REV. JOHN ELLIOTT, D. D.

The Dr Elliott, of Oak Park, Illinois, who will in conjunction with Merril Naftzer, soloist, and Carl Leggett, pianist, hold a series of Evangolistic services in Charlottetown, commencing November 4th.

These union meetings will be known as the King's Business Evangelistic Campaign. Dr Elliott is a Canadian by birth, is well known, not only because of his association with Dr Wilbur Chapman, but because of his reputation as an author of books on Bible Study, as a successful pastor, and for several years in Union Evangelistic Campaigns in fifty or more cities. His experience in the pastorate gives him the confidence of pastors and churches and his methods, so free from sensationalism, of extremes commend him to the strong men of the community. "Record of Christian Work," writing on Dr Elliott's work says in part." The preaching of Dr Elliott is simple, scholarly, practical and scriptural. He is exceptionally free from those things which render so many evangelists unpopular, even with the good people. He has the happy faculty of always presenting his message, in a bright, fresh, interesting and impressive way." Dr Elliott is about forty-five years of age, but his hair is white and silky, giving him an appearance of venerableness. The mass meetings of the King's Business Evangelistic Campaign will be held in 1st Methodist Church one of the largest available buildings of the City, and during these union services it is expected to have several excursion trains from outside points, in order that as many as possible may attend these meetings.

High Class Millinery

As usual with us in the Fall season the space taken up by the immense stock of furs, mantles, ladies' suits, and men's ready made clothing, stocked on the second floor, precludes the possibility of a formal millinery opening, but nevertheless all are welcome to come at their leisure and view the very latest and best ideas from the world of fashion.

Our head milliner MISS CASSIE REID who has lately arrived spent several weeks in copying from the most approved Paris and New York models, and has ready a showing of supberb styles, which can not fail to meet with the approval of all lovers of artistic work.

All are cordially invited, and orders will be attended to in a prompt and efficient manner.

Our showing of high class furs also demands more than passing notice, and visitors to the Exhibition should not fail to call, admire, and, if agreeable, purchase.

We would also call attention to the very desirable range of Ladies' tailored suits at moderate prices These come in black, navy, myrtle, brown, etc., and are proving extremely popular

Visitors from the country as well as from abroad are invited to make this store their headquarters during Exhibition.
