MILBURN'S HEART AND NERVE PILLS

She writes: "About seven months ago I was badly run down in health and became very weak. I was troubled with fluttering of the heart and shortness of breath. When lying down at night I would never wake up. When I arose in the morning I would feel a little better, but as soon as I started to work my heart would start fluttering, my head would become dizzy, faint weak spells would come over me and it seemed as if black objects were floating before my eyes. I was growing worse every day until I got a box of Milburn's Heart and Nerve Pills. When the box was half gone I could feel that they were doing me good and by the time it was all used I was in excellent health and would not suffer from heart and nerve troubles to try them."

TONGS DESTROYED SIGHT. SALISBURY, March 18.—Mrs. Wesley Cochran met with a painful accident recently. While curling her hair she dropped the hot curling tongs, which struck her in the eye, destroying the sight entirely.

There is Pneumonia on Every Hand. Three Deaths in One Family Recently Arises From Neglected or Uncontrollable Colds.

Pneumonia is second only to consumption in the number of deaths which it causes and like consumption always has its beginning with a cold. At this season you can scarcely glance over a paper without seeing the record of several deaths from this dread disease. Cold in the head, fever and chills, a cough which gradually becomes dry and more painful in the chest, rapid difficult breathing, feelings of exhaustion and depression—these are symptoms of pneumonia. You can prevent and cure pneumonia by the use of Dr. Chase's Syrup of Linseed and Turpentine, the greatest of all treatments for the throat and lungs. The only safe way is to regard every cold as serious. Think of the dreadful possibilities which accompany every cold. Remember that pneumonia and consumption are the frequent outcome, and cure the cold before it gets beyond your control. By frequent doses of Dr. Chase's Syrup of Linseed and Turpentine you can quickly break up the cold and guard against dangerous developments. No treatment was ever so successful for this purpose. Dr. Chase's Syrup of Linseed and Turpentine, 25 cents a bottle, family size (three times as much) 60 cents, at all dealers, or Edmanston, Bates & Co., Toronto. To protect you against imitations the portrait and signature of Dr. A. W. Chase the famous receipt book author, are on every bottle.
