Seven Possibles Scored In D.C.R.A. Shoot Yesterday; Hamilton Wins Team Prizes

(By Foster Barclay, Canadian Press Staff Writer)
(C. P. By Guardian's Special Wire)

CONNAUGHT RIFLE RANGES, South March, Ont., Aug. 12—Seven crack sharpshooters wound up in a tie today for the MacDougall Challenge Cup, opening day feature of the Dominion of Canada Rifle Association's annual meet. The leaders scored possibles at 500 and 200 yard ranges for a total of 70.

Undisturbed by a heat mirage and steady west winds Canada's crack riflemen posted fine scores with keen competition the keynote as evidenced by the fact 17 men finished with 69, one behind the leaders. More than a score carded 68.

Score Possibles

The seven scoring possibles were: Capt. S. W. Graham, Toronto; Sergt. Maj. R. Kiddie, Toronto; Sergt. Jim Kier, Vancouver; Lieut. P. J. Martinson, Three Rivers, Que.; Srgt. R. S. Potter, Hamilton; S.Q.M.S. Fred Sheppard, Ottawa, and Lieut. Col. R. Simmonds, Ottawa.

The short range, usually the easiest for possibles, upset many marksmen. Almost 30 popped on their seven rounds at 500 yards for possibles, but were turned back when they advanced.

Eleven tyros, trying for their first major victory, battled to a draw in the Tyro match. Finding the early morning light to their liking, they spattered the target from 500 yards with seven rounds that found their mark in the bulls eye. More than a score drew up behind the leaders with scores of 34.

Possibles included Trooper G. L. Calkin, Kentville, N. S., and Cadet

CONNAUGHT RIFLE RANGES, South March, Aug. 12.—Firing under breezy conditions with a tricky West wind, Sgt. Roy McCabe and Lieut. P. T. Hooper led the Island marksmen in the MacDougall Match with 67's. Q. M. S. Gormley and Lieut. A. J. McCabe posted scores one point lower. Pte. R. A. Andrews was well up in the Tyro match with a 34, closely followed by Sig. R. E. Jenkins with a 33.

G. G. Copeville, Barker's Point, N. S. Ottawa Cameron Highlanders triumphed in the Lewis gun match, the "A" team took first place with 131 of a possible 180 and the "C" team third with 102. Victoria Rifles of Montreal were second with 109.

Team Victories

Two team victories went to Hamilton when the Central Collegiate "A" team compiled 133 points to win the Senator McDonald Trophy and the Royal Hamilton Light Infantry scored 183 to take the Barlow.

Lieut. Col. C. R. Crowe, of Guelph, one of the oldest competitors at the meet, led those with 69 in the MacDougall. He hammered home his shots at 500 yards for a possible 35 but dropped one for an inner at the short range.

Tommy Gregory, 20-year-old Saint John shot, returned after a year's absence to score a 34 and a 35 and take a place among those with 69. The Saint John youth three years ago qualified for the Bisley team but was unable to make the trip, due to his age.

First stage of the Bankers, one of the richest events of the meet, was fired over 300 yards but the scores were not turned in for checking. The match will be completed tomorrow over 600 yards.

McCarthy And Cronin Fined $100 Apiece

(A. P. By Guardian's Special Wire)

CHICAGO, Aug. 12—Joe McCarthy, manager of New York Yankees, and Joe Cronin, manager of Boston Red Sox, today were fined $100 apiece by William Harridge, President of the American League, for allowing "stalling" tactics in the New York-Boston game at Boston Aug. 6.

President Harridge described the actions of the managers and players on both teams as a disgraceful exhibition. He gave McCarthy and Cronin five days to forward their personal cheque to pay the fines.

The game in question was delayed in the fourth inning because of a shower. Play was resumed and in the fifth inning, with the score 7-3 in favor of the Yankees, and further rain threatening the New York club made every effort to hurry completion of the legal five innings, while Boston did everything in its power. President Harridge said, to delay play and avoid defeat.

All-Stars Again Defeat Cubs In Close Game

A very classy baseball game ended with a victory for the All Stars over the Summerside Cubs here last night by the close score of 6-4. As in the two previous appearances of this team their infield was very pretty to watch and pulled off many nice plays. Stewart at short and Roach at second were particularly impressive although Ryan and Hogan each played nice ball, not having as many chances as their mates. The Summerside infield was also considerably improved over last game and committed only one error. The outfield was very ragged however and did not support their pitcher as the All Star outfield did.

Reg Phillips and Cap McQuaid the starting pitchers hurled neat ball for six innings. They were both relieved in the seventh, Arsenault going in for the Cubs and Wilf Stewart for the Charlottetown aggregation. The Cubs opened the scoring with two runs in the first frame. Jim McInnis drew a walk and reached third on Reg Phillips single. David Larkin scored both runners with a nice double. This score held until the last of the 5th frame. With one out in the sixth, McQuaid drove a home run to deep centre with two mates aboard. In their half of the sixth the Cubs again took the lead on the strength of runs by Dan McInnis and DesRoches.

Entering the seventh and last inning, one down, the All Stars nicked young Unk Arsenault for three hits, including a home run to score three runs and held Summerside scoreless in the last half to win the game. With one out LeClair singled and reached third a moment later on Nickerson's single. Ryan flied out but Roach drove a home run to left scoring Nickerson and LeClair ahead of him with the tying and winning runs. Wilf Stewart went in to relieve McQuaid for the seventh and retired the side with five batters facing him. The diminutive hurler certainly has plenty of stuff and also marvellous control.

Features of the game were the two home runs by McQuaid and Roach which drove in all the Charlottetown runs and the steady playing of both infields, Dan McInnis, Gay, Roach and Stewart being the stars of the game.

Lineups:—

Cubs: C. Hogan, C, Phillips and Arsenault P, DesRoches 1b, D. McInnis 2b; Gay 3b; Jim McInnis SS; F. McInnis CF; V. LeBlanc RF; D. Larkin LF.

All Stars: Ward C; McQuaid and Stewart P, Ryan 1b; Roach, 2b; Hogan 3b; Stewart SS; Nickerson Rf; LeClair Cf; Gillis Lf.

Umpire: Jim Dodds. On the bases, Ward and E. Arsenault.

Scorer G. Sheen.

Record Entry List In Golf Tournament

(By Arthur Merkel, Canadian Press Staff Writer)
(C. P. By Guardian's Special Wire)

HALIFAX, Aug. 12—A record-equalling entry list of Maritime golfers from 19 different clubs was ready tonight for tomorrow's 36-holes of medal play that make up the qualifying round in the Maritime Provinces Golf Association's 23rd annual championship.

Eighty-six players will break up in threesomes tomorrow morning and tee off at five-minute intervals from eight o'clock on from the first and 10th tees of the Ashburn Golf and Country Club's sporty course.

By tomorrow evening the first division, composed of the leading 16 players in the qualifying round, will be known and the rest of the field will be split up into groups of the same number in preparation for three days of match play.

Though the champions of the last three years were not entered, there was a representative crew of first ranking Eastern players ready for a good fight to stave off Frank Meilke's comeback attempt to regain the crown he did not defend after winning it back in 1931.

Mielke has been considered favorite for the title since he led a field of 50 Nova Scotians in the provincial championship last month.

Among the leading golfers attending were Charles McKinnon, Prince Edward Island champion, and his runner-up, Pete Kelly of Charlottetown, the National Hockey Leaguer; Dr. W. Jabot, Nova Scotian runner-up; J. M. Matthews, last year's Nova Scotian champion; L. Miller, Bermuda champion; Col. J. L. Miller and Don Miller, all American members of Chester's summer colony; D. H. Williams, R. C. Duchemin, and Bidy Babcock, leading Halifax players; and Ray Getliffe of Saint John, one of the defranchized players in the Maritime Hockey League last winter.

In addition to the regular play in the five divisions, there will be consolation matches, driving, approaching and putting competitions and on Friday 36 holes of medal play for the professional championship of the Maritimes. A team match will be held in connection with the qualifying round.

The annual meeting and banquet of the Maritime Provinces Golf Association will be held Tuesday night at the Ashburn Clubhouse. Officers of the Association this year are F. B. A. Chipman of Halifax, President, R. R. Wallace of Halifax, Vice-President, and A. V. Saunders of Charlottetown, Hon. Secretary-Treasurer.

Louis Sure He Will Kayo Maxie Baer

By Earl J. Hilligan,
Associated Press Sports Writer
(By Guardian's Special Wire)

DETROIT, Aug. 12. — Joe Louis, who says it was "just one of those things" when he missed calling his knockouts of Primo Carnera and King Levinsky by one round each, is going into training before telling the world when he believes he'll put Maxie Baer away next month—but the "Brown Bomber" is none the less confident he can turn that trick.

"If I can hit him, I'll kayo him—and I know I can hit him," Louis drawled today, announcing he would start training for the Baer scrap about Aug. 20 at a site not yet determined.

"It will be my toughest fight yet," continued the 21-year-old negro heavyweight sensation. "But I'll take him."

Joe flashed one of his rare grins when reminded he was off slightly in his previous kayo predictions. He said he would stop Carnera in the fifth, but finished him in the sixth. He put Levinsky away in the first when he said he would win in the second.

"It's kind of hard to tell, but I try to be close," said Joe, realizing perhaps that the "boys" on Detroit's East Side are reported to be making bets on the round in which "their Joe" will stop his next opponent.

"I'm going to go into training before I say what round I'll stop Baer. I know he's good, and I hope his hands are in shape, so there'll be no excuses. If they ain't in shape, it's his fault."

Joe will box a four round exhibition match Saturday at the Detroit fire and police field day.

Youthful Marksman At Meet

CONNAUGHT RIFLE RANGES, Southmarch, Ont., Aug. 12—Tommy Gregory, 20 year old Saint John shot, returned here today after a year's absence, seeking a berth on the 1935 Bisley team. Three years ago the youth startled marksmen here by shooting his way into a place on the Bisley team, but was unable to accompany the team due to his age.

He made a step toward his objective today when he carded a 69 out of a possible 70 in the MacDougall challenge cup counted in the grand aggregate and the Bisley aggregate

Falcons Clinch Second Place By Beating Grocers

Rallying for four run rallies in the second and fifth innings the Holy Name Club Falcons last night clinched second place in the second section of the City Baseball League when they defeated Burhoe's Grocers 8 to 3 in the second last game of the loop schedule.

Behind the five hit pitching of big George Ayres, Falcon portsider, the winners had a shutout in their hands up to the sixth inning. In this inning, the losers last turn at bat, rallied desperately to score all their runs on three of their five hits on two Falcon errors. Two strike outs by Ayres and an infield out, however, quelled the belated uprising.

With the exception of two innings, the fifth and sixth, the game was well played and closely contested. The Falcons superior power at the plate gave them the edge over their younger rivals, although Harry Larter, another portsider, turned in a fine pitching performance and but for erratic support could easily have had but only half of the number of runs scored against him. Ayres, however, deserved the victory up to the sixth allowing but two safe blows while striking out ten during the game.

By Gordon Bauld,

(By Guardian's Special Wire)

No Decision In Amateur Standing

CLEVELAND, August 12—The amateur standing of Jesse Owens, Ohio State track and field star remained status quo tonight.

The Northeastern Ohio Association of the Amateur Athletic Union at a special meeting today discussed acceptance by Owen of $150 from the State of Ohio as salary for services as honorary page in the Legislature.

Lou N. Bloom, President of the district A. A. U. issued a statement saying the Board of Directors was not in possession of sufficient facts to come to a decision.

Sydney A. Hesse of Cleveland, one of two members of the House of Representatives, who sponsored the resolution giving Owens the honorary job said he did not support the resolution because of Owens' athletic achievements, but merely because Owens' services might be needed to take care of routine matters after the Legislature adjourned.

Pioneers, S'side Champions, Win Permanent Possession Of The MacMurdo Trophy

All ideas of a protest over the final game in the Town League play-offs have been abandoned by the Red Wing management. The final game, it will be remembered, ended with the Pioneers on the long end of a 9-3 score but there was talk at the time that the Red Wings would protest as they were very much dissatisfied with the way in which the officials in charge handled the game. The Wings have since reconsidered their course and are to be congratulated on the sportsmanlike way in which they have taken their defeat.

This year's victory marks the third consecutive season that the Pioneers have come out on top, which gives them permanent possession of a fine trophy donated by Dr. J. A. MacMurdo some years ago.

At the beginning of the present season it did not look as if the Pioneers would repeat their win of the two previous years. They hit their stride however at the proper time in the second session to nose out the high flying Red Wings by one game.

These two teams then staged one of the most interesting and exciting play-offs in the history of Summerside baseball. In all fairness to the Red Wing team it must be stated that they lost two of their foremost players just when they needed them most. Harry Crossman was the first loss, being put out for the season with a knee injury on July 1st. Then Jim Wilson, ace speedballer of the Wing pitching staff left on his vacation with the Wings one game down.

Again not to belittle the Pioneer victory too much it may be added that they defeated their opponents with both these players on the field.

The personell of this year's Pioneer team is as follows:—

Jim Dodds—Jim is the loquacious catcher of the team. It is his first season with the Pioneers and he came to them in an exchange with the Red Wings for Elmer Ward early this year. Previous to his playing with the Pioneers Dodds has played three seasons in the Charlottetown City League as an outfielder, a season with the Sluggers as an infielder and a season with the Red Wings as catcher.

Jack Schurman—Jack is one of the most versatile players Summerside has ever known. Since coming to the Pioneers two years ago he has played practically every position on the diamond. This year, he was the ace of the pitching staff and was undeafeated in five starts during the play-offs.

Dr. Noonan—The "Doc" is another of the Pioneers pitchers and he performed heroic work during the recent series. He will be remembered by many as a veteran in many Island League conflicts with Charlottetown and his come-back this year is very pleasing.

Alvin Gay—This is "Tubby's" first season with the Pioneers. He has won his spurs both as a starting pitcher winning the opening game of the play-offs and starring in a relief role in the final game of the second section. He previously pitched for the Sluggers and also the Red Wings.

Rev. C. Watterworth—This is Carl's third season with the Pioneers. After a six week's lay-off he returned in the play-offs when needed most and turned in sparkling performances at first base during the last three games. Like Schurman he is a very versatile player and has been seen in many positions during his three years of play.

Dan McInnis—Dan is a product of a recent High School team and was with the C. Y. M. L. for one season. His playing at second base has been sensational and great things are looked for from him in future years. With very timely hitting he won two play-off games single handed.

Perce McCabe—Perce was this year's third baseman and it was his first appearance as a Pioneer. He is one of the teams most consistent hitters and is a brilliant fielder also.

Cecil Ward—Cecil has been one of the mainstays of the Pioneers since their renovation three years ago. He is a Charlottetown product and previous to his coming to Summerside played in the Industrial League there. He is a very speedy base runner, a good hitter and brilliant short-stop.

Jim Millman—Jim has also been with the team for the whole three seasons. He is the fastest base runner in the league and together with his team-mate Ward they have won many games on the strength of this characteristic alone. Jim is the leading batter of the team for the play-offs and covers a great deal of territory in the outfield.

David Larkin—"Dave" is a graduate of the High School team of '32 with Honors in batting. True, he hit a slump during the last few games of the play-offs but up until then and during the whole of last season he was clouting the pill around the .350 mark. Like McInnis and DesRoches his teammates of school days and post school days we predict a good future for him. He plays left field and covers up the infield well.

Henry Bernard—This is Henry's first season with the Pioneers and he supplied batting-punch which helped them through in no small measure. His playing in right field left nothing to be desired.

If time and space permitted other players who would be mentioned for their playing during the year and in the play-offs are: Sharpe p, R. Clow rf., DesRoches 1stb., J. McInnis ss., K. Jelly rf., J. Hogan cf.

And last but not least the personell would certainly not be complete without mention of the manager, Wilfred Kelly. Wilfred has handled the boys for the entire three years and spent much of his time and energy on their behalf. The boys in return have given their best always and proably these factors have largely contributed in making the Pioneers the team that they are.

Both teams used 15 players in the play-offs. Their box-scores for the eight games are as follows:

All - Stars vs Abegweits Wednesday

Unless adverse weather conditions prevail or something unforseen occurs the All-Stars meet the Abbies at the Capital on Wednesday in the play-off opener for the Island championship. The All-Stars have been practising faithfully during the past week and will go through a final drilling this evening. The pitching duties will rest with Daly, Durant and Noonan in Wednesday's game and Dodds will probably be on the other end of the battery.

Watterworth is the choice for first base but the other three positions in the infield are still being fought for. Schurman, C. Ward, Phillips, MacCabe, Warren and Dan McInnis all being worthy candidates for either of the three positions.

The outfield seems to be all settled with Lidstone in centre flanked by Ward at right and Millman at left.

A glance at the box scores reveals that the perennial weakness at the bat still exists but somehow or other the general opinion is that the boys will hit better this year than last season and the season before. As far as general fielding is concerned there is certainly an improvement over previous seasons.

Taking all in all the management and fans are looking for Summerside to put up a good showing against the Abbies this year and look for them to cop at least one of this week's games.

RIFLE SHOOT

The practice shoot on Saturday was fairly well attended, but the mirage stopped several from making high scores.

Shooting in the club is just about to begin in earnest for on Wednesday is the first shoot of the Salver Series and many are entertaining high hopes of winning the silverware.

New shots this year are quite noticeable and they are being given all help possible; it is to these younger ones that we look for carrying on and maintaining the nigh reputation of York Rifle Club, and to stand out as good sports in this manly man's game.

There is room for more members and this Wednesday, the 14th, begins the prize shooting both for Salver and aggregates for juniors and seniors. Membership is small and the sport is elevating.

Scores at last shoot were:

Ranges 200, 500 and 600 yards. Possible, 105.
