COAL GAS CAUSES DEATH OF SISTERS. PHILADELPHIA, Nov. 21—Gas escaping from the loosened tube of a stove in their room. Fannie Freilisch aged 16 years and her sister Katie, 12 years old, were found dead in bed here today, both asphyxiated. The bodies were discovered by their mother who had gone to the room to awaken Fannie. FAREWELL CONCERT TO FRANK T. WATKIS. PICTOU, Nov. 21.—The concert held on Thursday evening last under the auspices of the Glee Club to bid farewell to Frank T. Watkis was a brilliant success. The hall was filled with an enthusiastic audience who showed their appreciation of the good music provided, by encoring every item on the program. Too much praise cannot be bestowed on the Pictou Orchestra which did splendid work under the baton of Mr. Watkis, and was heard at its very best on this occasion. The vocalists were Miss Rette Colquhoun, soprano; Miss Ollie Douglas, contralto; Jack Grant, baritone; and they merit the highest praise for their quality of tone and intelligent interpretation of the songs. Frank T. Watkis was greeted with much applause when he appeared to play his solos. At one time a piano solo in Pictou was looked upon with indifference, but it is not so when Mr. Watkis presides at the piano. His performance was, as usual, perfect. A beautiful ebony and ivory baton, inlaid with pearl, was presented to Mr. Watkis during the performance by members of the Glee Club. Mrs. D. R. Sutherland made the presentation and asked Mr. Watkis to accept it as memento of the kind services he had rendered to their society. Altogether the evening was a delightful one and will be long remembered.

Different Kinds of Overcoats The "ready-made" man cuts a hundred overcoats exactly alike, they are sent to the factory, and put together by machinery, and are finished exactly alike, these coats are sent out and are to be worn by a hundred different men, no two men are exactly alike, so how can you expect to get a good fit when you buy a ready made overcoat. When you order a coat from us the process is different, the coat is made for YOU. It is shaped to suit YOUR shape, every line and every curve is made to suit YOU, and when it is finished it is YOUR coat and will not fit anybody else. There is a difference, isn't there And when you get a coat made for yourself, a perfect fit, and the privilege of having it made just the way you want it, and made from good cloth and trimmings, and with workmanship that will last as long as the cloth, don't you think the small extra charge is a good investment? Think it over before you buy an overcoat. MacLellan Bros Charlottetown's Best Tailors
