Are You a Woman

Needing Strength?

Not long ago you were able to enjoy life. You had vigor, strength, ambition—did everything with zest and pleasure. Upon your cheeks was the hue of health, in your eyes the sparkle of vim and animation.

Today—all is a drudge. Not actually sick, but if your work were less imperative, how gladly you would rest.

You are breaking down. Nervous system is out of gear. Digestive powers are weak. Blood lacks nourishment.

Just one thing to do—Build up—Win back your health with Ferrazone.

No remedy restores so fast, builds up so permanently, instills such vigor or such strength like Ferrazone.

A case showing how Ferrazone acts is illustrated by the following from Mrs. H. Wright of Effie, N. S.

"Six months ago I experienced a serious illness. I commenced with splitting headaches, dull pains through my chest and shoulders, found it hard to get satisfactory sleep—would roll and toss and in the morning felt tired all over. Then I grew nervous, lost flesh, got pale and had heavy dark circles under my eyes. My strength got so low I couldn't do housework. I was worried and unable to eat and feared I would not get well. Ferrazone built me up in a few weeks. I seemed to supply wonderful strength. I gained in flesh, looked better and was able to sleep. In all I took two boxes of Ferrazone and my cure was complete. If Ferrazone doesn't help and cure you—let nothing ever will; your druggist sells it in 50c boxes—Better try Ferrazone."
