VISITS WESTERN CANADA.—Mr. George C. Walker, of Y. M. C. A., Sherbrooke, Que. formerly of this city has returned from a visit to Regina, where he spent the holiday season, enjoying the entire visit, with the exception of the cold weather, when the thermometer continued from thirty to forty below zero.

Mr. Walker saw the Regina Pro team play the Saskatoons the first night he arrived. Mr. Roy Frouse is holding down the right defence, and is playing an excellent game. He uses his hips and body to advantage, besides possessing an excellent puck check. Mr. Walker had a long talk with Mr. Dan Matheson, of Bradalbane, who is a wrestler and boxer of prominence, and holds down the three stripes dominating rank of Sergeant of the Regina Police Force. He gets any of the bad men who arrive in town, and knows how to handle them. Mr. Walker met several other Islanders all doing well. He also noted considerable grain in the fields still unthreshed. The Guardian is a regular visitor welcomed in Sherbrooke and carefully read daily by Messrs. Art Morris of Summerside, Roy Whitehead and Russel Jones of Charlottetown.

REV. MR. MULLIGAN REMEMBERED.—On Tuesday evening, St. Andrew's Sunday School rooms at Sydney Mines, were packed to capacity when the annual distribution of gifts from the Christmas Tree took place. Mrs. Chas. McIntyre and Miss Rachel McLean ably conducted the enjoyable program in which each class supplied a number. A feature of the evening was the presentation to Mr. Robt. Dickson, superintendent of Sunday Schools, with a very fine cane as an appreciation of his untiring efforts in the good cause. The presentation was made by Rev. Mr. Mulligan, who made some appropriate and witty remarks and on the conclusion, the reverend gentleman received quite a applause, when amid general applause, Mr. Nell McLellan on behalf of the session, made the presentation of a gold watch chain. The Primary Classes were entertained by their teachers on Wednesday afternoon, and each little guest received a pretty gift as a remembrance of the happy occasion.

Mrs. George MacKay, Malpeque, and Mrs. Keir Woodside, Hamilton, returned to their respective homes on Tuesday, after a pleasant visit to friends in Somerville, Mass. (M.)

### CONGRATULATIONS

Mr. and Mrs. Winifred Ramsay, Hamilton, were, on December 31, honored with a celebration, commemorative of the Twentieth anniversary of their marriage. The event took place in their own home in Hamilton. Mr. John C. Duggan, Kensington, discharged the duties of chairman, and called the meeting to order in some pointed and appropriate remarks, and kept the event moving in perfectly natural order. The wedding march was artfully played by Mrs. Preston Ramsay.

The chairman then called upon Mr. Hazelton Gillis, who expressed the sentiments of esteem and respect in which Mr. and Mrs. Ramsay are held by their many friends by reading the appended.

ADDRESS

Mr. and Mrs. Winifred Ramsay, Hamilton:

"Dear Friends:—We, your early friends and neighbors have assembled here tonight, on the occasion of your Twenty-fifth anniversary of your wedded life, to tender heartfelt congratulations.

Twenty five years ago you were united in the holy bonds of matrimony, and went forth into the world to found a home for yourselves.

During all these years you have cheerfully endured the hardships and enjoyed the legitimate pleasures of human existence, and we know as we look back over the road, that you have trod, that you have every reason to be satisfied with your experience. You have sons and daughters who love and respect you, you have grandchildren who love and respect you.

You have merited the respect in which you are held and you deserve the prosperity that has supported your actions. May you be spared many more years to enjoy the happiness.

During the many years that you have resided in Hamilton, you have ever been held in respect and esteem. You have been good neighbors, always willing to help in trouble and in sickness.

By your hospitality and good cheer you have made many friends, and have established a warm place in our hearts.

We can easily remember the many pleasant evenings we have spent in this, your beautiful home. Great pleasure it gives us to meet here again, and to tender felicitations.

We ask you to accept this small gift, not for its intrinsic value, but as an emphatic token of our esteem and good will, and genuine good wishes for many more years of happy life.

Signed on behalf of your neighbors and friends:

Then a program of choice selections of vocal and instrumental music was rendered, the performers being Mrs. Preston Ramsay, Miss Kathleen Driscoll, Mr. Cedric Owen and Mr. Joseph Connick.

Then a most dainty lunch was served.

The event closed with the departing guests—wishing the choicest of good wishes for Mr. and Mrs. Ramsay and family.

"We are all blind until we see that in the human plan Nothing is worth the making That does not make the man."

Evangelism is the art of helping men in their quest for a complete life. —S. Brannen.

### GREENFIELD SCHOOL XMAS TREE AND EXAMINATION.

On Thursday evening, Dec. 22nd, a large number of visitors and ratepayers assembled at Greenfield school, the purpose being the semi-annual examination and Christmas Tree.

The school-room was artistically decorated for the occasion with spruce boughs, green and red paper, etc. The best of all, being a large and heavily loaded Christmas tree which had its place in one corner of the stage, waiting for Santa Claus to appear and unload it of its many gifts.

The pupils were examined in the various subjects by their teachers, Selma Currie, assisted by Mr. Eugene Dunn, a former teacher and as each class was heard complimentary remarks were made by several present.

After all the classes had been heard, Mr. Eugene Dunn acted as chairman, and every one listened with pleasure to a program of songs, dialogues, exercises and recitations by the pupils, also violin music by Mr. Willie Tray, and singing by the chairman, Mr. Dunn, and the program was throughout was thoroughly enjoyed by all.

Just as the last drill was being acted, Santa Claus appeared, his bells merrily ringing, and as he reached the stage music was heard, and Santa Claus "stepped off", quite lively. He then proceeded to unload the tree, which held many gifts for the pupils and teacher. Included in these was a beautiful pair of hockey boots and skates from the pupils to the teacher. The pupils received many presents from one another, also from the teacher.

The chairman then made a few remarks expressing satisfaction with both the school work and the program.

A vote of thanks was then tendered to the teacher for her efforts and her success in training the pupils so thoroughly.

The singing of the National Anthem, brought a very successful evening to a close.

### THE RIGHT WAY TO BANISH FAT

Combat a cause which modern research has discovered. Turn food into fuel and energy, rather than into fat. Supply a natural element which your system lacks. That is the method embodied in Marmola prescription tablets.

People have used Marmola for 20 years—millions of boxes of it. They have told others the results. Now, in almost every circle, you can see the results in new beauty and new vim. Why not learn the way to attain them?

A book in each box of Marmola tells you the formula, also the reasons for results. You will know why the effects come, and why they are beneficial. Go ask your druggist—in fairness to yourself—for a \$1 box of Marmola.

It might be worthy of mention that all who took part in the program, performed their part very creditably, and the children behaved extraordinarily well.

## ASPIRIN

You doubtless depend on Aspirin to make short work of headaches, but remember that it's just as dependable an antidote for many other pains! Neuralgia? Many have found real relief in an Aspirin tablet. Or for toothache; an effective way to relieve it, and the one thing doctors are willing you should give a child—of any age. Whether to break up a cold, or relieve the serious pain from neuritis or deep-seated rheumatism, there's nothing quite like Aspirin. Just make certain it's genuine; it must have Bayer on the box and on every tablet. All druggists, with proven directions.

Physicians prescribe Aspirin; it does NOT affect the heart

Aspirin is the trade mark (registered in Canada) indicating Bayer's manufacture. While it is well known that Aspirin means Bayer manufacture, to assure the public against imitations, the Tablets will be stamped with their "Bayer Cross" trademark.
