DON'T LET GO

A community without CO-OPERATION is like a boatman who has lost his oar. You can't imagine a more HELPLESS case. Unable to GET ANYWHERE, there is no COURSE but to DRIFT with the ebb and flow of circumstance. Once LOST, it is hard, indeed, to RECOVER the oar. But surely WE don't have to get into this DANGEROUS plight. It's our OWN fault if we DO. Co-operation, like rowing a boat, must be studied and learned. And we can only learn it through PRACTICE. The PRACTICED oarsman never lets go of his oar. And if WE would keep from DRIFTING we must practice CO-OPERATION. Let's GET into practice and KEEP in practice. Let us PULL TOGETHER in everything that means PROGRESS for our Home Town. It's a case of SINK or SWIM "TOGETHER."

## THE GREAT CLOTHING MEN

## Kryptok Double Vision Lenses

When the age of forty to forty-five years is reached one needs another pair of glasses—a pair for reading and a pair for distance vision. Kryptoks combine these two pairs into one, the upper half of the lens for distance vision and the lower half for reading. Kryptoks are not two lenses cemented together—they are two strengths of glass fused into one.
