Mr. Phillips was prevailed upon to respond to the appreciative audience no less than three times. The selling of the baskets were ably disposed of by anxious buyers by Mr. Frank Sweet. The music furnished by Mr. Forest Phillips and Miss Annie McDonald was all that could be desired, and the many dancers were profuse with their thanks to the above parties for the excellent music.

if tongue is coated, breath bad, stomach sour, clean liver and bowels Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated poison undigested food and sour bile gently moves out of its little bowels without griping, and you have a well playful child again. Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs"; then see that it is made by the "California Fig Syrup Company."
