

TONIGHT AT MIDNIGHT

An Important Hour for Telephone Users in Charlottetown

Another height in the steady climb of telephone service in Charlottetown will be reached at midnight, Saturday, October 3rd, at which time our Charlottetown subscribers' services will be transferred to the new switchboard.

The most modern type of switchboard has been installed in our new building at the corner of Queen and Fitzroy Streets. At 12 o'clock midnight all telephone lines in Charlottetown will be disconnected from the old switchboard and simultaneously connected to the new, without causing any interruption to the service.

The installation of this equipment provides Charlottetown subscribers with the most up-to-date service obtainable. Parallel with this improvement in Local Service is the increase in facilities for the speedy handling of Long Distance calls; thus the benefit of the installation of this modern equipment is extended to telephone users not only in Charlottetown, but throughout the whole Island.

It is our aim and desire to render the best service possible and we ask you to co-operate with us by consulting the new directory for the number before placing a call. Delivery of this new directory has been completed and it must be used after midnight on Saturday. Many numbers have been changed, particularly rural line numbers, so do not call from memory. Please destroy your old directory.

Until further notice, the payment of accounts and other business transactions shall be carried on through our Business office in the old building on Queen Street.

ISLAND TELEPHONE COMPANY LIMITED

Labor Insistent On Modification Of Volstead Act

SEATTLE, Wash., Oct. 2.—Definite steps to obtain the return of beer through congressional action will be taken by organized labor, William Green, President of the American Federation of Labor, said here today.

The labor chief, on his way to Vancouver, B. C. for the Annual Convention of the Federation next week, said the organization will "emphatically reaffirm" its stand for modification of the Volstead Act to permit the sale of beer containing 2.75 per cent alcohol.

Repeal of the 18th Amendment, however is not urged by the Federation, he stated.

The Federation will go on record Green said, against wage cuts and for allocation of idle workers to public and private jobs as "temporary relief in an acute situation."

Regina Fair Reopened

(Canadian Press)
REGINA, Sask., Oct. 2.—The world's grain exhibition and conference, which was to have been held in Regina in 1932, has been postponed until 1933. Announcement to this effect was made last night by Hon. Robert Weir, Dominion Minister of Agriculture and chairman of the National Committee of the Grain Show.

He had received resolutions from the council of the Regina Board of Trade and the Board of Directors of the Regina Agricultural and Industrial Exhibition Association, urging postponement for a year rather than its cancellation.

Mr. Weir, Thursday night, said he was in complete accord with the terms of the resolutions and favored the postponement of the World's Grain Exhibition and conference for one year. "One of the biggest difficulties in reaching this decision was to determine the effect postponement or cancellation would have on the city of Regina in view of the commitments that the city has already made," he added.

Replying to criticism regarding his announcement as to the fate of the grain show, Mr. Weir stated that at no time had he set a specific date for such announcement.

MUMPS

(By Chief Health Officer)
Mumps, like measles, is a communicable or transmissible disease. It is more prevalent in childhood than in adult life. The most characteristic symptom of this disease being inflammation of the parotid glands (situated at the angle of the jaws) suggests the disease is conveyed by direct contact through transfer of mouth secretions from the patient to susceptible individuals who have been in intimate association. It is probably only rarely, if ever, conveyed by a third person.

The incubation period is from four to twenty five days. The disease is supposedly communicable before the symptoms have appeared, that is, during the incubation period and for several weeks after the symptoms have subsided.

Method of Control: The patient should be isolated at once, and the Health Department notified. Early recognition of the disease is very important. Observation of contacts and early diagnosis of fresh cases are the points of importance in checking an outbreak.

There exists at present a number of cases of mumps in our City. Parents with cases in their homes can materially assist in checking an epidemic by keeping these cases isolated, and contact children, who have not already had mumps, from attending schools or public gatherings for a period of three weeks. School children who have contracted mumps are not permitted to attend school for three weeks from date of attack. Contact children who have had mumps are permitted to attend school and social functions.

IF RUSSIA WOULD PAY!

LONDON, Oct. 2.—Asked by E. F. Wise, Laborite and staunch advocate of closer relations with Russia, for a statement on war debts, Chancellor of Exchequer Snowden replied in Commons this afternoon: "If I issue such a statement I shall certainly include in it the fact that the Russian government owes us about a billion pounds. No member of this House can render a greater service than the honorable member from Leicester (Mr. Wise) if he induces his Bolshevik friends to pay us one year's interest."

Hiddenburg Has 84th Birthday

BERLIN, Oct. 2.—(A. P.)—Germany's "Grand old man," President Paul Von Hindenburg, observed his eighty-fourth birthday anniversary today in physical health and mental vigor which he attributes to hard work and plain living.

KENSINGTON

Miss Florence MacKenzie R. N. has taken a position in the Provincial Sanitarium in Charlottetown and entered upon her new duties last week.

Ralph Somers, younger son of Rev. G. N. and Mrs. Somers who was lately operated on for appendicitis in the P. E. I. Hospital is now convalescing at his home and is making a splendid recovery.

Mrs. J. B. Millman and her sister Mrs. Fred Walton of Brighton, Mass. have returned from a pleasant holiday visit to Vernon River and vicinity their former home.

Mr. and Mrs. Hector Morrison of North Devon, N. B. formerly of Kensington were welcome visitors here last week.

Mr. and Mrs. John Holmes of Calgary are visiting here, guests of Mrs. Holmes' parents Mr. and Mrs. H. R. Moase. Mr. Holmes' mother who accompanied them made a brief visit here enroute to her old home in England.

Rev. J. L. and Mrs. Lund with their daughter and her friend from Moncton spent last week at the Parsonage guests of Rev. G. N. and Mrs. Somers.

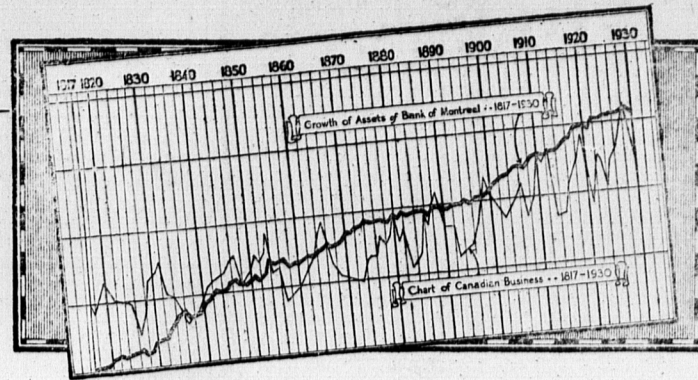

The death of Mr. Jacob Duggan, one of our oldest residents took place on Sept. 26th. at the home of his son Mr. John Duggan after an illness of short duration. The late Mr. Duggan was born in Irishtown nearly eighty-eight years ago but had lived in Spring Valley the greater part of his long life. Just a few weeks ago he and Mrs. Duggan celebrated the sixty-first anniversary of their marriage. He is survived by his widow two sons John and Guy at home, and six daughters Mrs. Artemas Laird, Mrs. William Sudsbury, Mrs. James Campbell, and Mrs. Albert Connick of Spring Valley; Mrs. Wilfred Ramsay of Hamilton and Mrs. Weston Francis of Freetown. The funeral was held on Monday Sept. 28th. to the Kensington cemetery and was an exceptionally large one, relatives and friends coming from near and far to pay the last tribute of respect to this kindly and inoffensive man. The service was conducted by Rev. G. T. Spriggs assisted by Rev. W. S. Loring the six sons-in-law being pall-bearers.

The spacious home of Mr. and Mrs. W. C. MacLeod was filled to capacity on Monday night with a jolly crowd, the occasion being a pre-nuptial shower in honor of their eldest daughter Miss Marian R. N. who is to be one of the October brides. The charming array of gifts was opened by Miss Anna Cousins and Miss Dorothy MacKenzie made the presentations, to which Miss MacLeod made a fitting acknowledgment. Mr. Garnet Proffitt, Miss Marian Proffitt and Mr. Harold Laird made the evening melodious with their vocal and instrumental music. Delicious refreshments were served and a happy social evening spent. Miss MacLeod's marriage will take place next week.

On Sunday last a harvest thanksgiving service was held in St. Marks church. The church was beautifully decorated with flowers, fruit grain and vegetables. Rev. H. R. Coleman of Port Hill was the special preacher and gave a message suitable to the occasion.—X.

Presbyterian Church Reopened

The Presbyterian Church at Hartsville which has been painted within and without was re-opened and re-dedicated on Sunday, September 20th. The weather throughout the day was all that could be desired and the gatherings were large. There were three services in all—11 a.m., 3 p.m., and 7.30 p.m. The morning service, during which the re-dedication service was held, was conducted by the minister of the congregation, Rev. R. Hensley Stavert, M. A., B. D. Mr. Stavert chose for the subject of his sermon "The Foundation and the Purpose of the Church." Mr. Ewen Lamont sang a solo.

STEADY PROGRESS Through the Ups and Downs of 114 Years

ALL through the many changes and fluctuations in the economic situation during the last century and more, the Bank of Montreal has maintained an unbroken record of successful operation and sound progress in serving its customers and Canada as a whole.

REPLACE COMMANDER OF ATLANTIC FLEET

LONDON, Oct. 2.—Sir Michael Hodges, commander of the Atlantic fleet, has asked to be relieved because of illness, Sir Austen Chamberlain, First Lord of the Admiralty, told A. V. Alexander, former first lord, in the House of Commons today. Chamberlain said the Admiralty had accepted the request and the King had appointed Admiral Sir John Kelly as successor.

25,000 PERSONS PERISHED ...

SHANGHAI, Oct. 2.—The National Flood Relief commission at Shanghai was advised today that 25,000 persons have perished in floods covering 5,000 square miles of territory in the Tientsing district of Northern Yunnan Province.

WHISKEY MASH KILLS COWS

ZANESVILLE, O., Oct. 2.—(U.P.)—Farmer George Courtwright had two cows. He pastured them near Willis Creek, Muskingum County. The pasture had been used for other purposes, illegal purposes. Courtwright's cows died after eating whiskey mash.

SHOWN IN EXHIBITION AT OLYMPIA, ENGLAND

In the ABOVE picture is shown a wonderful model of a 15th century galleon made entirely of pure nickel which was shown at the Ship Engineering and Machinery exhibition held at Olympia, England, recently.

where of a high order and Sunday, Hartsville as a red-letter day in September 20th, 1931, will long be remembered by the people of the history of their congregation.

SALES! SALES! SALES

Why buy sale goods when you can get new shoes hot off the last for less money.
Shoes are bought now by retailers from 10% to 20% less than a year ago and are cheaper by 30% or 40% than old stock.
We offer some last year's as low as half price and for the next few days we will discount all our new and up-to-date goods, some of which are not yet opened. Fresh, clean, beautiful goods.
For Instance in Stable Goods
Our ladies patent strap well made and leather lined \$1.98 for \$1.70 and our \$2.65 for \$2.25 shoes usually sold for \$3.00 or over.
All Men's Brown Oxfords at 10, 20, 30% discount.
To arrive this week a big lot of our Samson boots for Men. A good medium fine lace boot at \$2.50, regular price \$2.95. (Some stores get \$3.50.) Boys \$2.25 and \$1.75.
Big discount on all high class internationally known such as Churches, Pickwick, Selburn, Hartts, Scott and McHale, etc.
RUBBERS
Why buy old stock when you can get the best made right here at lower prices. We have just opened several hundred pair and can sell men's Goodrich lumbermen's boots at \$1.95. We have a few ancient rubbers but would advise our friends to keep away from all such doubtful stock. We have one lot as low as 10c.
A few pairs of Women's Satin Boudoir Slippers \$1.50 for 50c and other jobs at 50c to 75c, but it is good new fresh stock we want to give our customers.
