**TEACHER REMEMBERED.**—The last meeting of the "Diggers Class" Albany for the winter term met at Mr. Arnold Leturgey's on April 27th. A goodly number were present and an enjoyable evening was spent. The class was called to order by the President, Brent Wood, who asked Mr. Hurn to lead in prayer. This was followed the singing of the doxology roll call and reading of the minutes of the last meeting. The business of the evening was soon transacted and was followed by the event of the evening—a debate on the subject "Resolved that the influence of public speech is greater than that of the printed page." Affirmative leader Brent Wood, supporters, Ruth Wood, Clayton Morrison, Negative, leader Russell Thompson; 2 supporters, Erie Boulter, 3, Muriel Boulter, Judges Messrs A. Hurn, A. Davison, H. A. Leturgey. The subject was ably discussed by both sides and resulted in a number of speeches were then given by others present and a vote of thanks tendered the judges. As this was Mr. Hurn's last meeting with the "Diggers" a letter of appreciation was read by the president and a fountain pen presented to him on behalf of the class. Mr. Hurn responded in a very fitting term. The singing of the National Anthem and God be with you till we meet again, closed the meeting. A social hour was spent in games and music and lunch was served. The class regrets very much the departure of Mr. Hurn, teacher from this pastorate, but know, what is our loss is but another's gain.
