BISHOP OF LONDON BRINGING GOLF CLUBS

LONDON, July 31.—Carrying a full set of robes, a cope, mitre and crosier as well as his golf clubs and tennis racquet in his baggage, the Rt. Rev. Arthur F. W. Ingram Bishop of London, left Thursday for Liverpool on a world lecture tour. The Bishop, besides being a noted scholar, is a sport devotee.

Bishop Ingram's world tour includes visits to Canada, the United States, Australia, New Zealand, Japan, the Malay States, China and Korea.

Mr. Mooksley became the proud father of a lusty boy. For three nights he bravely walked the floor, but on the fourth, when he came home from the office, he brought with him a bottle of soothing syrup. "Oh, James," exclaimed his wife, when she saw the label, "what did you buy that for? Don't you know it is dangerous to give to a child of this age?" "Don't worry!" said her husband. "I'm going to take it."

Here lies the body of William Jay,
Who died maintaining his right of way;
He was right—dead right—as he sped along,
But he's just as dead as if he'd been wrong.

His Only Pageant Will be Funeral

LONDON, July 29. —In reply to an invitation to be present at the opening ceremony of the historical pageant in connection with the Robertson Hall memorial fund, George Bernard Shaw in a letter to Rev. R. J. Campbell, incumbent of Holy Trinity, Brighton, writes:

"I am too old for these games. I have somehow impressed the public as a remarkable young man. Now that I am 70, and a good deal the worse for hard wear, I find all sorts of youthful activities pressed on me, as they will no doubt be pressed on you when your are 90. You must let me off.

"The only pageant I expect to attend henceforth is my funeral."

Native Samoans Still Fear Old Time Oath

APIA, Samoa, July 28—White men who introduced the system of plotting land and the surveyor's methods of defining boundaries, brought with them to Samoa the white man's method of administering oaths.

So, officially, the native Samoan places his hand upon the Holy Bible to swear that title to a certain piece of land belongs to him. But those who have lived here long know that at heart the native does not have the degree of fear when oath is taken upon a bible that he had for the old Samoan oath. Where grave issues are at stake he is apt to discard the modern form for the old one.

While the old manner varied in the different villages the common rite was to take a bunch of grass and lay it on a stone or other object that represented the family or village God. The contesting parties would say with hand resting on the grass. "In the presence of this whole assembly I lay my hand on the grass, if I have declared falsely may I suddenly die."

It often happened that one making a false oath would be seized with superstitious fear that would overcome him or cause him to confess. The meaning of the grass was that, should the oath be false, he and his entire family should be exterminated from the face of the earth and their habitation covered with grass.

BIG LEAGUES

NEW YORK, Aug. 2. —The Phillies, the Cardinals and the Robins won today's National League games. The Cincinnati game at Boston was postponed.

Playing on their grounds with Carlson hurling tight ball the Phillies stopped the Pirates of Pittsburgh, 6-1, Philadelphia hit opportunely and were assisted to victory by Kremer's wildness. Cuyler saved the Corsairs from the goose egg by smacking a homer. Cy Williams also hit for the circuit.

Giants Turned Back

At the Polo Grounds the Cardinals turned back the Giants, 5—2, when Rhem yielded but seven hits. Circuit drives by Flowers and Bell netted the visitors three runs. Bell hit safely in his 21st consecutive game.

Burleigh Grimes let the Chicago Cubs have six hits at Brooklyn and the Robins turned in the first game of a series with the score of 4—1.

AMERICAN LEAGUE

Cleveland made it four straight today by winning from Philadelphia 4-1. Errors by Rommell and Hauser allowed the Indians to score all their runs. Shaute held the Athletics to eleven hits which were well scattered.

Sox in Batting Rally

At Chicago, Johnny Grabowski's three-bagger started a batting rally in the ninth which gave the home team a 5-4 victory over Washington. The Sox played an uphill game, driving Coveleskie off the mound in the eighth only to have the rally checked by Marberry. Goslin smacked a circuit blow with a man on.

Boston made it three out of four from Detroit at the Michigan city urday, winning 4-3. Zahniser weakened after the seventh and Meimach finished. Melmach hauled himself out of a pretty hole when he fanned Wingo in the ninth with two out and two on.

Another Woman Attempts Channel

CAPE GRIZNEZ France Aug 2—Olav Fanstead a Norwegian girl swimmer, began an attempt to swim the English Channel today. She was the second woman to brave the Channel this year, Miss Meredes Gleitz, a London typist, having started from Folkestone, England on Saturday on a Channel swim which took her nine miles from shore before rough water compelled her to abandone the attempt. At midday Miss Fanstead was going well three miles off shore. The weather was fine.

The Hanover Shoe Stable's gelding did the mile in 2.05 1-2, to lower the previous mark of 2.07 3-4, established several years ago by Bill Sharet.

English Girls Good Hurdlers

Half Mile Track Speed

By W. H. Gocher

During the next four weeks practically all of the leading light harness performers will be seen on the eastern half-mile tracks. On Tuesday the last meeting of the Bay State Circuit will get under way at Greenfield, Mass., while on the same day the Grand Circuit material which has been seen at Cleveland, Toledo and Kalamazoo will meet the leaders which have been racing over double ovals since the middle of June at Endicott, N. Y.

The returns from the first five Bay State Circuit meetings show that the 1925 series is the best that has been placed on record to date. Strange to relate the rate of speed at Sturbridge is the fastest and those who were there know that it was one of the best three day meetings ever seen anywhere.

Thirty heats were contested at the Sturbridge meeting, the average for the lot being a shade under 2.11, while Kate Hal cut the track record to 2.06½. Twenty-nine heats were raced at Norwich the following week, the average being 2.12¼ This was a remarkable showing for that sandy course. A downpour of rain on the second day made the footing the best that was even seen there as was shown by Kate Hal when she placed the track record at 2.05¾, while Jean Grattan reeled off two miles in 2.07½, the last half of one of them being paced in 1.02. Sir Roche also showed his only speed spark on his eastern trip by pacing the last quarter of a winning heat in thirty seconds.

At Avon as at Norwich the two year-old trot slowed up the average as all of their miles were above 2.20. Still with this handicap thirty-two heats were raced at Cherry Park at an average of 2.13¼, while Kate Hal cut the track record to 2.06¾.

With four days racing on the program the number of contested heats at Windsor moved up to forty. The fifteen heats paced averaged 2.10 and the twenty-five trotted averaged 2.12¾, while the average for the meeting was 2.11¾. Two changes were also made in the track record at Sage Park. Silver Weather cut it to 2.06½ and Guesswork moved it down to 2.06¼ in the deciding heat of the free-for-all pace. In the three-year-old trot Tippie Volo also showed what she was up to by winning a second heat in 2.12½.

Springfield, as usual, presented a series of fast races. The returns show that thirty-four heats were raced, the average rate of speed being 2.11¼. Also on the last day twelve heats were reeled off in four races, the average for the lot being a shade over 2.07¾.

While this was a merry clip it was not as fast as the returns for 1925, when the average rate of speed for the meeting was under 2.10. Also on the last day the card was cleared with nine heats that averaged 2.07½ On that afternoon Charles Direct chased Jenny H. out in 2.05½. This year he won the fastest heat. It was paced in 2.06½.

Two interesting events will be decided during the round-up at Greenfield, one being the ownership of the Stanford Cup for which Tippie Volo and Signal Flash are the leaders and the other the name which will be engraved on the Bay State Winning Driver's cup in 1926 At present Joe Johnson and Will Fleming have each two tabs and Fred Hyde one. This year it looks as if the honor would go to Harry Brusie.

The track record at Endicott is 2.05. It was made by Adioo Guy and equalled in 1925 by Jimmy McKerron. This will give Jean Grattan, Louis Direct and Silver Weather something to shoot at when they turn for the word in the $5,000 pace on Tuesday. If they fail Anna Bradford's Girl, Counterpart, Skeeter W. or Kate Hal may be up to it when they meet in the free for-all on Thursday.

In the 2.05 trot Guy Ozark with [illegible] lowered the colors of Rose Scott at Toledo in 2.03¼ will meet Great Bells, Guy Richard, Thompson Dillon, a half-mile track star of the first magnitude, and Marmaduke if he will stay on a trot. They should make a new half-mile track record for trotters.

Ben White has a number of his best two-year-olds named in the Ideal Stake while Peter Maltby is in the three-year-old trot. He won his first race at Endicott. On this occasion he may take the word with Galaxy, Peter Stanford and Double Cross.

Subpoena, the winner of the $10,000 trot at Avon, is expected to make her next start in the 2.12 trot at Endicott. She is in with The Senator, Pearl Benboe or Rose Scott, Eva Frisco, The Great McKinney and Prince Charming.

Another bunch of clever racing material is named in the 2.15 trot. Murphy has his Toledo stake winner Mike Dillon, Dr. Strongworthy, and Hot Toddy to select from, while Cox will be out with either Hollyrood Jessie, Ho Guy or Sonya, and Tom Berry with the roan mare Alta Evans. To this list Miss Volo Scott, Tennis, Peter Bean, Claude Madden and Bingen Azoff can be added. All of them can race in 2.10.

At the close of the Toledo and Springfield meetings Walter Garrison was off in front in the list of winning drivers. He has sixteen races to his credit, having won at Batavia with Cub Ortolan, Peter Leonard, Berry the Great and Rainsboro. Vic Fleming stands second with eleven. He won two events at Toledo with Myrtle Baxter and the three-year-old pacer Lady Patch. Harry Brusie and Sep Palin are tied for third place with nine races. The New England reinsman made his jump by landing Tippie Volo and Plain Mary in the Bay State Circuit. Herman Tysor is now at pier seven. All of his victories were scored by Golder
