ROBERTSON COLE PRESENTS

"Shams of Society"

WITH BARBARA CASTLETON, MONTAGUE LOVE, AND ALL-STAR CAST

...She was rich—but penniless. She had gambled—and lost. A jewel disappeared—she was the thief. A money-lender knew and named his price for silence.

A darkened limousine; a swift ride to a quiet country place; a warm fire in an open grate—

"Come" he said, "Let us arrange things comfortably" Her husband crept upon them, with a pistol in his hand and then—

...The most astounding climax ever seen on the screen.

Of Course! You are going to join Our "Santa-Claus" Club!

THE SUGGESTION that we start a "Santa Claus" club for the benefit of the poor children of Charlottetown appealed to us as a good one—a suggestion in keeping with the Christmas season.

WE FEEL SURE there are hundreds of warm hearted people in Charlottetown and elsewhere, who will gladly co-operate.

The Idea is this: There are many, many little children in this city who suffer keen disappointment at Christmas time through the apparent neglect of good old Santa to put something in their stockings.

Our plan is this: We secure from Church organizations names of poor children whose Xmas is practically certain to be an empty one.

WHAT YOU DO: You join our Santa Claus Club by donating a dollar—two dollars—or as many dollars as you like.

THINK OF THEIR DISAPPOINTMENT at finding their stockings empty—on Christmas morning.

We undertake to make up—AT ACTUAL COST --- one dollar parcels of Xmas toys, each of which will bear the name of a Club member, and on Xmas eve we will send out these parcels—to the children--- as from Santa Claus.

Your dollar buys more! By joining the Santa Claus Club your dollar will secure more for the kiddies than if you selected the toys yourself as we will supply the toys at actual cost. The parcels will be made up by an experienced member of our staff.

Of course you will join! Bring or send your dollars—we will do the rest. Already we have received quite a number of subscriptions to this fund. We hope to receive many more.

Send us your dollar TODAY! DO IT NOW!
