S'Side Town Council Meeting

The first meeting of the Summerside Town Council since the civic election was held last evening with His Worship, Mayor J.F. Arnett in the chair. All the members of the council except Councillor T.D. Morrison were present.

A letter was read from R.T. Holman Ltd. advising the Council that on December 22, 1948, they had transferred ownership to His Majesty the King in the right of Canada, free of charge, the property known as Holman's Wharf with the right-of-way to Water Street. The letter stated that the wharf is now under extensive repair by the Department of Public Works of Canada for the benefit and use of fishermen. The crossing to the wharf had been closed some years ago and the Board of Transport Commissioners had given a formal order that it be reopened. The letter said that the Department of Public Works wanted a resolution passed by the Council that would give the assurance that the public approach to the wharf would be maintained by the Town. A resolution to this effect was then passed by the meeting.

Curling Club Lights

Councillor Henry Wedge reporting for the light committee in the absence of Councillor Morrison moved a resolution that a former resolution granting free light to the new curling rink be rescinded and that a resolution be passed that light and power be supplied to the rink at a flat rate of $400. a year. The motion was seconded by Councillor J.L. Gorrill and passed.

Councillor Gorrill thanked the Mayor for appointing him chairman of the finance committee, which is an important position. He said he would try and have periodic reports of the financial condition of the Town available during the year. He said that the Town mightn't have gone so far behind last year if they had known where they stood as they went along.

Councillor Wedge, reporting for the street committee, said that there has been considerable trouble with icy streets and consideration is being given to purchasing a fertilizer spreader to spread sand on them. He paid tribute to the work in the Council for four terms of Councillor W.E. Smallman, who had retired from the Council. Councillor H.B. Schurman said that the Town Clerk's office was congested and consideration would have to be given to enlarging it.

Mayor Arnett agreed and asked Councillor Schurman to have his committee look into the matter and bring in a report.

Councillor Gerald Sheen, making his first appearance at a council meeting, said he would serve the Centre Ward to the best of his ability.

Appointments Made

The following appointments were made, assessors, J.B. Wood and Hugh F. Morrison. Fire Department, Chief W.B. McNeill, assistant chief, Claude T. Kenny, secretary-treasurer, George Hogg, Town auditor, T. Earle Hickey, C.A.

Mayor Arnett said that the assessors had been instructed to commence their work next week.

Words of welcome to the newly elected councillors were voiced by the Mayor and the other members of the Council.

Mayor Arnett submitted the following committees which were approved by the meeting:

Finance and purchase committee: Councillors Gorrill, Wedge and Morrison.

Streets Committee: Councillors Wedge, Schurman, and Sheen.

Police and abattoir committee: Councillors Driscoll, Wedge and Gorrill.

Electric light and power committee: Councillors Morrison, Gorrill and Wedge.

Property and fire committee: Councillors Schurman, Driscoll and Sheen.

Assessments, School and parks committee, Councillors Sheen, Schurman and Driscoll.

Welcomed At Council Meeting

Mr. J. L. Driscoll

Mr. H. B. Schurman

Mr. Gerald Sheen

The three men pictured above were welcomed to the Summerside Town Council last night at the first meeting since the election date. The three were returned by acclamation. Mr. Schurman, who represents the East Ward and Mr. Driscoll the West Ward were beginning their second term. Mr. Sheen, who represents the Centre Ward, is a newcomer to the Council.
