

Spring Opening

Spring is here and when it is time for Nature to put on a new dress mankind shouldn't be slow in following suit.

This year we have made a special effort to place before you the very highest quality in

clothing and furnishings for men and women. We have spared no effort or expense to make the showing complete and varied but with a constant eye to quality.

We are offering you the lines offered on

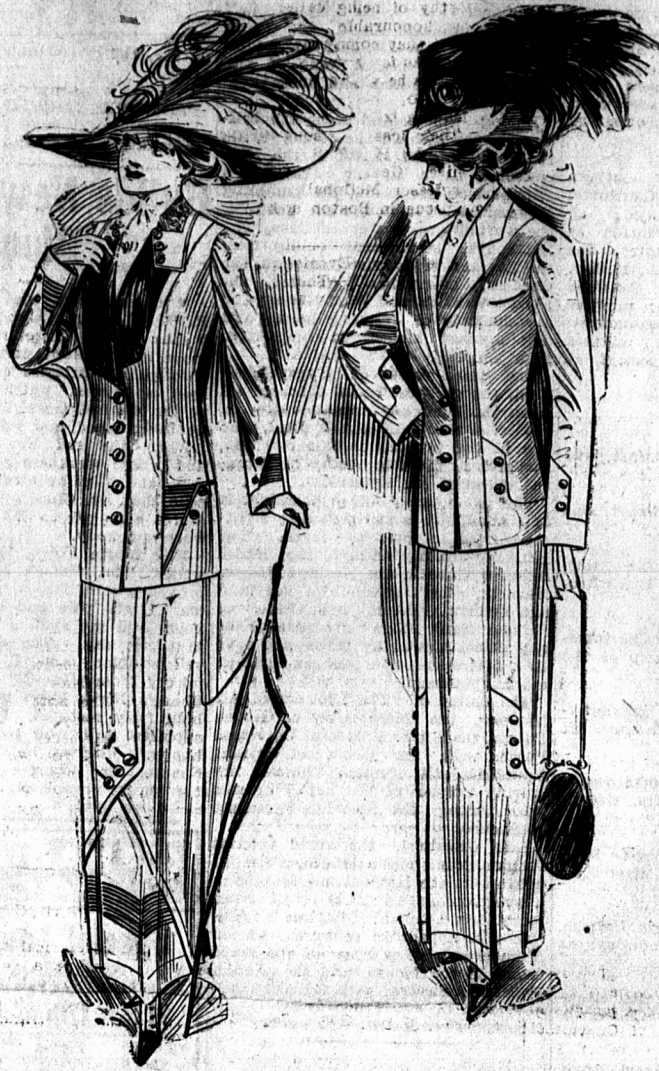

this page with the assurance that each item is a splendid bargain for the price asked. A visit to the store will show you scores of others—these are just a few picking. Call early—remember the early bird.
