

IT'S ONLY A COLD, A TRIFLING COUGH

Thousands have said this when they thought cold. Thousands have neglected to cure the cold. Thousands have let it grow through a cough or a cold. Never neglect a cough or cold. It can have but one result. It leaves the throat or lungs, or both, affected.

Dr. Wood's Norway Pine Syrup

is the medicine you need. It strikes at the very foundation of all throat or lung complaints, relieving or curing Coughs, Colds, Bronchitis, Asthma, Croup, Sore Throat, and preventing Pneumonia and Consumption.

It has stood the test for many years, and is now more generally used than ever. It contains all the lung healing virtues of the pine tree combined with Wild Cherry Bark and other pectoral remedies. It stimulates the weakened bronchial organs, allays irritation and subdues inflammation, soothes and heals the irritated parts, loosens the phlegm and mucous, and aids nature to easily dislodge the mucus and accumulations. Don't be hampered into accepting an imitation of Dr. Wood's Norway Pine Syrup. It is put up in a yellow wrapper, three pine trees the trade mark, and price 25 cts.

Mr. Julian J. LeBlanc, Belle Cote, N.S., writes: "I was troubled with a bad cold and severe cough, which assumed such an attitude as to keep me confined to my house. I tried several remedies advertised but they were of no avail. As a last resort I tried Dr. Wood's Norway Pine Syrup and one bottle cured me completely."

There is only one place to buy furniture while our present prices prevail. That is here.—John Newsum.

A RIGHT WAY and A WRONG WAY

Many people have many ways to bring about the same result. Most of them are mistaken ways, but this is not known until the test of time points plainly to the error. Practically there are but two ways to accomplish anything: a right way and a wrong way. Take, for instance, a man with a bad back, there are lots of them, and of various kinds, some with stitches and twinges, others with cricks and twinges; then there's the dull, heavy continuous kind that lasts all day and doesn't sleep at night. They're all bad enough, they're all hard enough to get rid of. Some people rub the back with liniment, others cover it with plaster, either or both means often bring relief, but the pain comes back—it's the wrong way to cure the trouble.

DOAN'S KIDNEY PILLS

Doan's Kidney Pills cure every form of kidney ailment and that's why they bring such quick relief from backache. Mr. Brad Gony, Good Corner, N.B., writes: "I was greatly troubled with pain across my back. I procured a box of Doan's Kidney Pills, and received so much benefit from them that I consider them the best remedy for kidney trouble there is. I would not be without them in my house."

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupation space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal
