Yorkshire sow with litter (Not Reg.) 1—Richard Kickham, Souris West. 2—A. J. McDonald, Souris West. Pair Yorkshire pigs under 7 mos. 1—P. A. McIsaac, Line Road, 2—P. A. McIsaac, 3—Frank Mullaly. Berkshire sow with litter of 4 pigs. 1—Ed. Peters, R. Bay. Pair Berkshire pigs under 7 mos. 1—A. J. McDonald.

Kill, kill, kill! every fly now. Now is the time to reduce the fly population for next year. Use Keston's Fly Powder, the great and sure destroyer of all Flies, Fleas, Mosquitoes, Bugs and Cock roaches. Sold by all druggists and grocers. Price only 10c per tin. Made in England. Harold F. Ritchie and Co., Limited, Toronto, sole Canadian agents.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what all your little one—it full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

LOOK AT A CHILD'S TONGUE WHEN CROSS

Take no chances! Move poisons from liver and bowels at once

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what all your little one—it full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Tired Nervous Mothers

Should Profit by the Experience of These Two Women

Buffalo, N. Y.—"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia E. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my household work."—Mrs. B. B. ZELINSKA, 202 Weiss Street, Buffalo, N. Y.

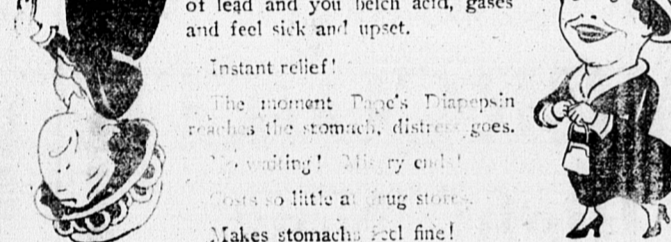

Portland, Ind.—"I had a displacement and suffered so badly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Compound the credit."—Mrs. JOSEPHINA KIMBLE, 935 West Race Street, Portland, Ind.

Every Sick Woman Should Try LYDIA E. PINKHAM'S VEGETABLE COMPOUND

LYDIA E. PINKHAM MEDICINE CO. LYNN, MASS.

Acid Stomach Causes Indigestion!

Instant Relief—So Why Worry

UPSET? Pape's Diapepsin WILL PUT YOU ON YOUR FEET

is called the Bankers Amalgamated Silver Black Fox Co. Ltd. with a capital stock of \$700,000.00, \$300,000.00 preferred and \$400,000.00 common and as this will stand for approximately \$2,000.00 per pair foxes capitalization of prepaid stock it means one of the lowest capitalized per pair of any large company on the Island.

He said there were many reasons why the three companies could be handled more economically as one company which would be more profitable to the shareholders.

All three companies have paid a cash dividend every year since they were organized and will this December pay not only the regular 80c cash dividend but a 100c of stock dividend.

This goes to show what can be done in the fox industry by honest, competent management and these ranches are considered among the best managed and most profitable on the Island.

The success, Mr. Muzzy says is due not only to the ability of the directors here in Charlottetown—Messrs John Anderson, R. E. Spillet and Dr. Doyar but to its caretakers Mr. Shaw McMillan of Albany Plains and Mr. John Roper, of Sherwood who are financially interested being large stock-holders.

Mr. Muzzy is a great believer in having those associated with him interested financially and in these fox companies it has proven to be correct.

Mr. Muzzy has contributed a number of articles for the Guardian the keynote of which has been co-operation among fox breeders and general publicity for the industry.

Mr Muzzy leaves Charlottetown for home Saturday morning.

on suffering with that obstinate sore, if you will only use Zam-Buk—the great herbal skin cure. This balm, owing to its unique composition, is the very thing for sores and skin troubles that have resisted ordinary treatments.

Mrs. Herbert Cox, of Port McNicoll, Ontario, writes: "For nine years I suffered with an abscess on my face, which was both painful and disfiguring. I had the abscess lanced repeatedly, but it still remained. I also tried ordinary ointments, but without any permanent benefit. Finally the doctor told me I had a tumor on the bone, and would have to undergo an operation, which I did, but instead of improving, the wound only became worse. I was in despair when a friend got me to try Zam-Buk. I soon noticed a marked improvement. Zam-Buk seemed to get to the very root of the trouble, and in the end the abscess was entirely cured, not even leaving a scar. This was a year ago, and there has been no return of the trouble."

Zam-Buk is not a mere ointment, but a rich herbal balm. Unequaled for eczema, scap sores, ringworm, boils, bad legs, blood-poisoning, cuts, pines, burns, sprains, scalds, and all skin injuries. 50c. box, 3 for \$1.25, all druggists or Zam-Buk Co., Toronto. Send 1c. stamp for postage on free trial box.

LESS MEAT IF BACK AND KIDNEYS HURT

TAKE A GLASS OF SALTS TO FLUSH KIDNEYS IF BLADDER BOTHERS YOU

Eating meat regularly eventually produces Kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urine organs clean, thus avoiding serious kidney disease.

Instead of Messy Plasters

Apply Thermogene to that pain!

THERE just won't be any pain, once the warm, soothing heat generated by THERMOGENE gets to work, attacks its source, and routs it utterly!

Simply place a piece of Thermogene, just as it comes from the box, over the affected part. It is a quick and certain remedy for Backache, Lumbago, Grippes, and all ailments caused by cold and damp.

This medicated wool gives warmth and acts upon the blood-vessels through the skin. Works until removed—never grows cold and clammy, like the messy, old-fashioned poultice. Quickly dispels all soreness and inflammation. Full directions in every box.

At All Druggists—50 cents

Invented by Vandebroek, the famous Belgian Chemist. British-made by the Thermogene Co., Ltd., Hayward's Heath, England.

Sales Agents for Canada: HAROLD F. RITCHIE & CO., Limited, 10 McCall St., Toronto

THERMOGENE CURATIVE WADDING

(Vandebroek's Process)

Stop! Look!! Think!!!

Face Your Cream Separator Problem.

IT is just as natural as can be to get accustomed to a separator that you have used for years. You have fussed with the clogged discs and cleaned up the oily dirt from around the machine so long that it seems natural to do this. And you go along taking butter from the old machine, and you wonder how it pay. But it doesn't! Compare results with the new separator. The difference is achieved!

Standard Separator Gets all but 1/10 pound of cream in 1000 pounds of milk skimmed. Ordinary separators Lose Many Times That Amount

Renfrew

Face the question. At least it is worth while to know where you are at. Any Government Dairy School will test a sample of your skimmied milk. More than likely you are losing so much butter fat in every thousand pounds of milk skimmed, that you would be astounded at the loss could you see it piled up in pouped prints.

These Government Dairy Schools' tests show that the Renfrew saves all but one-tenth of a pound in every thousand pounds of milk skimmed. The difference saved means about \$15.00 per cow per year more profit to you. How much does it mean for your entire herd?

Even if you have a nearly new ordinary machine, will it possibly pay you to go on losing \$5.00 per cow a year? Why not let the money saved buy you a Renfrew?

Face this problem—you are losing money hand over fist. Get our catalogue. See Dairy Schools' tests on page eleven.

Read about our exclusive interchangeable capacity feature, the wide open bowl that prevents clogging of discs and makes cleaning easy, the self oiling system needing attention but once in every three months. Write for literature today.
