QUEEN SQUARE TURNS TABLES AND DEFEATS WEST KENT 11-9

In a close and hotly contested game Queen Square captures the big end of the score eleven to nine and defeats West Kent in the second game for the Inter-scholastic championship of the Island.

As West Kent won the first game played last Tuesday the schools are now even, and the play-off game is scheduled to be played next Tuesday.

The game was fast and exciting from start to finish with victory hanging in the balance for either team. West Kent took the lead in the first innings by scoring four runs to Queen Square's two, and continued to lead up to the end of the fifth innings when score read six all. Again in the sixth they stepped into the lead by scoring two runs to Q. S. none. In the seventh W.K.S. again scored and Q. S. failed to count. Score now read nine to six.

Queen Square finished strong and by good batting and steady playing succeeded in placing over four runs in the eighth and one in the ninth, retiring score being eleven to nine. For school teams the brand of ball played was highly satisfactory and from the players of both teams will be picked men to fill places on the senior teams in a year or so.

GETTING AFTER THE MOTORISTS—Summerside police staff augmented by the stalwart form of a former chief of police to set an example as a law abiding town, paying due respect to the statements set forth by the new provincial premier. On Wednesday one of the new members of the local house who in his political canvass strongly asserted that he would do everything to uphold the motor vehicle law was before Stipendiary Wyatt on a charge of speeding and was fined \$5 and costs. Two other fines of \$5 each were also imposed on others. His Honor giving as a reason for his leniency that he was for the time giving a warning more than an object lesson.

After taking his degree he was appointed resident surgeon at a Montreal hospital and from there went to Vancouver where he entered into partnership with Dr. Simpson Carruthers, another islander. About ten years ago he started in practice for himself and soon became recognized as one of the leading surgeons and specialists of the coast. He was also prominent in the fox ranching industry in the country for the Canadian National Silver Fox Breeders Association. There are left to mourn a widow, formerly Miss Evans of New London, P. E.
