

Does Your Skin Feel Dried Up?

Perhaps you have not been taking proper care of your skin.

It needs care and attention just as much as your teeth or hair.

If we could live just as nature intended we should, we wouldn't need to worry about our bodies and would die of old age.

But if we would repair the ravages incidental to the artificial life we live, we suggest the regular use of some such dainty emollient as British Almond Pink.

It smooths out the drawn and uncomfortable feeling from wind, sun or hard water. Leaves a sensation of grateful comfort.

Costs only a quarter and we guarantee you will like it. At the price you can hardly afford to be without it.

Radway's Ready Relief

Mrs. L. Dittmar, 710 E. 145th St., New York City, writes: "I used one bottle of your Radway's Ready Relief with wonderful results. I have also found it acts like a charm for sore throat, used it with great benefit for several ailments my children have had, and recommend it to my friends."

NEURALGIA

The relief is the best counter irritant known, and therefore the best embrocation that can be used in Neuralgia. Rub it on the part affected, and keep it on for some time. Use it on the seat of the pain until ease is obtained, which will usually be in the course of ten or fifteen minutes.
