THE MOORMAC DOLLAR SHIRT is better than other dollar shirt because it is really a dollar twenty-five shirt. We tried to think of every good feature that a 1.25 shirt could have—then we hunted up a maker, to carry out our ideas—buying in big quantities so as to get the best possible price—that is why the Moormac Shirt is the best dollar shirt there is and has no rivals under a dollar twenty five and few under a dollar and a half. **1.00**

If you want a better shirt than the MOORMAC you'll only need to say at our shirt counter and pay a little more for we have opened up a lovely line of very smart new spring patterns—mostly in stripes, various colours, cuffs attached, all sizes—compare with the best 1.50 and 1.75 lines in town—and remember our price is only **1.35**

Insure Your Child
SOMETHING UNIQUE

The North American Life Assurance Co
Recognizing that an objection sometimes raised to the ordinary Endowment Insurance is that the parent or guardian may die during the premium-paying period, this Company has devised a plan whereby the Company will itself provide for the remaining premium in the event of death of the parent. There is absolutely nothing superior before the public—a policy which doubly insures, 1st against the death of the insured and 2nd against the person paying the premium. Write at once for particulars.
