well Balanced Nerves

Your Success in Life Depends upon them.

If Lacking in Nerve Force, Build Up Your System With Ferrozzone—It Has Helped Others— Let it Help You too.

Happy is the man who can work unceasingly without fear of an "attack of the nerves." He gets along, prospers, rises to position of power and importance. The strong man is pushed over the heads of his weaker brothers by virtue of being capable to do and act when necessary calls.

The weak nervous man is debilitated before the race starts. But the "champion" gives up without trying what Ferrozzone can do for him. This strengthening tonic has got a power for building up people who are run down, tired and exhausted.

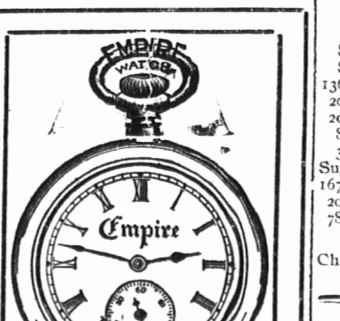

Ferrozzone starts right at the root of the trouble and gives an impetus out of the blood. Then it gives the blood an additional supply of iron and other elements which enables it to furnish the nerves back to normal condition. On the nerves re-toned up, motion and strength trouble disappears. Then your system is in good order, and capable of being rebuilt in the proper way. Nerve tissue is for me, habit muscles be in to garden, weak organs re-align strength, and before long the ha-freckled man glories in the new found vigor that Ferrozzone has brought him.

You may have tried a hundred remedies; they may all have failed. But this mustn't influence you against Ferrozzone, which is a different from other preparations. Ferrozzone actually makes blood, and makes the kind of blood that is valuable in maintaining health. Then Ferrozzone has a wonderful action on food, converting it into nutriment, so that everything you eat is going to be useful to your body.

Ferrozzone is unexcelled as a rebuilding tonic for children, women and men, the young a old, in fact everybody can derive benefit from Ferrozzone, which is specially recommended for chlorosis, anemia, lassitude, weakness, dizziness, indigestion, impaired nervous system, and all the ailments of the blood. Try Ferrozzone yourself. Price 50c per box or six boxes for \$2.50. Sold by druggists and by mail from N. C. P. 501 & Co., Kingston, Ont., and Halifax, N. S.
