

"When Winter Comes,"

In winter, Lifebuoy, the all-year-round soap for hands and face, bath and shampoo, is especially good because:

It does not remove those natural oils which are necessary to skin health.

Its mild, creamy, antiseptic lather goes deep into the pores, cleansing and purifying.

It rids the hands and face of cold germs which, getting into the nose and mouth, would cause colds—real protection against winter's worst ills.

Lifebuoy, the ultra-refined, world's most widely used soap, is an inexpensive protective necessity.

Lifebuoy's cleanly health odour quickly vanishes—the protection remains.

Reports of the past year's work were received and adopted. The following officers were elected for the coming year: President, Miss Mary G. Smith (re-elected); Vice-Pres., Mr. Norman C. Stewart; Secretary, Mrs. Harold A. MacLean, (re-elected); Treasurer, Mr. Malcolm Livingstone.

SHAMROCK NOTES.—Among the visitors to the city last week was Miss Emma Kelly of Shamrock. Mr. Patrick Creighton of Shamrock paid a flying trip to Kinkora recently. Quite a number attended the raffle at John Shreenan's last week though the night being stormy the raffle was a good success. Miss Mary Kelly has returned to her home in Charlottetown after spending a week with her cousin Mrs. Patrick Creighton of Shamrock. Mr. John J. Hughes spent a flying visit to the city last week.

G. H. TAYLOR, the well known jeweller, has just installed a new Good-All Electric Soldering Machine, which replaces the old style torch and gas method of soldering. This machine, which is a new invention, will solder or electric weld any article from the smallest spectacle frame to the largest size ring and perform the job almost instantly without any danger of burning the article. Jewelry set with precious stones can now be repaired without removing the stones and without danger of injuring them. The installing of this machine is in keeping with the progressive methods of the firm of G. H. Taylor.

SUDDEN BEREAVEMENT.—Mr. James Stevenson, Rustico received a telegram from Toronto, announcing the death of his father, Rev. R. W. Stevenson of that place. Mr. Stevenson was 77 years of age and laboured almost fifty years in the ministry of the Church of Christ. His death comes as a shock to his many friends and relatives as he was apparently in fairly good health while visiting his Island home this summer. He leaves to mourn a wife formerly, Miss Mary Crawford of Bedeque and three children, Mrs. Doherty of Philadelphia and Claude and Mrs. Strait both in Toronto, also five brothers, James in Rustico, Robt. in Sydney, Andrew in Oakland, California, William and Henry in British Columbia, and two sisters, Mrs. J. D. McMillan and Miss Adie Stevenson both of Sydney, N. S. —(Patriot Please Copy)

BRIDE RECEIVES—Despite the inclement weather which prevailed on Wednesday afternoon, a large number of friends were present at the post-nuptial reception held on that afternoon by Mrs. Ray Vall (nee Hilda Setner) at her home on Windsor street, Halifax. Yellow chrysanthemums were used tastefully in the rooms, and Mrs. Vall, in her wedding gown of blue georgette, was assisted in receiving by her mother, Mrs. A. Setner, in black satin. Tea was poured by Mrs. Vernon Worth. Assisting in serving were Mrs. D. A. Morrison, Miss Marjorie Rosborough and Miss I. M. Cook. Miss N. MacInnes ushered the guests in the room, while the duties at the door were performed by Miss Phoebe Worth.—Halifax Exchange.

PRESENTATION.—On Friday evening last a delegation from the Children of Mary Sodality of this city waited on Rev. Father Wm. McCabe of the Cathedral staff at the Bishop's Palace and presented him with a purse of gold as a slight token of their appreciation for his many kind acts and the helpful, fatherly counsel extended always cheerfully by him during the term of his directorship of the Sodality. The Rev. Father was very grateful for the remembrance and asked the ladies to extend his sincere thanks to all the members of the society. Father McCabe left on Saturday to assume his new duties as curate to Reverend Dr. McLellan of Tignish. He will be greatly missed by the whole congregation, but especially in the wards where he labored most; his many friends unite in wishing him success in his work and health and happiness in his new home.

COSTIVE BOWELS, HEADACHE, COLDS TAKE "CASGARETS"

No Headache, Sour Stomach, Bad Cold or Constipation by morning

Get a 10-cent box now. Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.
