

# The Easy Laxative

In justice to yourself you should try Rexall Orderlies, — your money back if you don't like them. They are a candy confection that really do give easy relief from constipation.

Good health is largely dependent upon the bowels. When they become sluggish the waste material that is thrown off by the system accumulates. This condition generates poisons which circulate throughout the body, tending to create coated tongue, bad breath, headache, dull brain action, nervousness, biliousness and other annoyances.

Avoid harsh cathartics and physic. They give but temporary relief. They often aggravate the real trouble. They are particularly bad for children, delicate or aged persons.

## Rexall Orderlies

Come in tablet form, taste just like candy and are noted for their easy, soothing action upon the bowels. They don't purge, grip, cause nausea, looseness, nor the inconveniences attendant upon the use of purgatives. Their action is so pleasant that the taking of Rexall Orderlies almost becomes a desire instead of a duty.

Children like Rexall Orderlies. They are ideal for aged or delicate persons as well as for the most robust. They act toward relieving constipation, and also to overcome its cause and to make unnecessary the frequent use of laxatives. They serve to tone and strengthen the nerves and muscles of the bowels and associate organs or glands.

## Make Us Prove It

We guarantee to refund every penny paid us for Rexall Orderlies if they do not give entire satisfaction. We ask no promises and we in no way obligate you. Your mere word is sufficient for us to promptly and cheerfully refund the money.

Doesn't that prove that Rexall Orderlies must be right? You must know we would not dare make such a promise unless we were positively certain that Rexall Orderlies will do all we claim for them. There is no money risk attached to a trial of Rexall Orderlies, and, in justice to yourself, you should not hesitate to test them.

Rexall Orderlies come in convenient "pocket size" tin boxes. 12 tablets, 10c; 36 tablets, 25c; 80 tablets, 50c.

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all druggists. You can buy Rexall Orderlies only at the Rexall Store in this community only at our store:

## LATEST FROM THE THEATRE

### NEW YORK HIPPODROME.

It was inauguration week at the Hippodrome.

Thousands of visitors to Washington came on to the metropolis and every single mother's son—and daughter—came to see the one great amusement institution of the earth—the New York Hippodrome.

The newly added spectacle of "Gypsy Life" with its mammoth new circus and the dramatic finale of the Plunging Horses lends renewed thrills to those already created by viewing the greatest of all spectacles in "Under Many Flags."

Romance runs riot in "Gypsy Life" from the moment Mirza, the Gypsy queen arrives in her caravan wagon until the Silver heeled horse of the same queen is stolen and never rescued.

During the second scene the brilliant circus with all the daring thrills that only can be shown in the Hippodrome there appear Jeannette's Hippodrome Elephants, the Tumbling Haymakers, Holland and Dockrill, the world's greatest equestrians, the Sylveans, sensational equilibrist, the LeVians Trio, head balancers, the Reeders, marvelous gymnasts, the Flying Weavers and Fred Gerner and his company of jumping horses and dog against himself in competitive high jumping.

The third scene of "Gypsy Life" gives the greatest heart throb of all when the Plunging Horses come on the scene riding, by the Gypsies, who are in hot pursuit of Silver Heels, the stolen favorite horse of Mirza, the queen of the Gypsies.

The joy journey from Washington and Annapolis is still taken by sightseers from all over the earth. The Britanny fishing village, the Berlin Summer Garden, the Holland Flower Markets, the Highlands of Scotland and oriental Persia and China of "Under Many Flags" are some of the gay places viewed by those who love to travel over our wondrous earth at the Hippodrome.

The ballet of "The Flowers of All Nations," the Magic City of Golden Palms, the Silver Palace of Universal Peace with its Court of Crystal Fountains still remain the awe inspiring wonder of the happy crowds who through the world's greatest playhouse.

Lina Cavallieri, the world famous Italian grand opera singer, sing in concert at the Hippodrome tonight in a program largely made up of scenes from Grand Opera. Madame Cavallieri will appear in costume. Lucien Muratore, leading tenor of the Paris Grand Opera House and the Nahar Franko Orchestra, with Eduard Tourneur, also of the Paris Grand Opera House, as conductor, will assist.

## Builds New Blood Cells

It is estimated that there are over 75,000,000,000 red blood cells in the human body. These red blood cells move in the blood currents, carrying through the arteries each its little load of oxygen, which it transports to the distant tissues, that they may be invigorated and vitalized anew.

When the red blood cells shrivel and waste weakness and disease result, and it is by forming new blood cells that Dr. Chase's Nerve Food restores strength to the weakened and worn-out body.

Miss Marie Voigt, Mildmay, Ont., writes: "Dr. Chase's Nerve Food has proven worth its weight in gold to me. I was pale and thin and nervous, and my system was run down in every way. The skin became a yellow color, and I suffered great misery from piles. By the use of Dr. Chase's Nerve Food my health has been fully restored, I have a good appetite and now feel strong and happy." Working hard in hand with Nature, Dr. Chase's Nerve Food is the surest means of building up a run-down system.

## GRADUATES FROM THE SCHOOL OF EXPERIENCE

Those feelings of weakness, those dizzy spells and "all gone" sinking sensations, which come over some people from time to time, are warnings that must not go unheeded.

They indicate an extremely weakened condition of the heart and a disordered state of the nerves.

One dizzy spell may pass off, but the next may be more serious.

Those who are wise will start taking Milburn's Heart and Nerve Pills, before their case becomes hopeless. They have no equal for reviving and strengthening the heart, and invigorating the nerves.

Mrs. A. E. Martell, Rockdale, N.S., writes:—"I was troubled for a long time with my heart, had weak and dizzy spells, could not sleep, and would have to sit up the greater part of the night. At last I got a box of Milburn's Heart and Nerve Pills and they did me so much good I got another, and after taking it I could sleep as well as before I was taken sick. They are the best medicine I ever heard of for heart or nerve trouble."

Price, 50 cents a box; 3 for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
