A SUGGESTION OF RARE VALUE.

A diseased condition of the air passage causes bad breath, but more commonly emanates from indigestion of an impure condition of the blood. Thousands of cures prove that Dr. Hamilton's Pills through their specific action on the secretory and eliminative organs, not only cure bad breath, but so thoroughly purify the system that anything suggestive of blood or digestive troubles is impossible. Through Dr. Hamilton's Pills the skin grows rosy and clear, activity of the body and mind increases, and bounding health is established, sold everywhere in 25c boxes.

OVERTAKEN BY NAUSEA.

You don't know whether it's going to stay down or come up. You feel like thirty cents and look even worse. If one thing is quicker than another, it's "Nerviline." Ten drops in sweetened water gives relief instantly. Almost like magic the change you experience. The cause of the nausea is removed, every symptom of vomiting and indigestion is cured within ten minutes. When Polson's Nerviline is so tried, it is economical, abortive at home, would be a boon. Large ones for a quarter at all druggists.

STEWART & SON,

ALMOST DEAD OF BRONCHITIS.

Few people have suffered more than Jan. P. Taylor of Dymott, P. O. Out. Today he is well and writes, "I must tell you how much Catarrhoxone has been to me. I was so bad with bronchitis sometimes I thought it would soon be over with me. A spell of choking would come on and left me prostrated and weak. Since using Catarrhoxone I have had no trouble at all. It strengthened my throat, stopped the cough, gave me free breathing and entirely cured." Just the usual experience. Catarrhoxone invariably cures whether Bronchitis, Asthma or Catarrh. Two sizes, 25c and \$1.00 at all dealers.

Are we Wrong?

Do we make a mistake in continually emphasizing QUALITY?
 Is it true that the majority of men purchase clothing according to its appearance 'alone,' without considering the workmanship and trustworthiness of the things they can't see and don't know about?
 We don't think so. At any rate, our clothing is put together just as if each purchaser of it was a clothier expert—able to examine it minutely, in every detail of construction.
 The result is that our clothing sales are multiplying from month to month.

About REVOLVERS

A revolver is something you may not really need more than once in a lifetime, but that once you may need it mightily bad. And the fact that you have a pistol within reach—even if it isn't loaded—gives you a certain sense of protection that is worth more than the money invested.
