NO WAITING IN THE STORE
 FOR
MAXWELL HOUSE
COFFEE

For Maxwell House is already ground and waiting for you, in precisely correct grinds for each type of coffee-maker—Drip and Regular. And today in that famous blue Maxwell House tin you get more flavor for your money because...

- There's more flavor in the Maxwell House blend—it contains highland-grown, extra-flavor coffees.
- All the flavor is brought out by the special roasting process that roasts every bean evenly all through.
- No flavor can escape—it's sealed, roaster-fresh, in the famous super-vacuum tin.

GOOD TO THE LAST DROP!

Wedding Bells

MISS MARJORIE BACKER BECOMES BRIDE OF PORTSMOUTH MAN

Before an altar of palms and ferns, Miss Marjorie Alice Backer, daughter of Mr. and Mrs. Witalins Backer, 71 Canton Street, Manchester, N. H. became the bride of Arthur LeRoy Enman of Portsmouth, N. H. son of Rev. and Mrs. Samuel B. Enman of Sandown, Saturday evening at 8 o'clock at St. Paul's Methodist church.

The ceremony was performed by candlelight beneath four lighted candelabra and in the soft glow of lighted tapers in all the windows of the church. Rev. Maurice E. Barrett, D. D., pastor, officiated at the double ring service, assisted by the bridegroom's father, Rev. Mr. Enman.

During the service "Liebestraum" and "O Promise Me" were sung by Mrs. Maurice Leblanc. Other wedding music was played on the organ by Melvin E. Watts.

The bride was charming in a gown of white tulle with a long train and a delicate lace motif was carried out from the sweetheart's neckline to the edge of the long-sleeved sleeves. She wore a finger tip length veil of tulle caught with a tiny flower covered lace cap, and she carried a cascade bouquet of white gladioli and blue clematis.

ATTENDED BY SISTERS

As her sister's maid of honor, Miss Marion Backer was attired in a long torso styled gown of dusty rose taffeta with three quarter length sleeves. Her old fashioned dress was of shaded pascades and she wore matching flowers in her hair. The two bridesmaids, Miss Prescilla Backer, another of the brides sisters and Miss Norma Stone, cousin of the bride were gowned identically in a dusty blue taffeta fashioned on the long torso lines. The flowers they wore in their hair matched their old-fashioned bouquets.

Rev. Harold Bentley of Derry Village was the best man and the ushering corps included Harold Esquire, Richard Winterton, and Philip A. Hastings, Jr., all of Manchester and John Donnelly of Reeds Ferry.

RECEPTION FOR 250

Immediately following the ceremony the 250 guests present were entertained at a reception in the church vestry. The bride's mother was attired in a floor-length gown of black, once set-off, with a blue and gold sequin trim. She wore a black hat trimmed with blue flowers and a corsage of yellow-roses. Mrs. Enman was clad in a blue velvet dress with matching accessories and a corsage of white flowers.

The couple left for a wedding trip to an undisclosed destination and after February 28th they will reside at 738 Islington Street, Portsmouth. For travelling the bride selected a gun print dress of-set with a black redingote and black accessories. She topped her ensemble with a princess styled black coat with a tan fox fur collar. Her corsage was a white get well.

The bride was graduated from Central High School and the Manchester Institute of Arts and she did graduate work at Plymouth Teachers' College and Mt. St. Mary College. She has been employed as a teacher of art in the public schools and is well known as a private art instructor.

Mr. Enman, a graduate of Sandown Seminary, Kingston, received his B. A. degree from the University of New Hampshire. He is employed by the United States Employment Service at Portsmouth.

Rev. S. B. Enman, father of the groom is a native of Pownal, P. E. Island. He, with his son, visited the island in 1935, where they spent their vacation on the old homestead with his brother, the late Robert Enman.

RUSTICO CATHOLIC YOUTH CLUB NOTES

The regular monthly meeting of the Rustico Catholic Youth Club took place in the parish hall club room the latter part of February with a good number of members present.

In the absence of the President, Miss Stella Gallani, the Vice-President, Albert Gallani, capably presided. The meeting opened by prayer following which the minutes of the last meeting were approved as read. The members decided to have a Mass offered for Peace and the protection of our soldiers and this Mass was said on February 14th which a good number of members assisted.

In order that those who are at home might in a small measure help win the war, the lady members decided to get material to work with through the Red Cross Society whilst the boys, not to be outdone by the girls, organized Bowling Leagues, the proceeds of which will be used for the purchase of War Saving Certificates.

At the request of the members, boxing gloves were bought and if the enthusiasm with which some of the boys have entered into this sport continues, the Club will, through time turn out pugilists of no mean ability.

The reports of the different committees followed after which the meeting adjourned. The remainder of the evening was spent in games of various kinds.

The illness of the President of the Club, was much regretted and hope are expressed for her speedy recovery. Sympathy also goes out to those members who have recently been bereaved.

HELP TO GUARD AGAINST COLDS & LA GRIPPE
 Follows' Syrup helps to restore stamina and vigor; helps to quieten "jumpy" nerves and induce restful sleep; helps to attain a healthy, hearty appetite. The essential mineral foods which this tonic contains are easily assimilated, even by physically exhausted, nervous, and anemic men and women. Recommended the world over for more than 60 years. Follows' Syrup works quickly. Try it.

FELLOWS' SYRUP \$1.39 & 29c.

Unemployment Insurance Commission

A new registration of all workers, insured and non-insured, in industries which now have insured employees is being carried on by the Unemployment Insurance Commission. It must be completed by March 31st, the close of the fiscal year, when insurance books now in use must be turned in. The information gathered will be used to bring the Commission records up to date and also to furnish information for a man-power inventory which the Government is making. This inventory is being made under the authority of an Order-in-Council passed under the War Measures Act.

The Unemployment Insurance Commission is now distributing the new forms for this registration to employers all over the Dominion. There are more than 150,000 employers with insurable employees in Canada, and the number of insured workers is over 2,000,000. The man-power inventory registration will, of course, include many more than 2,000,000, embracing, as it does insurable and non-insurable employees of industry.

The form which are being distributed have been prepared with a view to ascertaining the skill and training of workers so that Canada's working strength may be utilized in the most effective manner. The War effort is constantly calling for more and more trained and skilled men. It is hoped, through the inventory, to discover workers with skill and training which may be of value in carrying on the maximum War effort. The registration cards are being sent to employers who will see that they are filled out in respect to all their employees. They will then be returned to the Employment and Claims Offices, of which there are more than 100 across Canada. Immediately after the last pay period in March insurance books must be turned in and new ones will be issued to cover the fiscal year opening on April 1st. It is essential that the registration be completed and old insurance books be turned in by the end of this month.

Plan Evacuation of Children From Raid-Threatened Cities

Following the advice of the OCD to keep children in school during air raids, Los Angeles authorities had these pupils bring bedding bags to school in case a raid came and they were forced to remain in the building.

By **HELANOR RAGSDALE**
 NEA Service Staff Correspondent

WASHINGTON — Detailed blueprints for evacuation of children from vulnerable American cities will be in the hands of the public in short order, according to Dr. Martha Elliot, Associate Chief of the Children's Bureau of the Department of Labor.

Awaiting only final approval of the OCD and the Office of Defense Health and Welfare Services, the model program will provide for registration of all children in local districts and transportation of the youngsters to prepared suburban reception centers in case of an emergency.

PROGRAMS PATTERNED AFTER ENGLAND'S

The plan was drawn up following English lines, but has been adapted to special needs of this country, Dr. Elliot explained. Dr. Elliot spent several weeks in England herself last year.

"Our needs will probably be for short term evacuation rather than extended stays," said Dr. Elliot. Representatives of state and local groups at the Washington Conference on Children in Wartime generally approved of a uniform nationwide evacuation plan. White-haired, Grace Langdon, Chief of the Child Protection section of the WPA testified impressively as to the job done by WPA nurseries in registering and identifying the 45,000 pupils under five who are enrolled in their classes.

"So many of our projects are near defense industries, powder plants, or oil refineries," said Miss Langdon, "that we were afraid to

wait — afraid that bombs or sabotage would not wait."

Although certain representatives were still skeptical about the urgency of air-raid precautions alone, the whole conference generally was agreed that the added menace of sabotage in all parts of the country made both identification and evacuation programs vital necessities for thickly-populated regions.

Capt. Robert Crowther explained the reasons behind the OCD mandate to keep school children in school during an alarm instead of sending them home, as was recently done in a New York alert.

"Sixty-five per cent of England's raid casualties occurred in the open," he reported. He stressed the fact that schools are generally better constructed than homes and that principals have been instructed how to provide the best possible shelter. Furthermore, teachers are being trained gradually to deal competently with shelter problems.

MR. DAVID HORNE

Funeral services for David H. Horne, 61 1/2 25th Melson Ave., Jacksonville, Florida, will be held at 4 p.m. Thursday in the Woodstock Park Baptist church, with Rev. Waldo E. Wood, pastor, officiating. Pallbearers will be, respectively, A. H. Wright, D. A. Wilson, C. M. Hudson, O. H. Theaus, B. W. Goodell and J. E. Edwards; honorary, A. E. Goodwin, O. W. Morrison, H. L. Lane, T. T. Daniels, Louis Adams, Alonzo Young, R. G. Taylor, Dr. R. H. Dean, C. V. Kunke, R. F. Charleston. They are requested to meet at the church at 3:45 p.m. Thursday. Mr. Horne died in a local hospital Tuesday night. He was a son of the late Isaac Horne and was born near Christleton, Prince Edward Island, Canada, and had lived here for the past 33 years. For 30 years he was connected with the Seaboard Railway. Surviving are his widow, Mrs. Vesta Horne; two sons, David Howard Horne and A. E. Horne; one daughter, Mrs. W. H. Alford; one brother, John B. Horne, and a sister, Mrs. William McCarthy, all of this city, also several brothers and sisters living in Massachusetts and Canada. Burial will be in Edgewood cemetery, under direction of Haridge and Williams, 517 Park St. Jacksonville Exchange

Hardy Canadian Boy Scouts on one of the winter hikes that explain why older Scouts are proving so adaptable in every branch of His Majesty's Forces. They are boys of the 5th Timming Troop on a week-end ski hike to an old mine.

Tales of the sea, 1942. Scoutmaster William Lawton of the Wynyard Sask., Boy Scout Troop, now of the Royal Canadian Navy, returns on leave, to tell his admiring boys of his adventures. They are gathered in a little room cabin which each Christmas they turn into a toy repair shop, to help Santa Claus remember needy children of the district.

SHOPPING AROUND?

Shopping around from store to store is uphill work that takes a lot of time and often costs you money. But "shopping" from ad to ad in this newspaper as you rest at home is QUICK, EASY and HELPFUL.

Our advertisements bring stores and merchandise right into your home. Read these advertisements carefully. Compare products and prices. Then go direct to the store that has what you want at the price you want to pay. Advertising can save you miles of walking and hours of searching every month.
