WANTED, A PROMOTER

Mr. G. Love, the well known promoter of this city, gave his views on the industrial situation in an interview published in last Saturday's Guardian. His is the only remaining tannery now in the province and he speaks from an experience of fifty years, an experience which includes many successful years, years also of keen competition with factories outside the province and equipped with all modern improvements and facilities for doing the work, and handling both the raw material and the finished product.

HELPING ONE ANOTHER

Much has been said and is being said of the duties of civilians towards the returned soldiers and it is not too much to assume that civilians of all classes are prepared to do everything within their power to make the transition from the military to the civil life as pleasant and as profitable as possible.

A DEAD LANGUAGE

Most of the politicians and most of the newspapers, are talking politics again just as if there had never been a war. But they do not seem to realize that they are talking a dead language.

OUR WORLD IS A WORLD OF SMILES AND TEARS

Cheeked with joy and woe. Laughter, and frowns, and hopes, and fears.

OUR WORLD IS A WORLD WHERE ALL MUST WORK

Wearily, or sad or worn. For the idler gay and the smiling shirk.

Let Our Pledge Be Kept to the End. This week—Jan 6th to 13th, what is probably the final call is being made, in the interest of THE PATRIOTIC AND THE RED CROSS FUNDS.

The Patriotic Fund and the Red Cross Fund. Important to Farmers and Others. Information Wanted. The Department of Agriculture is undertaking to ascertain the number and extent of farm lands being offered for sale throughout the Province.

DODD'S KIDNEY PILLS. FURS FURS. As I intend leaving for the large fur centres shortly and have orders for large quantities of Silver, Cross and Red Foxes, Muskrats, etc. it would be to the advantage of dealers, ranchers and trappers having furs to offer to get my prices before disposing of same.
