### Carried Unanimously.

A small town in Scotland, eager to vie with its neighbors in the coronation ceremonies, held a public meeting of its citizens in the town hall. The provost, a democratic old blacksmith, was elected chairman, and after explaining the purpose for which the meeting was called, asked for suggestions as to the best manner of celebrating the event.

A prominent citizen rose from his seat in the middle of the hall, and said: "Maister Cheerman and Gentlemen—I'm nae speaker, but on sic an occasion as this I wud like ta mak the suggestion that the toon should celebrate the coronation by holdin' one itself on a sma' scale. I propose that the cheerman, oor worthy provost, be king for the occasion, an', if he's willin', we'll crown him in the square wi' a new silk hat, for I'm thinkin' the one he wears is oot o' fashion and the worse o' the wear."

Loud cheers greeted this proposal, and it was carried unanimously.

"I am a self-made man." "Well, if you keep your mouth closed no one will make it."

"What did you get out of your garden this year?" "Not a day went by that I didn't have one of my neighbor's chickens for dinner."

"How is Ann Matilda making out as postmistress at Elm Crossroads?" "Getting along fine. To-day she read twenty postals, held nine letters up to the light, and opened four newspapers."—Chicago "News."

### EVERYBODY EATS

And all May Make Eating a Pleasure if They Use Dodd's Dyspepsia Tablets.

Some people live to eat; others eat to live. Eating is a necessity for all and a pleasure for some. It should be a for all. The man or woman whose stomach is tight looks forward to the three daily meals as three daily pleasures that are his or hers by right.

Those who miss those three daily pleasures are losers now and are trying up trouble for themselves in the future. And there is no reasonable excuse for not having them. Dodd's Dyspepsia Tablets will both furnish the appetite and make the food of most use to the system. This has often been proved. Miss Lizzie Walling, dressmaker, of 177 King street, Hamilton, has proved it. She writes: "I have been a sufferer for several years with Dyspepsia. Nothing I ate would digest without giving me great pain. I could not get anything to relieve me until a friend advised me to use Dodd's Dyspepsia Tablets. I used only one box and was cured."

Mrs. Jones—Willful waste makes woeful want.
