Royals open Series here On Wed.

Standard-bearers of Maritime junior hockey for the third successive year Junior Royals face their acid test next week when they meet the Ottawa and District winners at the Forum here in the opening round of the Memorial Cup playdowns.

Manager C. F. Archer stated last night that the games were scheduled for Wednesday and Friday nights of next week and if a third game was necessary it would be played on Saturday night.

Winners of Ottawa and District are not known as yet but it is between Pembroke Little Lumber Kings and Ottawa Canadiens with the series concluding on Saturday night next.

Royals this year may not have as strong a team as on the two previous occasions but what this year's team lacks in ability they certainly make up for in fight. They will go into the series the underdogs but the youngsters surprised in their fight to the Island and Maritime crowns and who knows but they may again prove surprise packages as they take on the Upper Canadian team.

Bruins Blank Leafs 3-0 In Series "A" Opener; Cowley And Bauer Hurt

(By H. M. PETERS Canadian Press Staff Writer)

BOSTON, March 20 (CP)—Boston Bruins defeated Toronto Maple Leafs 3-0 tonight in a Stanley Cup playoff game that started as an exhibition of careful, close hockey and developed into a wild third period in which two Bruins stars were hurt and Gus Marker and Woody Dumart drew major penalties for a vicious fight.

The 16,100 fans—Boston followers to a man—got the fright of their lives when first Bill Cowley and then Bobby Bauer were aid to the dressing room in quick succession. Cowley, league leading point maker and centre of The Canadian Press All Star Team, suffered a right knee injury when checked by Dave Schriener, and Bauer was cut in the left thigh in a collision with his teammate, Milt Schmidt.

It won't be known for certain until the morning whether Cowley will be able to play in the second game of the best-of-seven series, to be staged here Saturday night. Bauer should be back as he is required but one stick.

After Saturday's game the teams shift to Toronto for a pair of games next Tuesday and Thursday. If the fifth, sixth and seventh games are necessary, they will be, respectively, on Saturday, March 26 here, Tuesday, April 1, in Toronto, and here April 3.

Until the spectacular ending of the third period, in which Boston scored two goals while Markers and Dumart were serving their majors, the game hung on a goal by Bill (Flash) Hollett, a former Leaf who has had a spotty season with the Bruins.

He scored at 15:33 in the second period, while Roy Conacher and Jim Wiseman were serving a high-sticking banishment. Curiously, all three goals were netted while each team was a man short.

Pass came in fast to pick up a flash from young Terry Reardon and blasted a 25-foot shot past Turk Broda, waist high. Bucko McDonald was trapped, and Reardon and Hollett worked a quick shift around Bob Davidson and Reg Hamilton.

The goal by the native of North Sydney came bigger and bigger as the third period sped by with Brimsek clearing shot after shot faultlessly. Quick plays in the last two minutes of the game were picked up by Reardon and Eddie Wiseman, for a clear-cut decision.

Checks began to get heavy early in the third period as the Bruins carried a high and temper run short. Schriener, skating back from a lunge at the Boston net, felled Cowley deep in the Boston end and picked up the player, obviously in deep pain, lay on the ice half a minute before his team mates could get him to his feet. He left the ice on his way to the dressing room.

Schriener was given a minor. While he was off, Marker and Bauer took tangents in the Boston end. First they pushed at each other, then bows followed. Marker threw his arms around his younger opponent and threw him over his head. The referee, going down on top of him, while flat on his back.

Louis heavy Favorite to Stop Simon

By Sid Feder
Associated Press Sports Writer

DETROIT, March 20 (AP)—Joe Louis, the wrecking crew for heavyweights of assorted shapes and sizes, goes back to work tomorrow night on the biggest target he has ever had as champion.

Putting his title on the line for the 15th time, the Brown Bomber moves into the Olympia to take on 250-pound Abraham Simon, New York giant who boasts a foot that's wider than old Primo Carnera's.

This corner, having listened for hours to James Joy's arguments—just can't escape the man—believes Abe may last five or six rounds, largely because he's just as strong as he looks.

Jack Coyle Returns from Hockey wars

Jack Coyle, former Junior Royals star, returned home on Wednesday evening from Truro where he had played with the Truro Bearcats the past season. Looking hale and hearty, the clever hockeyist gained a lot of experience the past year, and saw his team go right to the finals for the mainland Nova Scotia title. Jack played a variety of positions all season, but for the most part patrolled either centre ice or left wing.

Boxers make Good showing

Although failing to win a title, two Prince of Wales College boxers made a good showing in the Maritime Intercollegiate boxing meet, held at Fredericton on Wednesday. Brent Hooper, after winning his first fight, lost out in the final by a hairline decision. Bert Campbell, the other boy taking part, lost on points in the light heavyweight class. He, too, had the satisfaction of seeing the boy that beat him win the class title.

Ice Races Saturday

Silent Mac and June Evans, partner and trotter, meet Saturday morning in a match race which should provide top thrills for ice harness racing fans. Both horses have been undefeated in their classes this winter, although Silent Mac bowed to defeat in a match race with Millie Kalmuck. However, it is expected the winner of the match Saturday will race the Kalmuck mare in a match event later.

In addition to the match there is another class scheduled for Saturday morning at 10 o'clock with three classes in the afternoon, beginning at 2 o'clock.

In the morning after the match race a class A pace with Jippy K. Roseworthy and Little Peter as probable starters is on the program. In the afternoon there is a class A trot with Virginia Kalmuck, Juanita Axworthy, Bonnie Mary, Heatherbell, Lusty Frisco as likely starters.

The class B pace, second event on the card, the probable starters are: Helen Kalmuck, Princess Kalmuck, Bessie Scott, and Sampson Royal.

The class C pace, the final event of the day will see Lady Frisco, Jean A. Hal, June Hal, Bessie Kalmuck and Junie Axworthy come to the wire.

Officials and horsemen are asked to be on time for both morning and afternoon events.

Eagles Down Hawks 4-2

Jumping into a one-goal lead at the 15-minute mark of the opening frame, on a smart individual effort by M. Cole, adding two more in the second session and another single in the final, while the best their opponents could do was to snare one in the second and one in the third canto, the Spring Valley Eagles on Tuesday evening downed the Kensington Hawks, 4-2, to make it 3 to 1 in their favor in their final best three out of five series for the Baker Trophy.

The Eagles on the play deserved their hard-earned victory, for they played hard hockey throughout, skating fast both ways and when the breaks came they took advantage of them, which was evident when the final gong sounded. While the Hawks, by over anxiousness, missed many glorious chances, and were caught napping when a break came their way.

The game got away fast, with both squads on the hunt for goals, at the 15-minute mark, M. Cole, playing his best game of the season on a smart individual effort, out-guessed McInnis to open the scoring. Campbell, the Eagles' goalie turned aside two hard drives with ease, which McInnis handled the same number during the remainder of the frame.

The second session was only five minutes old when H. Champion put his team two up on his hard low drive from close in. Five minutes later J. Tuplin, on a pass from Mayne, made no mistake to cut their lead once again to one. In the dying moments the Eagles, however, determined to resist, were rewarded with M. Cole once again doing the honors.

In the final canto, the best that either squad could do was to beat the goalies once. R. Howard beating Campbell at the half-way mark, and J. Ramsay, who on one of his sensational rushes had McInnis beaten all the way.

The many fans present were very sorry indeed for Mr. J. Darrach, one of the efficient officials, who suffered a severe cut in his upper lip, which required four stitches to close, being hit with the puck 30 seconds after hostilities opened. E. Champion, his assistant, carried up to the satisfaction of all.

Rangers lose To Wings in Overtime 2-1

CHICAGO, March 20 (CP)—A third-period goal by Max Bentley gave Chicago Black Hawks a 2-1 victory over Montreal Canadiens in the first game of their best-of-three Stanley Cup Series "C" playoff here tonight.

Max took the puck past goalie Bert Gardiner at the seven-minute mark of the last period, taking a pass from brother Doug, which had a close-checking game that had been deadlocked since late in the first frame.

A crowd of 12,306 watched the Hawks come from behind after Elmer Lach had shot Canadiens into the lead early in the first frame. The teams play back in Montreal Saturday night, with the third game, if necessary, in Chicago Monday.

Lach, the rookie star of the game as far as Canadiens were concerned, was injured twice. He was shaken by a stiff body check in the second period and left the ice but resumed his place in the line at the start of the third.

His second injury came just before the bell went, as he was near the Montreal net. He was placed in a chair and wheeled from the ice. It was not known immediately how seriously he had been hurt.

Snead beats Clayton Heafner

PINEHURST, N.C., March 20 (AP)—Sam Snead of Hot Springs, Va., N.C., in a bitter battle down the time stretch to win the 39th annual North and South Open Golf Championship today with a 72-hole score of 277, equal to the tournament record set last year by Ben Hogan.

Heafner, two strokes back at Snead going into the final 18 holes, finished three shots behind in second place.

Royals Take Lead

MONTREAL, March 20 (CP)—Montreal Royals went one game up in their best-of-five series with St. Jerome Papermakers for the Quebec Senior Hockey crown tonight when they fought off a closing comeback by St. Jerome to win 5-3 in a penalty-packed game.

THE STORY OF THE "ROCK TERRACE"

MAKING MEN AND THEIR SHIPS

Built by David Lynch, Saint John, in 1875, the "Rock Terrace", 1769 tons, was one of the Troop Company's largest ships.

While bound for Japan in 1887, the "Rock Terrace" grounded on a coral reef during a squall. She floated clear but was leaking badly. After 25 days of pumping, the crew became exhausted and the ship was abandoned off the island of Guam.

Under short sail and without a soul on board, the "Rock Terrace" rambled about the Pacific for five months before she went aground on Tarawa Island, 840 miles from the place where she was deserted.

TAKES AIR RAID MEASURES

YARMOUTH, N. S., March 20 (CP)—Yarmouth has joined the growing list of eastern Canadian cities and towns taking air raid precaution measures. A meeting was held here earlier this week and three committees—fire, medical and general public—were set up.

R. P. Hemeon, town clerk, said there was no reason for the citizens becoming alarmed as Yarmouth was merely falling in line with steps taken in other Nova Scotia communities.
