulating from all the legislative bodies, Dominion and Provincial, now in session right across the country.

The third game of the best of seven series between the Eagle Old Timers and the High School and Baby Eagle combination was played on Saturday night and as a result the series now stands at two wins for the Oldsters against one for the Juniors, as the Old Timers, injury riddled and playing only eight men fattened their scoring averages by a 12-7 victory.

Once again it was a case of experience and hockey savvy paying off against a willing but wanting aggregation of younger players. The series will continue this week, providing the Old Time rheumatic riddled sextet can ice the required
