SUTHERLAND
—CRUIKSHANK

A pretty October Wedding took
place yesterday morning in Zion
Church when Miss Florence Dor-
othea Sutherland, daughter of the
late Rev. David and Mrs. Suther-
land, was married to Mr. William
Russell Cruikshank, of Sherbrooke,
N.S.

The ceremony was performed by
Rev. George C. Taylor, and the
bride, who was unattended, was
given away by her brother, Mr.
Gordon Sutherland of the C. N. R.
offices.

The church was beautifully de-
corated with autumn leaves, cut
flowers and potted plants by the
girl friends of the bride, and was
completely filled by friends of the
contracting parties.

Prof. Cleworth presided at the or-
gan throughout the services and
while the bride and groom were
singing the register the choir sang
"O Perfect Love."
The wedding presents were num-
erous and included a set of flat sil-
ver from the employees of the
Royal Bank where the groom is ac-
countant and a handsome silver
tea service from the employees of
the Government Tax Office where
the bride was one of the popular
clerks.

After the ceremony the happy
couple motored to Borden where
they crossed by the Car Ferry on
a honeymoon trip to Ottawa, Mont-
real and Toronto, and will also
visit the groom's former home at
Sherbrooke, N. S. The Guardian
joins in happiest felicitations.

NARROW BEAD GIRDLES
NEW YORK, Oct. 1.—Among the
things with which a black frock
may be brightened is the long, very
narrow girdle of beads. These come
in bright hues, tasselled at the ends
and may be loosely worn over the
perhaps too tubular costume.

A MIXUP.
"Madam, try and induce your
daughter not to get her gymnasium
and her musical exercises mixed."
"What do you mean, professor?"
"I mean that she is inclined to
mistake the piano for a punching
bag."

This Range Looks Good at the Exhibition
But Looks Better in Your Home

No Kitchen Range made, works better than the famous
ENTERPRISE MONARCH, which is the central feature of the dis-
play of ranges in the Holman section of the Charlottetown Ex-
hibition.

THE ENTERPRISE MONARCH has every
good point that a good stove should have—it
is equipped with the famous heat economiz-
er—broiler top-pouch feed doors—enamelled
oven doors—closet doors and reservoir face;
has heavy nickeled parts, large fire box, towel
rack, tea-pot stands, simple draft control,
concealed pipe system, and an extra large res-
ervoir.

Make a point to see this wonderful stove
at Holman's section of the Charlottetown Ex-
hibition.
