PRINCE EDWARD ISLAND

And Its Attractions To Tourists.

Prince Edward Island's summer climate is delightful, and scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze and the advantages that can only be derived from sea bathing at about 65 degrees.

It has a Gas Light and Power Company two Electric light plants, and a street railway in embryo. It has a first class water works and sewerage system. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief resorts of the citizens here. It has one of the largest and best equipped pork-packing establishments in the Dominion. On the west side in the Park; on the east side are the magnificent new Exhibition Building and Driving Park. Chief among its public squares are Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, a fountain and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Revere.

Blood Disorders

are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. If the kidneys do their work no impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most imitated blood medicine there is.

Dear Sirs,—My little girl was almost dead with summer complaint. I tried numerous remedies for her, but they did no good. A friend recommended Dr. Fowler's Extract of Wild Strawberry, so I procured a bottle, and by the time she had taken three doses it began to help her and two bottles effected a complete cure. I owe her life to your excellent remedy.

Dear Sirs,—My little boy was very bad with diarrhoea. He passed nothing but blood. I tried everything, but could get nothing to do him any good until I got a bottle of Dr. Fowler's Extract of Wild Strawberry. A few doses made a complete cure, and I have more faith in your remedy for diarrhoea than any other preparation on earth and always keep it in the house.
