

A Bronchial Cough, Perhaps Weak Throat Use "Catarrhazone." Dead Sure Cure

WONDERFUL SUCCESS REPORTED IN THOUSANDS OF BAD CASES.

How many thousands are there who would gladly pay any sum to be cured of bronchitis or catarrh. Many could be cured if they would just use common sense in selecting their remedy.

Bronchitis of course is an inflammation of the bronchial tubes which were made for the passage of air alone, and neither the moisture of an atomiser nor the liquid of a cough syrup can get where the trouble really is. The diseased parts can only be reached by a remedy that can force its way through all the breathing organs. Doctors who have used "Catarrhazone" say it is the only rational cure for bronchitis. It cures by inhalation.

You breathe in its healing balsams, inhale its soothing antiseptic vapor and relief is immediate. Simple to use, delightful and pleasant—nothing compares with Catarrhazone which is the cure of the day for all bronchial and throat troubles! Mr. H. B. McLaughlin, the well-known representative of Parks and Blackwell, Toronto, says: "I have used Catarrhazone for years and can honestly say it is the only remedy that relieves me from a painful attack of Bronchial Catarrh. The inhaler for Catarrhazone is always in my pocket and I simply couldn't get along without it. I firmly believe Catarrhazone is a wonderful remedy." Large size sufficient for two months' use, guaranteed, \$1.00; small size 50c.; sample or trial size 25c. Sold by dealers everywhere.

F. F. PROCTOR'S NEW YORK.

Lincoln's Birthday and St. Valentine's Day will be celebrated with appropriate ceremonies at Proctor's 5th Avenue Theatre the bill being so constructed as to appeal alike to patriots and lovers. On Thursday, a special film depicting incidents in the life of the great Emancipator will be shown, while the famous Gettysburg speech will be rendered on a talking machine. The vaudeville bill will be headed by the jolly comedienne Emma Carus, who ascended to stellar honors recently in Chicago, and how brings a dapper young artist, Carl Randall, to assist in her offering of song, repartee and dance. Paul Armstrong's whimsical comedy, "Woman Proposes," with Ruth Allen and a supporting company of eight will occupy second position, while Harry Breen, the instantaneous song writer will compose and dash off ditties while in plain view of the audience. Others on a rattling good bill of holiday proclivities, remarkable also in that not a single flag will be used except in decorating the theatre, are The Versatile "Rip in the Poker Phields"; Brooks and Bowne, chocolate drops of joy, The Peers comedy acrobats and "Renoldo and sisters, sensational bicyclists. A special feature next week will be the first New York presentation of a three-reel subject, "Ben Bolt," which will be shown during the intermission and after the vaudeville performance. 5.35

NEW YORK HIPPODROME

The New York Hippodrome spectacle "America," which has occupied the stage attracting theatre through-out the entire season, now glories in the addition of an array of thrilling circus acts that suggest the "tented city" and "sawdust arena" rather than the interior of the world's largest playhouse. The first Monday of February every year heralds the coming of the circus to the Hippodrome. In accordance with that custom elephants, horses, ponies, dogs, clowns, boomerangs throwers and all manner of circus features have been added to

Just One More Woman Rises

TO TELL HER SISTERS THEY CAN FIND RELIEF IN DODD'S KIDNEY PILLS. Mrs. John Cabot, After Six Years' Suffering, Tried Dodd's Kidney Pills and Found New Life and Energy.

...WHITE HEAD PERCE, QUE., Feb. 7.—(Special)—One more woman has risen to tell her suffering sisters they can find relief in Dodd's Kidney Pills. That woman is Mrs. John Cabot, well known and highly respected here, and she expresses her enthusiasm in these words: "I certainly recommend Dodd's Kidney Pills. There is no thing better." Asked to give her experience, Mrs. Cabot continued: "My trouble started in a cold, and I suffered for six years. Rheumatism, neuralgia, stiffness of the joints, cramps in the muscles and heart flutterings were among my symptoms, and finally Bright's Disease developed. It was then I started to use Dodd's Kidney Pills, and they helped me almost from the start. After taking four boxes I feel like a new woman." Dodd's Kidney Pills cure the kidneys. Healthy kidneys strain all the impurities and poisons—all the seeds of disease—out of the blood. Dodd's Kidney Pills not only cure the disease but by ensuring good blood give new life and energy to every part of the body.

STOCK NOTES.

Mr. Colin C. Craig, Central Bed-plate has recently sold to D. L. Morrow of Lakeville, a three year old arc bred Clydesdale mare. She was shown in the judging class at the short course at Charlottetown last week, and was considered a very fine animal of splendid make up. His friends congratulate Mr. Morrow on securing such a grand individual.

Nothing more sensational has ever been seen on any stage than the Mirano Brothers in their wonderful aerial act, "the cloud swing"—introducing a miniature airship as a counter-balance to a human torpedo whirled at the end of a huge steel arm while performing all manner of acrobatic evolutions.

Another, Mirano - Alexis - brings thrills to the audience in a pole balancing act high among the border draperies of the huge stage. Of the many equilibrists who have appeared on the Hippodrome stage none has approached Alexis in sensationalism. Max Cruber and Company introduced a herd of elephants, horses, ponies and dogs that must be seen to be appreciated. The climax is reached at the conclusion of the act when the tremendous elephant "Minnie" picks up the pony and carries it off the stage and returns to howl a knowledge to the burst of applause she always receives.

VEN & BELL, another new act, give a mystifying demonstration of boom-erang throwing amazing to public and students of physics, alike. The missiles dart over the audience and circle back on the stage to strike objects as the throwers have selected.

Then there are the members of the Fillies Family, equestrians extraordinary with their high school horses, and an array of clowns calculated to delight the heart of old and young.

HORSE NOTES

Probably few are aware that both Iona Girl 2.191, winner of the Free For All pace and Oakley H. 2.211, winner of the Free For All trot on the ice yesterday, were both bred and raised by the well known North River horseman, Mr. Duncan Robertson.

This is unquestionably a victory so he is proud of, and the Island is certainly fortunate to have such good stock for breeders as those owned by Mr. Robertson.

Oakley H. (2.211) is without doubt the greatest trotter the Island has ever produced and probably the fastest ever bred in the Maritime Provinces. His admirers look to see Oakley H. trot better than 2.15 next summer. He is a son of that well known sire, Oakley Baron (2.241), formerly owned by Mr. W. S. McKie, City, and is out of the mare that produced Realign, trial 2.24, and the sensational two-year old pacer, the Abegweit (2.431).

Iona Girl (2.191), although not lightly recovered from her recent bad fall, proved to be a finisher of some class and when she got to the other paces, one would really think they were tied. She is a half-sister of Oakley H's dam, and is bred by Dr. Strickland's stud, Commodore Ledyard.

Maritime Telegraph and Telephone Earnings

In 1912, after paying bond interest, the Maritime Telegraph & Telephone Company earned nearly 14 per cent on the preferred stock issued. This is equal to considerably more than twice the amount required for dividends on this stock. In other words, if the net revenue of the Company fell off one-half the dividends would still be assured. Such a state of affairs is not at all reasonable to expect in a public utility of so great an importance to the public and private life of our people.
