THURSDAY

PRIZE WINNER—The Guardian had the pleasure Saturday of seeing an artistic piece of work from the pencil of Mr. C. P. Thorne, Charlottetown. It is a figure in charcoal exceedingly well done for which Mr. Thorne received first prize at the Halifax Exhibition. Mr. Thorne is certainly to be congratulated on his artistic efforts as he was in competitions with a large field of entries from Montreal, Toronto, Branford and Quebec and was highly successful.

WEDDING BELLS—St. Mary's Roman Catholic Church Montague, was the scene of a happy event Tuesday morning, when Miss Mary A. Lannan, daughter of Mr. James Lannan, of Montague, became the wife of Mr. Martin J. Mahar, son of Mr. John Mahar, of Summerville. The ceremony was performed by Rev. Father Croken. The bride, who wore a beautiful costume of cream silk, with black picture hat was attended by her sister Miss Katie M. Lannan, who was gowned in grey silk, with hat to match. The groom was supported by his brother Mr. J. T. Mahar. The Church was beautifully decorated for the occasion, with potted plants and cut flowers. After the ceremony the wedding party drove to the bride's home where dinner was served, the guests being the immediate relatives of the contracting parties. In the evening, Mr. and Mrs. Mahar drove to Charlottetown, where they will reside. Mr. Mahar, is a well known and popular railwayman, being Baggage Master on the western train. Mr. and Mrs. Mahar will leave today on a honeymoon trip to Montreal, Winnipeg, and other points west.

—CHURCH RE-OPENING.—For the Methodist congregation of Alberton Sunday, September 14th, was a day of the realization of great expectations. For some weeks repairs have been going on. Accepting an offer generously made by Mr. M.R. Leard that he should bear the expense of refurbishing the interior the congregation immediately raised a subscription list of \$250.00 and appointed a committee to proceed with the work on the interior. The roof of the south wall has been shingled, the church building painted, a new, substantial fence is being erected and a concrete walk laid to the street, the expense of the latter being borne by the Epworth League. The interior of the church presents a most pleasing and artistic appearance, as the speaker of the day said, "It is a gem," the color scheme being brown. The walls have been papered in tan with leather effect and the woodwork all beautifully grained and varnished. A set of three handsome and valuable oak pulpit chairs upholstered in leather is the generous presentation of Mr. J. R. Dinis, formerly of Alberton, but now of Charlottetown. For this liberality and kindly interest on the part of Mr. Leard, Mr. Dinis and

Mr. George McRae who bore part with Mr. Leard, the congregation is deeply grateful. And thanks also are due and expressed to Messrs. George Gard and Robert Rankin who with Mr. Leard composed the committee that had in charge the improvements on the exterior. The total cost of \$600.00, of which the congregation bears \$350.00, is practically fully met, there being less than \$50.00 due on the outside. The preacher of the Sunday was the Rev. H. A. Goodwin of Central Methodist Church, Moncton, N. B., who proved himself a big man in a larger sense than the physical. The morning discourse on "The Single Aim in the Christian Life" was based on I Cor. 2:2: "I determined not to know anything among you save Jesus Christ," and the evening address from Luke 15: "There drew near unto him all the publicans and sinners to hear him" set forth in the words and the spirit of power "The attractiveness of Jesus." Both sermons were clear, eloquent and forceful and to the delight of all who crowded the church to hear, Mr. Goodwin revealed himself a preacher attractive and inspirational.—A.

STATE OF CROPS.—In the recent issue of the Census and Statistics Monthly, J. A. Clark, Superintendent of the Station at Charlottetown, P.E.I., reports: "No extreme temperatures have been recorded during July; there have been frequent showers and very favorable conditions have prevailed for all crops. The hay crop, about one-half of which has now been saved in excellent condition, improved so much that the yield is likely to exceed the June estimate by probably 30 p.c. Grain has headed out, the growth being tall and vigorous. Outworn and root maggot have been troublesome, while the Carrot Rust-fly has destroyed many fields—of carrots. Pastures are good and the supply of milk at the factories is greater than last year. The potato crop is looking well, the almost entire absence of the Colorado Potato Beetle during the early part of the season being generally noted. Many excursions of farmers have been held to this Station, the attendance from the different Institutes being more than double that of a year ago."

SHOOTING TROPHIES.—At the annual prize meeting of the Provincial Rifle Association of P. E. I., which has already been held, there were competed for concurrently with the Ottawa Aggregate event several trophies confined to efficient members of the 4th Regiment Canadian Artillery, the Davison Challenge Cup and the Company Challenge Cups of No. 3 and No. 4 Batteries. While in the case of the Company trophies they are perpetual challenge cups, the Davison Cup may be won outright with the three men by the same party, not necessarily made consecutively. The winner of the Davison Cup this year and also of the No. 3 Battery Cup was Lieut. G. E. Ritchie, who with an aggregate of 347 points was second in the Ottawa Aggregate of the meeting. This is the Lieut.'s first win on the Davison Cup, but it is his second win of his Battery's trophy. The winner of the Company Cup of No. 4 Battery was Corporal A. Seaman, who was seventh on the Ottawa Aggregate of the meeting. The competition for these trophies commenced in the same year—1908. Since then the victors each year have been: The Davison Cup—1908, Gunner F. C. Furze; 1909, Gunner A. Seaman; 1910, Bombardier J. Landrigan; 1911 and 1912, Gunner F. G. Kennedy; 1913, Lieut. G. E. Ritchie. No. 3 Battery Cup—1908, Gunner F. C. Furze; 1909, Gunner A. McCabe; 1910, Bombardier J. Landrigan; 1911, Sgt. A. McCabe; 1912, Sgt. G. B. Ritchie; 1913, Lieut. G. E. Ritchie. No. 4 Battery Cup—1908, Captain D. A. McKinnon; 1909, Gunner A. Seaman; 1911, 1910, 1911 and 1912, Gunner F. G. Kennedy; 1913 Corporal A. Seaman.

FLORAL ASSOCIATION MEETING—A general meeting of the P. E. Island Floral Association was held last night in the office of the Secretary, Mr. C. M. Williams. Mr. J. A. Clarke, the President, presided. After the reading and adopting of the minutes of the previous general and executive meetings, the secretary submitted his financial report of the floral show. Ex-Governor McKinnon was appointed an Auditor and examined the accounts, finding them correct. The revision of the prize list was then taken up and several suggestions were made. It was decided to hold the subject open for suggestions during the winter session of the Association and in the spring the suggestion will be considered at the time of revision. The advisability of forming county floral associations was left stand for the present. It was decided that members wishing to secure bulbs and seeds, could send their orders to the secretary, and the Association would obtain them from a reliable source. The secretary was instructed to obtain copies of all bulletins dealing with the growing of flowers, and keep them on file, that the members might refer to them at any time. A list of the standard works on floral culture is also being prepared with a view to having them placed in the Public Library. After some discussion on the holding of educational meetings the meeting adjourned.

WOMAN SICK FOR YEARS
Wants Other Women to Know How She was Finally Restored to Health.

Hammond, Ont. — "I am passing through the Change of Life and for two years had hot flushes very bad, headaches, soreness in the back of head, was constipated, and had weak, nervous feelings. The doctor who attended me for a number of years did not help me, but I have been entirely relieved of the above symptoms by Lydia E. Pinkham's Vegetable Compound, Blood Purifier and Liver Pills, and give you permission to publish my testimonial." — Mrs. LOUIS BEAUCAGE, Sr., Hammond, Ont., Canada.

New Brunswick, Canada. — "I can highly recommend Lydia E. Pinkham's Vegetable Compound to any suffering woman. I have taken it for female weakness and painful menstruation and it cured me." — Mrs. DEVERE BARBOUR, Harvey Bank, New Brunswick, Canada.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, as thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

The death occurred in Amherst, N. S. Monday of Edith Luby, wife of Mr. Michael Trainor, formerly of Charlottetown, Mrs. Trainor, who has been ill for a few months, leaves a husband and three small children to mourn the loss of a devoted mother's care and guidance.

There passed away to her eternal rest on September 7th, 1913, the wife of Thomas Deane, the beloved wife of Thomas Deane, who deceased was a daughter of the late Robert MacWilliam, Sr., of Eldon, Belfast. She leaves to mourn a sorrowing husband and two brothers—Charles, of Pinette, and Daniel, of Mt. Stewart.

The many friends of Mrs. Henry Williams, Summerside, will regret to learn of her death, which sad event took place on September 18th at the home of her sister Mrs. Chas. Bryden, in Winsloe, after an illness of about two months. Although her death was not unexpected it came with a shock to those who so tenderly cared for her. She bore her suffering in that true Christian spirit which assures us of a brighter home beyond this veil of tears. She was in her 57th year and leaves to mourn a sorrowing husband, one daughter, four sons; also three brothers, Messrs. James Diamond, of Humboldt, Minnesota; John and Jacob Bryden, residing at Winsloe. The funeral was largely attended testifying to the esteem in which the deceased was held. Rev. F. Littlejohn, pastor of the Methodist Church, Winsloe, conducted the services at the home, and at the grave, where the remains were laid to rest beside those of her father and mother. The pall-bearers were: Messrs. John Boudry, Isaac Saunders, George Turner, George Howard, Edward Horne and Henry Horne.

One of the oldest inhabitants of the community passed away after an illness of several weeks, the early morning of the 13th inst. in the person of Malcolm Matheson, Dundas, at the advanced age of 92 years. He retained much of his vigor and freshness to the last. "His eye was not dim nor his natural force much abated." His wife predeceased him about nine years and his beloved son George about two months ago. Much sympathy is felt for the family in their double bereavement. Mr. Matheson was born in the Isle of Skye, Scotland, and immigrated to this country with his parents when quite young. He was one of the early pioneers of Dundas, a splendid type of a citizen, universally respected for his sterling qualities and fine spirit. Five sons and four daughters survive him. Three of his sons are progressive citizens of Dawson City—one in Vancouver and one in New York. "His children arise up and call him blessed." His funeral was largely attended by sympathizing friends from different parts of the country. The funeral service was conducted in the house and at the grave by his pastor Rev. M. N. McLeod, assisted by Rev. J. C. Martin, Cardigan, and his nephew, Rev. J. M. McLeod, St. Peter's.

DUNLAP PONY ARRIVES.—The pony that is to be the prize for which the boys and girls of this city have been competing during the past few months, in the great Dunlap contest, arrived in Charlottetown on Wednesday night, as the time is approaching for the close of the competition. As is known, the prize will be awarded to the boy or girl who has the largest number of votes to his or her credit, these votes being obtained by the means of coupons distributed to purchasers at certain stores in the city according to the amount of the purchase. The pony is a Shetland, and is a handsome little animal, being a three-year-old filly, being a rich bay in color and in excellent condition, being splendidly rounded. Whoever the happy winner may be, he or she will certainly be perfectly satisfied with the prize. The pony came to the consignment of Messrs. Prowse Bros., one of the stores concerned in the contest, and yesterday it was examined by the well-known vet., Dr. Leckie, who passed it as being in fine condition. The competition closes within the next ten days or so, and in that time no doubt the little people will be making special efforts to put votes to their credit.
