Mr. REID: I have no memorandum just now indicating a change but if my hon. friend has any information he might tell me if there has been one.

Mr. Thomas W. Morrissey has been appointed collector of customs.

Mr. REID: Instead of Mr. Owen?

Mr. HUGHES: Yes.

Mr. REID: That may have happened since I have had this memorandum prepared.

Mr. HUGHES: I know that Mr. Morrissey has been appointed and I understand that Mr. Owen has been superannuated.

Mr. REID: It may have been done within a few days.

Mr. HUGHES: I wanted to know really what it was costing you to collect the revenue there. I think there must be some mistake in the number of vessels given. They must be fishing boats.

Mr. REID: This is the official report that I have here.

Mr. HUGHES: I do not doubt the minister's word at all but the report is not up to date. When was that report prepared?

Mr. REID: This is the report which was sent in by the collector at Georgetown.

Mr. HUGHES: At what time?

Mr. REID: Up to the end of the fiscal year 1912.

Mr. HUGHES: Can I get that information?

Mr. REID. I will get whatever information the hon. gentleman wants tomorrow.

Mr. HUGHES: What salaries are paid the customs officers at Georgetown: what is Mr. Owen's superannuation allowance, and what is Mr. Morrissey's salary?

"MY STOMACH IS FINE

Since Taking Na-Dru-Co Dyspepsia Tablets"

Mrs. J. Merkhuger, Waterloo, Ont., enthusiastically recommends Na-Dru-Co Dyspepsia Tablets. Her experience with them, as she outlines it, explains why.

"I was greatly troubled with my stomach", she writes. "I had taken so much medicine that I might say to take any more would only be making it worse. My stomach just felt raw. I read of Na-Dru-Co Dyspepsia Tablets, and a lady friend told me they were very easy to take, so I thought I would give them a trial and really they worked wonders. Anyone having anything wrong with his stomach should give Na-Dru-Co Dyspepsia Tablets a trial, they will do the rest. My stomach is fine now and I can eat any food."

One of the many good features of Na-Dru-Co Dyspepsia Tablets is that they are so pleasant and easy to take. The relief they give from heartburn, flatulence, biliousness and dyspepsia is prompt and permanent. Try one after each meal—they'll make you feel like a new person.

BASKETBALL

The Basketball match last night in the Y. M. C. A. between the United teams from the Baptist and Central Christian against the St. Paul's Sunday school boys resulted in a win by default for the latter. The exhibition game was won by St. Pauls by a score of 29 to 14. Both teams had some splendid material and although the Unions were handicapped to some extent by having some new and intermediate men they played a creditable game and took defeat like men as was suggested by Rev. Dr. Fullerton at the opening game on Thursday night. Mr. McComb, the physical director refereed very satisfactorily.

An offer of $10.000 was refused on Saturday by a rancher for an option on 1914 pups.

Fox farming will bring $6,500,000 to Prince Edward Island this year. The population of the island is less than 100,000. It needs no prophet to forecast that in a year or so automobiles will be operating there 24 hours a day and 7 days a week, instead of merely on Mondays, Tuesdays and Thursdays.—Mail & Empire.

The Sydney Silver Black Fox Co., Ltd., capitalized at $100,000 has recently been formed in Sydney, N. S. This company has contracted for some very high grade stock with the Canadian Fox Exchange. They have very capable business men at the head of the organization and it should prove highly profitable for the shareholders.

E. R. Brow and W. A. Miller were delighted to find that the magnificent Sir Charles is now the parent of a litter, the female having given birth to same last week. Congratulations.

F. G. Jordan of the Canadian Fox Exchange returned from Sydney, N. S., and reports prospects for the black fox industry very bright in the "Iron City." He was successful in closing a contract for foxes.

A gentleman writing from Newfoundland says that the exportation of foxes from the ancient colony is now a thing of the past as the Government has enacted a rigid law with penalty of $1,000.00 for the capture of wild foxes, and the new law also prohibits the exportation of ranched foxes from private ranches. This will be a source of pleasure to owners of pure bred stock in this province as the importation of inferior stock will be greatly curtailed.

Murray Harbor Ranch reports three litters from its three pairs of foxes. They will be able to pay upwards of two hundred per cent. There are many stockholders in this city.

* * *

The prospects for 1913 foxes are bright. Big money is pouring in every day from the mainland. Over twenty thousand dollars was received last week from Sydney and three companies have been formed in Nova Scotia recently to buy Island foxes.

* * *

Montreal is awakening to the possibilities of the Black Fox industry and over one hundred thousand dollars was subscribed by wealthy men to buy Island foxes. A representative of the Syndicate will visit P. E. Island shortly.

* * *

$15,000 for options on highest grade Black Foxes is now in sight, in fact several pairs have already changed hands at that figure.

* * *

On Saturday last a prominent lawyer in this city refused a genuine offer of $14,500.00 for a pair of 1913 pups to be delivered in September. Of course these pups are now on foot and delivery is practically certain. The owner is holding for $15,000 or more.

SHE SUFFERED TEN MONTHS

Mrs. Blankenship Tells of Her Restoration to Health by Lydia E. Pinkham's Vegetable Compound.

Elliston, Va.—"I feel it my duty to express my thanks for what Lydia E. Pinkham's Vegetable Compound has done for me. I was a sufferer from female troubles and had been confined in bed over one third of my time for ten months. I could not do my housework and had fainting spells so that my husband could not leave me alone for five minutes at a time.

"Now I have been restored to health and it has come from taking Lydia E. Pinkham's Vegetable Compound. Whenever I see a suffering woman I want to tell her what this medicine has done for me and I will always speak a good word for it."—Mrs. ROBERT BLANKENSHIP, Elliston, Va., Montgomery Co.

IN MEMORIAM

MRS. JAMES V. HIGGINS.

It is a sad duty to chronicle the death, at the home of her father Mr. Peter Trainor, Maplewood, Lot 29, of Mrs. Mary A. Higgins, relict of the late Mr. James V. Higgins, of Summerside. Only two years ago Mr. Higgins, who a short time before was a robust specimen of manhood, was called to his eternal home, leaving his young widow and five children to battle with the storms of this life. Now the five little children are truly orphans, and call forth the kindness, consideration, and charity of the surviving relatives.

About four or five months ago, her health began to fail and on Saturday morning, April 26th, comforted and fortified by the Sacraments of Holy Church, resigned to the doom allotted for her by her Creator, her only request to her loving relatives by her besides that they "be good to the children" she calmly surrendered her spirit to God.

The deceased who was thirty-one years of age had the pleasure of a circle of friends both in Summerside, where she lived for a number of years, and in her native parish of Kelly's Cross, who have nothing but praise for her many estimable qualities, and every one will certainly be good to her five little ones Vincent, Alma, Helen, Orestes, and Mark.

Her funeral took place to Kelly's Cross on the 28th where a High Mass was sung by Rev. Dr. Curran who also officiated at the grave. The pall bearers were Messrs John Johnston, James McVinn, Malachias Kelly, J. J. Trainor, J. H. Nantes, J. F. Duffy. May her Soul rest in peace.
