Monday

James Murphy, Sturgeon, is in the Charlottetown Hospital in a most serious condition as a result of a broken spine received Saturday evening when the car in which he was travelling to Montague skidded on the road, crashed into an embankment, and turned over. Little hope was entertained for the recovery of the injured man at a late hour last night.

The other two occupants of the car, Mrs. Murphy and a hired man, the latter driving, escaped with minor bruises.

Mr. Murphy was removed to the hospital last evening in A. A. Hennessey's ambulance.

The car, a Chevrolet coupe was completely demolished.

The fate of Samuel White, captain of the thirty ton motor vessel Amerob, which burned following an explosion eight miles off shore in Northumberland Strait Thursday night, was still unknown today. It was generally believed, however, that the Richibucto man who had purchased the vessel only a few hours before, met death when the Amerob went up in flames off Mimiquash. When Robert Long, engineer, rowed back to the craft in the dory, which was blown off the deck by the force of the explosion, he found only Charles Michaud, L. Boyle, and an unnamed man, who made up the remainder of the crew.

Long and Michaud are still in a serious condition from burns.

FAREWELL PARTY—A farewell party was tendered Rev. C. C. and Mrs. Rand, at the home of Mr. and Mrs. David Sherren, Craupad, Friday, Aug. 16th, when about one hundred of their old parishioners gathered to say Au Revoir but not good-bye, for we want another and larger visit from those people in the near future for their presence is like sunshine. The evening was pleasantly spent with music and singing. Lunch was served by the ladies. Some very complimentary speeches were made by Rev. E. Bridgewater, W. D. Sherren, Frederick MacDonald, Austin Sobey, Vernon More, Thomas Best and others. The evening was brought to a close by singing "For he's a Jolly Good Fellow" and other appropriate pieces. All departed to their different homes, feeling it was good to be there.

The annual Oddfellows parade to the People's Cemetery for the dedication of graves was held yesterday afternoon, and was participated in by more than fifty Oddfellows, marshalled by Col. H. M. Davison. The decoration ceremony at the cemetery was led by Mr. George Nicholson, Rev. C. N. Brown delivering the address and leading in prayer. The Canadian Legion band headed the parade, and played accompaniment during the singing of the hymns. The parade left the I. O. O. F. Hall on Richmond St., proceeded to Queen Street, thence to Grafton, to Great George, to Kent to Weymouth. From the railway crossing on Longworth Ave., the parade proceeded to the cemetery by car. The five bouquets were placed by five Rebekahs.

Rev. Mr. Brown in his address stated that a decoration ceremony serves to refresh memories of those who have passed away and calls for dedication for citizenship, for God and country. Memories are most important gifts. As Christopher Columbus believed in and discovered a land beyond the horizon, those who have gone beyond have launched forth into another world.

Mr. Justice Arsenault returned Thursday night from Grand Pre, where he attended the 175th anniversary of the deportation of the Acadians from Nova Scotia. The celebration was attended by 4,000 people, including representatives from the three Maritime Provinces, 45 from Louisiana, and a number from the New England States.

With Judge Arsenault were Mr. A. F. Arsenault, M.L.A., Summerside; Mr. E. F. Gaudet, Wellington; Rev. N. Poirier, Saint Dunstan's, and about fifteen others representing Prince Edward Island. The group from Louisiana was led by Hon. Dudley Le Blanc, and the governor of Massachusetts was represented in the group from the New England States. The Lieutenant-Governor of Nova Scotia was present, and the premier was represented by Hon. Mr. Doull. Premier Baxter of New Brunswick and a number of other distinguished persons were present.

Mr. Justice Le Blanc of the New Brunswick Supreme Court presided at the celebration. Addresses of welcome were delivered by the lieutenant governor of Nova Scotia, by the premier's representative, and by the representative of the Mayor of Wolfville. Premier Baxter of N. B. and the Misses Hazel and Helen

spoke in both French and English. Mr. Justice Arsenault spoke on behalf of the Island representatives. Through the speeches ran the theme of co-operation in the two racial elements of Canada. The celebration freshened in the minds of the Acadians of the present day the sacrifices of their ancestors that they may strive with perseverance to emulate the record of the past.

On July 30th, 1930 the people of Argyle Shore, Canoe Cove, and vicinity were shocked as they learned of the sudden passing away of John A. MacKinnon, who died while bathing at the shore below his own farm. He was a son of the late Lauchlin MacKinnon and Mary Ann MacArthur of Desable and was born about fifty eight years ago. His mother was left a widow with a family of six children when John, the eldest was a lad of sixteen years. Necessity called for hard work and careful management.

He married Miss Annie MacLean daughter of the late Allan MacLean, who survives him, and they settled on the farm in Argyle Shore, where he occupied until his death. There they laboured together and were blessed with health and happiness, with their two children, Harold Allan and Edna May, they were beginning to partake of well earned comforts, when this sudden break came. A devoted wife is now a widow, and she and the children feel keenly the loss of one who was so dear to them. Two sisters also survive, Flora Ann, widow of the late William MacRae, of Bonshaw, and Margaret, wife of Percy Wilson of Providence R. I.

Mr. MacKinnon was a member of the church of Scotland, and was always faithful and zealous. He was attentive to religious services, and his pastor often remarked his great earnestness as he received the word as preached. His children shall always remember his sincere devotion and respect for his most holy religion. The funeral, which was one of the largest ever seen in that locality, was held on August 1st, to Argyle Shore Cemetery. Many expressions of sympathy and esteem were heard as the thoughts of mourning people went out to the family and departed friend. The pastor, Rev. Ewen MacDougall conducted the service, and dwelt upon the fullness and completeness of the comforting remedy which is the love of God in Christ Jesus. The pallbearers were Edson Easter, Silas A. Murley, D. J. MacLean, Hector MacNevin, James Mackenzie and Neil MacKinnon.

The death of Mr. James Murphy, Sturgeon, injured Saturday evening last in an automobile accident, occurred at 3 o'clock Monday morning in the Charlottetown Hospital. The remains were forwarded last evening from A. A. Hennessey's Funeral Parlours to the home of his father in Sturgeon, where the funeral will be held.

At local and provincial fairs on many occasions he carried off premier honours for his exhibits. He also won a silver medal for the best-kept farm in the county.

He leaves to mourn two sons, William and Walter, both farmers in North Wiltshire. His wife predeceased him.

The funeral, held Sunday afternoon at 2 o'clock from St. John's Church, Milton, was largely attended.

Wednesday

CAR DAMAGED—About midnight last night a Studebaker travelling toward the city on the Hillsboro bridge crashed into the rear of a truck which was alleged to have been parked without lights while the driver was changing a tire. The driver of the Studebaker had dimmed his lights to permit another car to pass it was said, and hence was unable to see the truck. The radiator, the lights, and part of the front of the car was damaged.

There passed away in the Prince Edward Island Hospital Tuesday morning, August 26th, a well known and highly respected citizen, John Artemas Moore, at the age of seventy-five years.

Mr. Moore had been in failing health for the last two years, and since last October had been in the hospital, but news of his death will come as a shock to his many friends. Mr. Moore was of pioneer stock, his family having been resident in this city for generations.

He was the son of Bertram and Ailsa Moore of this city, and was married to Linda Aiken, also of this city, who preceded him to her eternal rest fifteen years ago.

Mr. Moore was an active business man and an exemplary citizen. He was at first employed in the Prince Edward Island Bank, but upon its failure joined the Bank of Nova Scotia where he remained until his superannuation over fifteen years ago. For over forty years he was the leading singer in the First Methodist Church, of which his father was one of the chief founders, and always took a lively interest in community affairs.

He is survived by three brothers, W. B. G. Moore of Bay City; Michikan; B. H. Moore of California; E. D. B. Moore, of Santiago, California; two sisters, Mrs. J. R. Davison of Calgary, and Mrs. Carrie Bailey, Saginaw, Michigan, and three children, B. Parker Moore of the mechanical department C. N. R. this city, Mrs. T. W. Bentley, Spring Park Road, this city, and Mrs. E. G. Coombs of Glouce Bay.

After twelve days of grueling outdoor sport and recreation the Rotary-Gyro community camp composed of local boys, ranging from nine to sixteen years of age, came to a successful close Saturday afternoon when the Gyros with their cars met in full force at the camp grounds, Canoe Cove, and conveyed the happy and sun-tanned youngsters to their various homes, after first visiting the Red Cross for weighing in.

Thirty-six boys were accorded—through the kindness of the Rotarians and Gyros—the privilege of enjoying this summer holiday.

During the twelve days in camp the boys were kept on the move with a varied program from 7.30 a. m. until 9.15 at night; a summary of which follows:

During the period of Camp medical supervision was given by Rotarian Dr. Harry Johnson and Gyro Dr. Creelman. Rotarian Ray Penideton was acted as Rotarians as camp leader. Glen Patridge was sports director.

One day was spent away from camp in an enjoyable picnic and boat sail to Rocky Point. Another day through the kindness of the Rotarians the boys were motored in to the Exhibition which they enjoyed both afternoon and evening.

Much credit is due Miss Wilson and her staff for the securing of the boys, their medical examination and her many visits to the camp.

The camp committee, Rotarians and Gyros are greatly pleased over the success of the camp and feel that the various boys who were crippled, under-weight or sickly have been benefited by this twelve-day outing. Gains in weight ran from half-pounds to seven pounds and the average gain in weight for all boys in camp was three and one quarter pounds. Horace Smith, Y.M.C.A. camp cook for the past four years was the chef and to him great credit is due for the very fine menu and tasty manner in which the food was cooked, which no doubt contributed to the increase in weight.

Mr. Robinson is in business on his own behalf as a printing paper importer and dealer. He has had a large South American connection, but thinks there is no place like the Island to return next year. They drive a Stutz car, the largest ever to be here, and do all their coming and going in it.

An event of more than ordinary interest took place at De Sable on Saturday evening, Aug. 16th, when about one hundred friends and neighbors gathered at the home of Mr. and Mrs. Hector MacKay to celebrate with them the twenty-fifth anniversary of their marriage.

Mr. Neil Shaw was appointed chairman, and, after stating why it was that so many were gathered there, called on Mr. Chester Shaw to read an address along with which was a presentation of a very fine silver tea set, Mrs. J. D. McFarlane made the presentation.

Both Mr. and Mrs. MacKay very feelingly expressed their thanks for the kind way in which their friends remembered the anniversary.

Appropriate remarks were made by Messrs. Ernest Holmes, Colin MacKay, Chester Shaw, and Rev. C. U. MacNevin. Miss Rose MacDougall, a particular friend of the family, was also there and in her very efficient way entertained all by her reading.

The women of the community provided a lunch, such as De Sable is noted for, and, after the singing of Auld Lang Syne, and God Save the King, all started for home, leaving behind their best wishes for many more years of prosperity such as have gone with Mr. and Mrs. MacKay during the last quarter of a century.

This home has been a most industrious one ever since settled by the MacKays more than a century ago, but at no time has it shown greater progress than under the management of the present owner. There is also a growing family of six girls, three of whom are today teaching in our Island schools, and the fourth is returning to Prince of Wales College this autumn to take up second year work there. This is a commendable record covering just twenty-five years of home life and something which speaks well for the country homes of our province.

The following is a copy of the address:—

To Mr. and Mrs. Hector MacKay, De Sable.

Dear Mr. and Mrs. MacKay:

We have gathered here tonight as your neighbors of the community, to join with you in celebrating this event, the twenty-fifth anniversary of your marriage, and, as we do so, we should like first of all to extend to you our sincerest congratulations.

Since your marriage a quarter of a century ago you have done much to win our admiration. You have filled these years with honest work and industry which have brought to you a fair measure of prosperity. You have established a home that might almost be taken as a model for a modern up-to-date country home. You have raised a family with a fair name that is today going out to serve your country in an efficient way. You have given liberally of your time and your means in promoting every public interest that was worthy of your support, and you have built for yourselves a reputation for honesty and for hospitality that has travelled far. We feel that you have well deserved up to the true ideal as described by Burns when he said:

To make a happy fireside clime
To weans and wife,
That's the true pathos and sublime
Of human life.

We believe it is no small thing for any community to have such a home in its midst, and so, while congratulating you for what you have been able to do during all these years, let us say that we consider ourselves also much the richer because of what you have done and have set before us of what home and married life should be.

There is just one other thing we should like to add. It is this. That much as the last twenty-five years have dealt kindly with you, we trust that the next twenty-five may do even more and that when we meet here to celebrate your golden anniversary, there will be just as much to then gladden the heart as there is tonight.

We would like you now to accept this gift, which we trust will remain with you to give abundant assurance of the large place you hold in the opinion of the district, and let you know that you have our heartfelt wishes for continued happiness and prosperity.—A.

R. O. P. RECORD—A highly creditable R. O. P. record made three times a day making in the 365 day division has just been finished by the two-year-old Holstein heifer, Abegweit Dixie Fritz, bred by J. Sired by Plus Duke Raymondale, this heifer is a daughter of Polly Posch Abtekerk.

BRIDAL SHOWER—The home of Mr. and Mrs. Fred Compton in St. Eleanor's was the scene of an interesting event on Tuesday evening, when nearly one hundred guests attended a shower to Miss Amy Best, in honor of her approaching marriage. The bride-to-be was the recipient of many lovely gifts of silver, china and linen. The gifts were opened by Miss Winnie Lyle and Miss Ella Compton. Miss Best made a very touching acknowledgement of the kindness of her friends and their good wishes. Music was furnished by Miss Rowena McLeod, Miss Doris Inman and Miss McKay. Dainty refreshments were served by the hostess. Many friends from Summerside were among the guests. Miss Best has for the past two years resided in Somerville, Mass., and is to marry Mr. Barrett, of that city. She arrived home a short time ago to visit her mother, Mrs. Frank Sweet, of St. Eleanor's.

Sunday, Aug. 24th, was made memorable in the history of the United Church at Dundas on the occasion of the dedication of the bell which has been installed in memory of the men and women who in former days were used of God to build this house of worship and carry on His work in this place. A good congregation assembled notwithstanding the dull rainy afternoon. Two very fitting addresses were delivered by the Rev. J. M. McLeod, of Charlottetown and the Rev. J. Stirling, of Montague. Both ministers expressed their appreciation at being present on this occasion, and congratulated the congregation on having a bell. The Dundas choir and quartette rendered suitable selections.

The dedication service began with the call to worship and a short prayer by the minister of the congregation, Rev. T. Constable. After the singing of the Doxology, Rev. J. M. McLeod gave the memorial address.

Mr. McLeod's address, based on Deut. 8:2, was reminiscent in character, tracing the history of the congregation from the earliest days to the present. He paid a worthy tribute to the first settlers from the Island of Skye who laid the foundations for Christian work in Dundas. The church had been blessed with a noble ministry supported by a loyal people who had walked humbly with God, acknowledging His sovereignty and rejoicing in His salvation. The faith, vision, and work of those pioneers is bearing fruit today in the lives and efforts of the present generation. Mr. McLeod exhorted his hearers to continue in the way spoken of in the text and to heed the sound and message of the bell.

Following the address came the dedication of the bell which was read by the minister of the church, after which the bell was rung by Miss Ada MacDonald.

The service which followed began

with the singing of the hundred psalm: "All people that on earth do dwell," and prayer was offered by Rev. McLeod.

The Rev. J. Stirling read the Scripture portion and preached the sermon, taking for his text, psalm 98:15, "Blessed is the people that know the joyful sound."

The service closed with singing, "Onward Christian Soldiers," and the Benediction.

The pioneers and those who built the church at Dundas doubtless had a vision, as may be seen from the structure of the tower, that some day a bell would be placed there. That vision has now been realized by their children who have so honored their memory.

We, the congregation of the United Church at Dundas, appreciate the spirit which prompted the idea of a bell, and extend our grateful thanks to the friends who donated and to the committee who worked so faithfully in order to make the church beloved to them more attractive by the placing of a bell in the tower.

The cost of the bell amounting to about nine hundred dollars has been met, very largely by friends of the congregation residing in the United States and in our own province of P. E. I.

The expenses entailed by work done in the tower have been met by subscriptions from the members of the local congregation.

The bell gives great satisfaction as its pleasing mellow sound reaches the ear.

"Hark, there comes from yonder tower
Sweetest music, new and old;
Bringing to our very hearthstones
Invitations to the fold.

Words come not from yonder tower,
Only music, pure and sweet;
But the message is familiar,
'E'en to those with s'raying feet.

A bell like this must have a mission,
As it sounds both far and near;
Stirring memories oft forgotten
By its message, strong and clear."
