Rugby Union Doubles Admission To Bleacher Seats For Final Game

By W. R. Wheatley
 MONTREAL, Nov. 15 (CP)—Move over, Mr. Abbott, and make way for the Canadian Rugby Union. Your rent-increase proclamation is an act of benevolence in comparison with the football moguls' edict.

The C. R. U. has slapped a 100-per-cent increase on the admission price for 2,500 Montreal kids who would like to see their favorite Alouettes play Hamilton Tigers in the Eastern Canada final next Sunday.

And, for the ordinary Joe Fan who manages to scrape up the odd buck or so to see a game, the ante has been raised all the way from 12-1-2 to 50 per cent.

But, for the higher-bracket folks who can always afford \$2.25 or \$2.75 for the more choice seats or \$3.25 for a box seat, the C. R. U. has made no change whatever.

So the little fellow takes the beating again and the kids get the worst deal of all.

"When we formed the Alouette Football Club in 1946," said president Leo Dandurand today, "I made a promise there would always be 2,500 bleacher seats at 25 cents each for the kids."

"The C. R. U. has raised this to 50 cents. We have no say in the matter. The same goes for the other increases. The C. R. U. sets the prices for the Eastern final and the East-West Grey Cup game."

Dandurand said he has always been pleased with his two-bit gang, a self-appointed rooting section all its own. After all, the screaming, jumping little fans are the future regular customers.

Along with this 100-per-cent wallop at the kids' pockets, the C. R. U. fixed the reserved-seat minimum price at \$2. This takes in the regular prices of \$1.25, \$1.50 and \$1.75 and affects about 10,000 spectators. It means increases of 12-1-2, 25 and 37-1-2 per cent, respectively.

Even the bleacher bug, hard by the howling kids, will have to put \$1.50 instead of \$1 on the line—a 50 per cent increase. Several thousand fans are affected by this increase.

HEALTH RESORT THE FORUM

The Juvenile Victorias, last year's N. B. P. E. J. Juvenile hockey champions and runners-up for the Maritime crown, got in their first practice session of the season at the Forum yesterday afternoon, when a large number, bordering on the 30 mark, of both new and former aspirants for berths on the team turned out.

They, of course, are just one of the many teams in the minor leagues who will be turning out day by day to mould their teams into shape for the forthcoming hockey season, when leagues and teams ranging from juvenile right down to the paperweights will compete in the minor ranks under the Department of Physical Fitness this winter.

And with the Forum swinging wide its doors at the start of this week to accommodate all the other teams who will be competing in all sorts of leagues for their practice sessions, which will constitute some 40 hours of practice sessions weekly, there will be a steady "back-to-hockey" movement from now until the end of the season.

However, the practice session, as always, is just the beginning of the real hockey, when following close in its wake will be the forming of leagues and schedules which will get rolling in earnest and all will be battling it out in closely contested series for the top honors in their particular leagues which will lead on to even bigger things such as Provincial and Maritime titles, of which, there is no doubt, many of the Island teams will again capture their fair share as in the past.

The Charlottetown Abegweit Amateur Athletic Association members will gather together this evening at 7:30 in the Assembly Room of the City Hall when they will tender their annual reports for their past season's activities and elect their new officers and committees for the 1949-50 season, and lay their plans for the forthcoming hockey and basketball activities, etc.

Always an ardent supporter of all types of amateur sporting activities, the Abbie Club's annual meeting will not only be one to review their past season's accomplishments, one which they might all well be proud of, as they met with much success in all of their sporting endeavours during the past twelve months, but will also serve to lay many of their plans for the future which deals mainly with the further development of the younger groups of athletes who will be the senior stars and solid citizens of tomorrow.

Baskeball is also starting to make its move towards the front of the sporting picture, with teams both in Summerside and Charlottetown already hitting the floor for their opening work-out sessions to get in shape and build up their squads for the opening of regular competition.

The Prince of Wales College team, under coach Bob LeClair, held their first session yesterday over the auditorium floor, and according to all reports have all the prospects of flooring a smart team this year to compete in the Island Physical Fitness Basketball League, while other entries in last year's six-team league have also been getting in some tune-up manner on the gym floor, with still others gathering their teams together so they can get into action soon.

As far as can be learned at the moment, the Physical Fitness League will be in operation again this season, and plans are being laid to hold an annual meeting soon to win up the various clubs who are interested in competing again this year, as well as to appoint their league officials and make any other adjustments or amendments necessary that might improve the working of the league over last season. Although admittedly, there will probably be little necessity for many changes, as the league functioned in a highly successful manner last year, and brought about some very smart basketball and kept competition.

There is one factor that seems to be in the air at the moment, that if it becomes effective will be a change from last season, and that will be the breaking up of the league into two sections. This will mean that the local City entries will play as one division and the Summerside teams as the other, with the winners of the two divisions meeting in the playoffs for the title. The object of the change is to cut down the travelling between the two centres during the regular schedule. This, however, is only a possibility at the moment, and will have to come before the meeting for discussion before any action is taken.

Beavers Score 9-6 Win Over Amherst; Tie Halifax For League Lead

SACKVILLE, N. B., Nov. 15 (CP)—Saint John Beavers lowered the boom on Amherst Ramblers, 9-6, tonight to move into a first-place tie with Halifax St. Mary's in the Maritime Senior Hockey League. It was Amherst's 17th loss in 19 starts.

Ramblers gave as well as they took, or almost, and at one point in the last period were behind by only one goal, 6-5. But in the remaining six minutes Beavers jammed in three more to Amherst's one.

Mike Demchuk and Mouse Dowling each counted twice for Saint John and the singletons went to Gord Drillon, Doug Fritz, Vic Jackson, Buck Whitlock and Art Leger. Demchuk, with an assist besides, and Jackson, with two assists, each picked up three points for the night's work.

Three Ramblers snared three points apiece with a goal and two assists—playing coach John Callanan, Burton and Knox. Other Amherst scorers were, Allen Kelly, Paul McManaman and Gene Poirier.

Knox was injured on the final Saint John goal and was believed to have a broken leg. The game was held up for 10 minutes when the crowd littered the ice after the whistle did not go when Knox was injured.

Beavers had 37 shots on goal and Amherst 35.

Beavers have a chance to get into first place alone when they tangle with Hawks at Moncton tomorrow night.

Red Sox Player Lost While Hunting

ELY, Minn., Nov. 15 (AP)—Lost overnight in the woods, Ted Williams, Boston Red Sox outfielder, returned today to the fields with other members of his deer-hunting party, apparently none the worse for the experience.

Williams and seven companions were flown into the Basswood Lake area, 20 miles north of here Sunday.

Heavy winds and snow flurries prevented their plane from returning to pick them up. They built a big fire and waited for daylight. In the morning their pilot located them and brought them back to Ely.

CHICAGO, Nov. 15 (AP)—Charges of assault with a deadly weapon (their hockey sticks) against two Montreal Canadiens players were dropped in municipal court today.

The charge against Gravelle was dismissed and that against Reardon was nolle prossed by Judge Joseph Hermes.

Former Prisoner Charges Companion

MONTREAL, Nov. 15 (CP)—Laurie Feenor of Liverpool, N. S., a former inmate of the Maritime Penitentiary at Dorchester, N.B., today charged another inmate of the penal institution with theft and violence.

Feenor said he met Frank McDonald in a Montreal hotel last June and that McDonald blamed him for a 2 1/2 years prison term for burglary.

Feenor said McDonald and two unidentified men attacked him on the street and gave him the "boots", sending him to hospital for a month. Feenor admitted serving the prison term with McDonald on the burglary charge.

McDonald and the two other men, one of whom, the crown said, skipped town last June after posting bail on a robbery charge, took \$13 from Laurie's pockets after beating him up, Laurie told the court.

Canadian Ships Leave On Cruise

HALIFAX, Nov. 15 (CP)—The 18,000-ton aircraft carrier Magnificent, destroyer Halda and frigate Swansea sailed from Halifax late today on a 21-day training cruise in the West Indies.

Magnificent took aboard a squadron of firefly fighters of the 18th Carrier Air Group earlier. It will be the flat-top's first training jaunt since coming out of drydock at Saint John, N. B., a month ago when she had been undergoing repairs. The carrier went aground on the Nova Scotia south coast June 4.

The three ships will call at Charleston, S. C., Nov. 19 where Swansea will turn back to Halifax. Halda and Magnificent will next visit Guantanamo Bay, Mexico, and San Juan, Puerto Rico. They sail for Halifax Nov. 30, arriving Dec. 6.

Local Man Saw Dan Patch Race

The showing of the "Great Dan Patch" this week at the Prince Edward Theatre will turn the pages of time back 43 years for Mr. Malachias Callaghan of this City who saw the great pacer breeze the mile in 1:55 at Minnesota in 1906.

Mr. Callaghan was employed in Minnesota at the time the great horse paced the world's record-breaking mile. It is possible that other Islanders saw him perform but they must be few.

Dan's record shows in the book as 1:55 1/4, this mile (1:56) not being credited to him because he was behind a windshield. Dan's time the day Mr. Callaghan saw him race was: quarter in 28 1/4, half 57, three quarters 1:26 1/4, mile 1:55.

Solly Cantor Held To 8-Round Draw

LONDON, Nov. 15 (CP)—Solly Cantor of Toronto was held to an eight-round draw tonight by Kid Dussart, European lightweight boxing champion, in an eight-round fight at Harringay Arena.

Cantor, a leading contender for Arthur King's Empire championship, weighed 135, Dussart, a Belgian, scaled 137 1/2.

About 12,000 fans in the fog-filled arena watched the former Canadian newsboy stretch his unbeaten string in British rings to seven.

The Canadian Press score-card agreed with referee Teddy Waltham's decision, giving three rounds to each with two even.

Hamilton Tigers Expect Tough Go With Alouettes

HAMILTON, Nov. 15 (CP)—Hamilton Tigers aren't kidding themselves about Sunday's sudden-death Eastern Canada football final at Montreal against Alouettes. They realize they will be on the short end of the betting odds and that they'll probably have the toughest assignment of the season on their hands.

There is plenty of confidence in the Bengals' camp—and no fear of the Als who came up with a late-season spurt to knock off Ottawa Rough Riders two straight in the Big Four playoffs.

Playing-coach Merle Hapes, 29-year-old former star with New York Giants and one-time teammate of the Als' flinging Frankie Filchok, will do his master-minding from the bench owing to a shoulder injury.

He had his Ontario Football Rugby Union championship on for a brisk one-hour workout today and pronounced the club fit and ready for the game that will decide the Eastern Grey Cup finalist.

Hapes has it figured he can start a line average of 215 pounds, against Alouettes' 209-pound average. Biggest man is Jake Gaudaur whose scale reading is 235 pounds. Jake, a truck salesman, is six-foot-three and an outstanding player in the centre slot.

Former Prisoner Charges Companion

MONTREAL, Nov. 15 (CP)—Laurie Feenor of Liverpool, N. S., a former inmate of the Maritime Penitentiary at Dorchester, N.B., today charged another inmate of the penal institution with theft and violence.

Feenor said he met Frank McDonald in a Montreal hotel last June and that McDonald blamed him for a 2 1/2 years prison term for burglary.

Feenor said McDonald and two unidentified men attacked him on the street and gave him the "boots", sending him to hospital for a month. Feenor admitted serving the prison term with McDonald on the burglary charge.

McDonald and the two other men, one of whom, the crown said, skipped town last June after posting bail on a robbery charge, took \$13 from Laurie's pockets after beating him up, Laurie told the court.
