NOTE—The official list of penalties tabulated above seem to be wrong in almost every instance. A close check by this department gives the corrected figures at the extreme right—Sports Editor.

TENNIS

(Canadian Press)
MONTREAL, Jan. 29.—Dark, Janky Francis X. Shields wears a new tennis crown tonight. His cool superiority evident throughout a match that provided only comparatively good tennis, the star of New York courts lifted the Canadian singles covered court tennis title from J. Gilbert Hall, South Orange, N. J., by scores of 6-2, 6-4, 6-2 before a crowd that filled every available cranny at the Montreal indoor tennis club where the finals were staged yesterday.

Tennis Ace And Wife Narrowly Escape Flames

(Canadian Press)
HALIFAX, N. S., Jan. 29.—Fire early today wrecked the top flats of a three-apartment building on South Park Street. Bevil Piers, well known tennis player and all around athlete, who occupied the second floor, escaped from the building with Mrs. Piers and rang in the alarm, but the interior of their apartment was completely destroyed before the blaze, believed to have caught from the flue, was controlled. The top floor was unoccupied at the time.

Canadians Are Prettiest

SO THERE ARE NO PRETTY GIRL ATHLETES?

Ever since the Olympic games at Los Angeles, several sporting editors, backed in some instances by special writers of their own sex and one feminine writer, the famous Adele Rogers St. John, have declared that girl athletes are anything but pretty. Miss Rogers St. John went so far as to say that girl athletes did not even know how to walk properly, while Joe Williams of the New York World-Telegram stated they were Amazons and he had never seen a pretty one. Andy Lytle of the Vancouver Sun is the latest to come out and attack the girls. He claims they are leathery-limbed and flat-chested. Canadian girl athletes have always been noted for their facial beauty. They were outstanding figures both at the Amsterdam and Los Angeles Olympics. At the latter games, the Canadian team of nine was voted by sport authorities and Will Rogers as the prettiest group of girls at Los Angeles. Here is a newcomer to the world of girls' sport in 17-year-old Olive Hinder of the Laurel Club, Toronto.

N.H.L. HOCKEY RANGERS 9 RESULT SENATORS 2

(Canadian Press)
OTTAWA, Jan. 29.—Lester Patrick's face was one big smile today as he led his New York Rangers out of town. He was chuckling over a 9-2 score the Rangers hung on the Senators last night and the return to form of his New York team after three or four listless games.

EDWARDS BEATEN

(By The Canadian Press)—Phil Edwards, the "Midnight Meteor," who gave Canada two thirds at the last Olympiad, had tasted defeat tonight before the flying heels of George Bullwinkle of the New York Athletic Club.

Antigonish 2 New Glasgow 0

(Canadian Press)
NEW GLASGOW, N. S., Jan. 29.—Antigonish Bulldogs increased their lead in the A. P. C. League here last night to three points, as they handed the New Glasgow Tigers a 2-0 defeat. Alex R. McDonald scored both goals.

CANUCKS LOSE TO LEAFS 4-2

TORONTO, Jan. 29.—(Canadian Press)—The uphill climb of Newsy Lalonde's Canadiens to a play-off berth in the National Hockey League was a bit steeper today following the habitants' third defeat of the season, 4-2, by the Toronto Maple Leafs.

HOLY NAME BILLIARD TOURNAMENT

The class A match at the Holy Name Club Saturday night was won by Steele over Gallant by a margin of 17 points. Steele played good billiards all through and led all the way.
Friday night in Class B, Pineau defeated Bradley in a well contested match, 200-152.
The tournament is now well under way Saturday night, and it is part in at least one game. Now, the second week's schedule got under way Saturday night, and it is hoped that every player will maintain the interest he has shown during the past week. Some great games were played during the first week, the best time to date for 200 points being 38 minutes, made by W. McTague. However, next week's games should prove still better than the first week's contests.

The majority of players taking part last week have made their debut in a billiard tournament and some seemed to be unsteady and somewhat nervous, but as these players become more familiar with tournament games, they will settle down to real billiards. The writer has watched some of these players outside of tournament games, and has played with most of them, and believe me, they can show the spectators some real shots, and I have no doubt that before long these players will show their capability in this respect.

Valuable prizes will be awarded the winner of each class in this tournament, and the management has decided to present the winner of Class A with a cup, and also a medal for the winner of Class B. It is also proposed to award other valuable prizes.

An announcement in last week's Guardian stated that the organization of another tournament was under way, this contest to take place in Fred McMahon's billiard rooms. The writer would suggest a championship match between the winners of both tournaments. Such a contest would create intense interest to all billiard followers in this Province, it would distinguish in a convincing way the Island's best billiardist and would go a long way towards promoting the game in this city. The writer feels sure that the Holy Name Club would be only too willing to take part in such a contest, and that such a match would be approved and favored by the management of the McMahon billiard parlours.
Next week's Holy Name schedule is as follows:

CLASS A.
Monday—Doucette and Oatway.
Tuesday—McKenna and Robin.
Wednesday—McInnis and Doyle.
Thursday—Purcell and Stanley.
Friday—Basha and McQuaid.
Saturday—Harley and McTague.
Sunday—Gallant and McKenna.
CLASS B.
Monday—Tierney and Mullins.
Tuesday—Davey and Coyle.
Wednesday—Proude and Dolron.
Thursday—Pineau and DesRoches.
Friday—Bradley and Brown.
Saturday—Hughes and Power.

BOWLING

Tonight at 8 p. m. the Aces meet the Kings in the scheduled bowling match.

OUT OF CELLAR

(Canadian Press)
WOLFVILLE, N. S., Jan. 29.—Centreville climbed out of the King's County Hockey League cellar last night, defeating Port Williams 2-0. The Centreville boys, with several of their regulars sick, went the entire 60 minutes with a squad of six men.

Johnny Bishop turned in a splendid game in the nets. Taylor scored in the second period, and Ivan Ezanson of the Port Williams knocked the puck into his own net in attempting to clear.
"The follies and the errors of the world have been so many and so great that a long labor will be needed and many years and a great patience to repair them."—Guglielmo Ferrero.

LOOKING 'EM OVER

BY "TEC"
Another Hectic Week

The Maritimes famous "Big Three Loop" swings into another hectic week beginning tonight when Moncton Hawks invade the Wolverine stronghold. On Wednesday the men of Conn return to Moncton where they will be the "guests of the League leading Hawks. On Friday night" Wolverines will again clash with the rejuvenated Abbies, when another sensational battle is anticipated.

Fans, remember that last game here with Wolves. The Red Shirts won that tilt after one of the toughest struggles in Maritime hockey history. The Abbies served notice on all and sundry that night that they are still very much in the running, and since then have been turning in a brand of hockey that has brought words of admiration from fans all over the three provinces.
Wolverines, two points behind the leading Hawks, are reported to be determined to head the Nicklin clan and in the end capture the section and thereby eliminate Abbies from the play-downs.
What about the Abbies? They are equally determined to stop the

GALES ARE DE VALERA

(Continued from Page 1)
with gale force through Digby's streets. At Point Prim, the light-keeper was marooned for hours in the fog alarm house, a few hundred yards from the light, as spray flew over the top of it. The steamer Princess Helene was unable to make her regular Saint John-Digby trip. Combers roared over the top of the government pier.
Lockport was perhaps the town hardest hit in the province. The schooner Lucille M. went ashore and was badly damaged. The Billie Belle parted her chains and smashed into F. W. Sutherland and Sons warehouse. The railway trestle was partly wrecked. Fish houses, nets and traps were swept away. Loss was estimated at from \$14,000 to \$20,000 here.
A summary from other centres shows:

LIVERPOOL—No extensive damage occurred in the town. A house occupied by R. L. Seaborne at Fort Point was flooded, and Mrs. John Day, standing in front of it, knocked down by a wave, suffering bruises. Part of the railway track was washed away at Summerville, and heavy destruction caused at nearby fishing villages. The paper-carrier Markland parted her cable, but was safe and sound today.
SHELBURNE—The wind had moderated today. On Saturday D. E. Cunningham's fish plant on Cape Sable Island was swept away and came ashore on the mainland. The Boston schooner Lark attempted to get to market with 55,000 pounds of fish but turned back. Other vessels of the Boston fleet in for shelter are the Francis Donahue, Gaspé, Killarney, Gossoon, Gorinthian, Isabel Parker, and Dawn. The Stoney Island breakwater was smashed, and at Carleton village several fish stores were wrecked.
Westport—Two or three fishing boats were lost; and the breakwater damaged.
Lunenburg—Little or no loss occurred here, as the waterfront is sheltered from the prevailing wind. A cradle of the marine slip was lifted by the tide, and fishermen at Blue Rocks lost some gear.
Yarmouth—This town did not feel the full force of the gale. The steamer Yarmouth left for Boston Saturday night, her regular schedule disrupted by the weather.
Canso—The storm had gone down today after one of the biggest tides on record. A number of small wharves were damaged, and the road to the wireless station at Glasgow Head flooded. The Halifax-Guysboro steamer Chesdabucto was tied up at Isaac's Harbor, and the Canso-Mulgrave boat at Arichat.
Halifax—Nearby fishing settlements at Purcell's Cove, Duncan's Cove, Herring Cove and Devil's Island suffered heavily in lost gear and smashed storehouses.
In Halifax a dozen liners spent Friday night and Saturday hovering off the harbor, docking here early Sunday morning.
Tonight this city was without telephone communication with other provinces. A tree fell across the line at Great Village, and after re-routing, the line again failed.

ACADIA BEAT DAL 4-1

(Canadian Press)
WOLFVILLE, N. S., Jan. 29.—Acadia University defeated Dalhousie 4-1 in an exhibition game of intercollegiate hockey here last night. Bill Lockhart and Lawrence scored for Acadia in the second period. Sanford and McLean in the third. Ellis got Dal's lone marker with four minutes to go.

RED WINGS BEATEN 4-1

(Canadian Press)
MONTREAL, Jan. 29.—Detroit Red Wings' undefeated record of 13 games ended abruptly Saturday night when Jack Adams' men went down to defeat 4-1 before Montreal Maroons, in the fastest, most exciting National Hockey League game seen here this season.

FURTHER WAGE

(Continued from Page 1)
declined to accept this, spokesmen for the men stated tonight.
The general chairman has advised the railways that the proposal "will be placed before the men represented by the general conference, parties to this conference." They hope to be able to give "more definite advice as to the position to be taken on this all-important question by Feb. 23 or as soon thereafter as possible."
The railways contended they had the right to continue the 10 per cent wage deduction on and after Feb. 1 when the present contract expires. This is disputed by the men. "We must hold that on Feb. 1, 1933, the full basic rates are to become effective and be paid, unless in the meantime an agreement is reached to the contrary," states a communication to the railways.
"We cannot make it too plain to the Canadian people," declared Hon. James Murdock, vice-president of the brotherhood of railway trainmen and spokesmen for the men, at the conclusion of a conference today, "that we are prepared to agree to an extension of the 10 per cent deduction until the end of the present year, or some other period mutually agreed upon."
"It appears to us," he continued, "that the notice to the men requesting a further wage reduction has been timed to synchronize with the opening of Parliament. It is part of a scheme engineered by Canadian bankers and other vested interests dominating the Canadian people, to put over a consolidation of the Canadian railways."
W. H. Cobb, assistant grand chief engineer, brotherhood of locomotive engineers, said that the move would prove a bitter disappointment to the men and certainly to the engineers he represented. While they realized the railways and the country were passing through a most difficult period they thought they were contributing their share through the voluntary acceptance of the 10 per cent deduction, and in agreeing to a policy of mileage splitting by which they were contributing anything from \$20 to \$50 of their wages per month. As to the future moves he could not say. The matter will be referred back to the men for consideration after which the general chairman will again confer. It is expected they will be back here about Feb. 20 to meet the rail executives again. Some 26,000 men are involved.

Some time ago, it was pointed out by representatives of the men, an agreement was reached in Chicago between the United States railways and the standard railroad labor organizations under which the 10 per cent wage deduction in that country was continued for a period of nine months. Canadian railways, the men affirmed, refused to accept a similar agreement. The men stated that should the proposal of the railways be accepted it would bring the wages of Canadian railroad workers 17 per cent less than those prevailing in the United States.
The conference committee on behalf of the men comprises besides Mr. Cobb and Senator Murdock, H. H. Lynch, vice-president, Brotherhood of Locomotive Firemen and Enginemen; Charles Montooth, vice president, order of railroad conductors; J. J. Trainor,

BUILDINGS DESTROYED—The residence and two barns of Mr. Frank McQuaid, Lot 65, were completely destroyed by fire on Friday last. The fire which was discovered about 10 o'clock in the morning when the men were at work in the woods, apparently was caused by a defective flue. Almost all the machinery in the barn was saved. There was some insurance on the property.

WILL PREACH SERMON — Rt. Rev. Joseph A. O'Sullivan, Bishop of Charlottetown, has accepted the invitation to preach the sermon in English at the consecration of Rt. Rev. L. J. A. Melanson, Bishop-elect of Javelbourg, Saskatchewan. The bishop-elect will be consecrated in St. Michael's Cathedral on February 22. His Excellency, Most Rev. Andrea Cassulo, Apostolic Delegate to Canada and Newfoundland, will preside, and assisting consecrators will be Most Rev. C. McGuigan, Archbishop of Regina, Saskatchewan and formerly of Charlottetown, P. E. I., and the Rt. Rev. P. A. Chaisson, D.D., Bishop of Chatham, N. B.

DAMAGE

(Continued from Page 1)
stalled a short distance out of town on the North River Road. During the thaw which set in after the storm yesterday city workmen were engaged clearing the storm sewers and crossings, and this work will be continued today. The city snowplough was also utilized. The rutted condition of the streets, particularly at crossings, made traffic heavy for churchgoers yesterday. There is not, however, sufficient depths of snow on the streets to use the government plough, even if this plough had been available yesterday.

A number of citizens report hearing thunder and seeing flashes of lightning early yesterday morning.
Vice-president, order of railroad telegraphers, and 22 general chairmen of whom J. B. Ward is chairman and B. L. Daly secretary.

FORUM BAND TONIGHT
