

Purity Salt
The Highest Quality Salt You Can Buy—
Salt is salt, but Purity Salt is better salt. As its name implies, Purity is all salt. Pure—Clean—full-flavored and free-running. Many housewives will accept no other.

ODOR OF SANCTITY
The sexton of a suburban church the other day, standing in the aisle of the church, after everyone had left, was told by a visitor, "Don't it smell solemn?" she said at last to the sexton, as she turned away with evident reluctance, "I don't know as I ever realized it, but the church was so beautiful, decorated with evergreens and just what the 'odor of sanctity' flowers, and old lady walked up the aisle before today."

Rinso
FOR THE FAMILY WASHING
Soak the clothes that's all
No rubbing—no boiling

For every wash-day method

RINSO is ideal for any wash-day method you use. You do not have to change any of your usual steps—just use Rinso where you used to use ordinary soap.

If you like to boil your white cottons, Rinso will give you just the safe cleansing suds you need in the boiler. If you use a washing machine, follow the advice of the big washing machine manufacturers—use Rinso.

Just soaking with this new kind of soap loosens all the dirt until a single rinsing leaves the clothes clean and spotless.

However you do your wash, make it easy by using Rinso.

Rinso is sold by all grocers and department stores
