There are two ladies in Cornwall who will not soon forget a thrilling experience, and their narrow escape from what might have been a very serious accident. They had been out making social calls in the neighborhood, and while returning home in the evening, in some unaccountable way the sleigh was overturned, and both ladies thrown heavily to the ground, fortunately the sleigh was a low pung, but in turning turtle the box came off and the ladies were under it. Fortunately for them a gentleman who happened to be near the scene of the accident came to the rescue, and soon sent them on their way little the worse excepting for the fright.

The community of Graham's Road has suffered the loss of a good man and a good citizen, in the death of George McKinnon, who departed this life on the 30th of March. Mr. McKinnon had been in failing health for about a year or more. Bruce, the youngest, is the only one now on the homestead. Three daughters are married near the old home and two sons are in Western Canada.

SIR THOMAS HAS CRACK AT CARNEGIE

PARIS, April 4.—Some curious views on the question of arbitration were expressed by Sir Thomas Shaughnessy yesterday here on his way to London.

"One is inclined, he said," to question whether the suppression of war is good for the world. A war now and then acts after all, as a sort of clearance of the surplus population. But what I think most amusing in the matter is the attitude taken by an American magnate, who has given in a whirlwind finish. Victory was enormous sums to bring about Universal Peace. He evidently forgets that he acquired his riches only through a life long struggle or commercial war, during which he never suffered not only a rival, but even a competitor." Asked about the reciprocity agreement which Canada and the United States, Sir Thomas declined to express his personal views on the ground of his business responsibilities. He believed however, it was a foregone conclusion that the agreement would be passed by the Canadian parliament.

BOWLING

On the Arena Alleys last night the 4th Regiment defeated the Newspaper team by the small margin of 24 pins.

The game proved one of the most interesting of the league series as up to the eighth frame of the last innings the Newspaper team was in the lead and was too sure of victory.

The first innings was captured by the 4th Regiment by a majority of 36 pins. In the second innings the Newspaper team defeated their rivals by 62 points thus giving them a lead of 26. Up to the eighth frame in the last innings the Newspaper team held their opponents down, who won out in a whirlwind finish. Victory was too sure for the scribes and the unexpected happened. Excitement ran supreme and not until the last ball was rolled did anyone know for sure who the winners would be.

The following is the tabulated score:
