Tilden's second successive downfall and on consecutive days, following his defeat in the singles yesterday by Henri Cochet, of France, "Big Bill" paired with Mrs. Molla Mallory, United States champion, was eliminated from the mixed doubles by Baron Von Kehring, of Hungary, and Miss Eileen Bennett of England, 6-4, 6-1, 6-4. Miss Bennett's play was particularly brilliant.

Jasper Park Celebrates Jubilee

(Special to the Guardian) JASPER-NATIONAL PARK, July 2.—First day into the heart of the Rocky Mountains the radio tonight carried the message of His Majesty the King and the sound of the carillon bells on the Canadian Dominion capital to climax the celebration which Jasper gave as its share of the national contribution towards the commemoration of the Diamond Jubilee of Confederation. It was a picturesque celebration in which gay riding cowboys dressed in their most colorful outfits accompanied by the members of the Mounted Police and school children took part forming the main portion of the parade which opened the celebration this morning.

It Pays To Get The Facts

A large proportion of all the nerve energy generated in a normal body is expended in the act of seeing. Eyes are often found to be defective so that although vision is still good, they are consuming twice or three times their allotted portion of nerve force, thus robbing other vital organs of their motive power.

—WELL KNOWN LADY.—Mrs. John A. Mann, a very highly respected citizen of Summerside, passed away at the Prince County Hospital on Wednesday at the age of 69 years. The deceased lady fell and broke her hip a short time ago. Her death is deeply deplored by a wide circle of friends. There are left to mourn a sorrowing husband, one brother, Mrs. James A. Taylor, of Bedouque and one sister, Mrs. Walter Taylor, of Chatham, Mass., to whom our sincere sympathy is extended.

—FAREWELL SERVICE.—Rev. P. A. Fitzpatrick, preached his closing sermon at Bedouque on Sunday last from the text "The grace of our Lord Jesus Christ and the love of God and the communion of the Holy Ghost be with you all." To accommodate the audience that assembled the vestry had to be opened and chairs placed. The audience was deeply affected with the closing appeal. The retiring Minister paid a glowing tribute to his successor Rev. A. J. Reynolds as a man of marked ability, as a writer, periodicals in U. S. A. and Canada, a man of business ability, an earnest pastor, and one who would be in a better position he stated to carry on the work in a more efficient way than he has been able to do. It might be stated that over sixty persons have been received into full membership under the pastorate of Mr. Fitzpatrick.

Hynes who left on Friday the first inst., enroute to Ottawa where he intends taking a marketry course.

RACES AT SUMMERSIDE

Summerside was the centre of attraction on Dominion Day when the most successful horse racing ever held in the province was attended by thousands of people.

It was without doubt the largest crowd ever seen in Summerside and the racing was the best. A noticeable feature was the lack of scoring, which was appreciated not only by the spectators but also by the horsemen.

The special which left the city at 9 o'clock, carried the horses, but few passengers, the majority going up by autos; every section of the island was well represented.

Undoubtedly the success of the day's meet must be attributed to Mr. E. F. Acorn, the capable starter and announcer who had the affair well in hand and was the recipient of hearty congratulations from officials and horsemen alike as to the manner in which he managed this one of the largest meets in the province.

A well known figure absent from this year's races was Mr. H. C. Hooper, who has attended races meets for the past thirty years. Having undergone an operation Mr. Hooper was unable to be present this year. Fitting reference was made to the part played by Mr. Hooper in past years and the hope expressed that ere long he would be restored to his usual health and activity.

Following are the officials: Starter and Announcer, E. F. Acorn. Clerk of the Course—W. B. Tanton. Judges, Walter Brown, W. B. McNeill, R. J. Steele. Timers, J. G. Hooper, Dr. Lockhart, D. McDonald.

Following is a summary: fishing in Yarmouth county, and took in the sports in which he was greatly interested.

Successful Concert In Marshfield Hall

One of the largest, most appreciative, and best behaved audiences ever seen at Marshfield assembled there on Tuesday evening, June 21st, when in the Marshfield Hall, under the auspices of the Presbyterian Congregation, the young people of Zion Presbyterian Church, Charlottetown, presented their two act comedy "A Fool For Luck."

The spacious hall, which has recently been thoroughly renovated, was filled to overflowing, standing room being at a premium, and the evening being fine, every available position at the windows was readily taken, while large numbers had to turn away.

Mr. Murdock Ross very capably occupied the chair, and although the building was uncomfortably crowded, the best of order prevailed throughout.

The play reflects great credit upon the performers, showing that much time and patience had been expended in its production, and polished off with faithful practice, to be presented in the manner that delighted all present.

Mr. Austin Trainor, the mention of whose name brings delight, and pleasant memories to everybody, (having on so many occasions entertained audiences throughout the island), was present, and contributed largely to the success of the evening.

Mr. Geo. Beers, of Charlottetown also was heard in a delightful solo, and had to respond to an encore. Space forbids special mention of the other excellent numbers which comprised the program.

The receipts of the evening are very generously donated to the repair fund of the Marshfield Presbyterian Church, the congregation of which deeply appreciate the kindness and thoughtfulness of their good friends of Zion Church, a coming out and assisting them so effectively; and to all who in any way contributed to the success of the evening, the thanks of the Marshfield people are hereby tendered.

At the close, after a vote of thanks had been rendered the performers, the friends from the city were entertained to luncheon which proved very enjoyable to all concerned.

Following is the programme in full, also cast of characters. Local Solo... Mr. Harry Craswell, encore. Remarks... Rev. M. Scott Fulton "First Act, "A Fool For Luck." "Second Act, "A Fool For Luck." Selection... Male Quartet. Local Solo... Mr. George Beers. Comedy Songs... A Comedian.
