Soviets Reply To Roosevelt

WASHINGTON, Oct. 17.—(AP)—President M. Kallinin of the Soviet Union has informed President Roosevelt that present negotiations between the Soviet and Finnish Governments are being conducted in conformity with principles which recognized the state independence of Finland.

The White House made public a dispatch to President Roosevelt from the Soviet President, replying to a note in which the President last Wednesday called attention to the "long-standing and deep friendship which exists between the United States and Finland."

In reply, Kallinin asserted that he considered it appropriate to remind Mr. Roosevelt that the "state independence of the Finnish Republic was recognized by the free will of the Soviet Government on December 31, 1916, and that the Sovereignty of Finland was guaranteed to it by peace treaty of October 14, 1920, between the Russian Socialist Federated Soviet Republic and Finland."

"By the above mentioned acts of the Soviet Government the basic principles of the reciprocal relations between the Soviet Union and Finland were defined. The present negotiations between the Soviet Government and the Government of Finland are also being conducted in conformity with these principles."

All their family consisting of four sons and three daughters were present with their wives, husbands and children. When all were assembled the bride and groom of forty-five years ago were led to the parlor and placed in seats of honor. At five-thirty on Oct. 9th Thanksgiving Day, a very pretty autumn wedding was solemnized at St. Dunstan's Basilica in Charlottetown when Miss Bernice McCabe, daughter of Mr. and Mrs. Bernard McCabe, St. Avards, became the bride of Mr. Hooper Younker, son of Mr. and Mrs. Joseph Younker, Mt. Edward Road. Rev. Louis Dougan officiating. The bride looked very charming wearing a navy blue suit, trimmed with grey Persian Lamb and navy picture hat. The bridesmaid, Miss Dorothy Perry also wore a navy blue suit with wine accessories. The groom was supported by Mr. William McCabe, brother of the bride. The wedding breakfast was served at the home of the bride to immediate relatives of both parties. Assisting in serving were Miss Estelle and Mrs. McCabe, sisters of the bride, and Miss Elta Younker, sister of the groom. Following breakfast the bridal party drove off amid a clatter of many cans for a short honeymoon trip through the western part of the island. Mr. and Mrs. Younker will reside in St. Avards. The Guardian joins their many friends in wishing them many years of happy wedded life.

Easy As Custard Pie by Mary Blake

An old saying that becomes true if you follow my Carnation Milk recipe. And it's not just easy—it's good! It's s-m-o-o-t-h, creamy, rich in flavour. Noted baby specialists prescribe Irradiated Carnation Milk because it is safe, more digestible than cows milk in any other form, always uniform—and it costs so little.

Of course, custard pie isn't Carnation's only specialty. Because it is double-rich in every drop, it improves the flavour of all dishes calling for milk or cream—and of coffee and cereals. Carnation is just whole milk with part of the natural water taken out; sterilized so it keeps on the pantry shelf indefinitely; homogenized to give every drop equal creamy smoothness; irradiated for extra "sunshine" vitamin D.

There are glorified recipes of all kinds in the beautifully illustrated Carnation Cook Book—15¢ (postpaid). Carnation Company Limited, Toronto, Ontario.

CARNATION CUSTARD PIE 3 eggs, 1/2 cup sugar, 1 1/2 cups Carnation Milk diluted with 1 1/2 cups water, 1/4 teaspoon salt, 1/4 teaspoon mace or nutmeg or cinnamon or allspice, unbaked pie shell.
