At the evening service in Geddie Memorial Church on Sunday last a "Visitors' Register" book, presented to the Church by Mr. Alfred E. MacNeill of Stanley Bridge, was accepted on behalf of the congregation by the pastor, Rev. D. A. Campbell, B.A. In the front of the book there is a card with this inscription: "Donated to the Geddie Memorial Presbyterian Church in memory of Amelia Ann MacKie, an early member of this Church, by her son, Alfred E. MacNeill." It will be remembered that the first book of this kind was presented to the Church in 1928, by the late L. M. Montgomery Mac-Donald, the noted Island author, who was born at New London. This book has now been written full of names by people from different parts of the world, one of them a Rabbi from Jerusalem. The late Lord Willingdale, who was then Governor-General, visited the Church, October 8, 1928. He expressed his admiration of the magnificent view from the church grounds which is one of the finest to be found anywhere throughout the Island. As the years pass this old church becomes more and more a mecca towards which many travellers wend their way.
