Winter is a hazardous time to wear woolen undergarments. One is in peril if he takes his Turkish bath out of doors with him, as do wool wearers. The Dr. Deimel Underwear

**THE Y. M. C. A. BOYS' CHRISTMAS FUND.**

"He gives twice who gives quickly." The past two days with its frosty air and biting wind remind us that the winter season, a time of such dread to those but poorly prepared, is upon us. Our first appeal for contributions to the Christmas fund brought in a generous response, but the gifts so far are quite inadequate to fill stockings for the many poor children whose names we have received.

We can best enjoy the good things, which this season of the year brings to us, by sharing with others. A great many of the children in the comfortable homes of Charlottetown have discarded toys and books which would bring joy to the heart of some poor child.

As there are many stockings to fill we would appreciate having the contributions sent in early. Money, candy, fruit, nuts, raisins, toys, books, etc. etc., all will be acceptable. Gifts will be distributed without regard to creed or color. Names of poor children will be gladly received at the office of the Y. M. C. A.

**Pimples Spoiled Her Beauty**

A Society Belle of Kingston Cured of Pimples and Blotches by Using

**FERROZONE**

Miss Evelyn M. Geetz of Kingston, writes: "I had an attack of blood disorder which broke out in 'horrid' looking pimples. They were ugly, red, disgusting blotches and ruined the appearance of my face. I tried all sorts of medicine, but the pimples didn't leave. I was recommended Ferrozone and gave it a trial. I noticed an improvement after the second box, and kept up the treatment which finally cleared my skin. As the result of Ferrozone I have a clear, healthy complexion and can recommend it to all other young women similarly affected. Another young lady well known in society circles of Springfield, who advised exceptional benefit from Ferrozone, says: "I feel it my duty to make known the value of Ferrozone. My trouble was poor, weak blood, and as a consequence my lips were pallid, and my cheeks had no color. I wasn't at all strong and required a bracing tonic. Ferrozone soon brought color to my cheeks, improved my appetite and made me stronger than I have been in years. I favor Ferrozone because it is so simple to take and works so quickly. Just one Ferrozone tablet at meals—that's all. Easy to take, sure to cure, and not expensive. Better use Ferrozone and be beautiful and strong like others that employ this splendid tonic. Price 50c. per box or six boxes for \$2.50, at all druggists by mail from The Ferrozone Company, Kingston, Ont. Don't fail to get a supply of Ferrozone to-day."
