Georgetown Spencer Company to Build Theatre in Campbellton

CAMPBELLTON, March 11—(Special)—The Spencer, president of the F. G. Spencer Co. Ltd., announced here today that his firm will commence construction of a modern theatre in Campbellton this spring. The theatre, which will have a seating capacity of at least 1,000, will be built on Rossberry Street, in one of the main streets of the town.

Mr. Spencer stated that in addition to the property already owned on this site by the theatre company, an extension had been purchased this week, including a 150-ft. by 100-ft. lot owned by H. B. Anslow and W. E. Cooke. This latest property acquisition will run the theatre property from Rossberry to Roseberry Street, a distance of over 300 feet, with a frontage on Roseberry Street of 100 feet.

Mr. Spencer stated that negotiations for the purchase are being completed by J. N. Kenney, of the Kenney Construction Company, Halifax and Yarmouth, which already has built or remodelled 16 theatres for the Spencer Company.

Lower Montague

Mr. Horace Hewitt left Tuesday on a business trip to Nova Scotia.

The weekly choir practice was held at the home of Mrs. Arch King on Wednesday evening.

The many friends of Mrs. Bert Taylor, Lower Montague, are pleased to see her around again, after being confined to her bed several days with pneumonia.

The friends of Mr. Bert MacFarlane, are sorry to learn he is confined to his bed with pneumonia.

Mr. and Mrs. Don Gillis, Charlottetown, recently visited Lower Montague, the guests of Mr. and Mrs. Donald Ross, Mrs. Gillis' parents.

The friends of Mr. Austin Ross are pleased to see him out again after being confined to his bed with "flu".

The many friends of Mr. J. Leslie Poole are sorry to learn that he is confined to his bed with pneumonia of his nephew, Mr. R. A. Poole, through illness.

The farmers here are busily engaged in sawing wood, threshing etc., preparing to get on the land early this year.

The first robins seen here was on March 10, by some school children and welcome little visitors they were.

Miss Helen Jackson, Albion, spent the weekend at the home of her uncle, Mr. T. R. Jackson, Lower Montague.

Mr. J. T. Landrigan and Mr. James Hewitt recently motored to Charlottetown on business.

Miss Helen Landrigan, Sturgeon, is spending a very pleasant visit here with her mother and sister-in-law, Mr. and Mrs. J. T. Landrigan.

Mr. Bob Machon, plumber of Charlottetown, spent the weekend at his home here.

The firm of James H. Hewitt and Son, has several men employed here, busy preparing for the coming lobster season, which looks more promising than ever.

The card party and bean supper sponsored by the Lower Montague W. I. was held in the hall Monday night. A large crowd of friends, considering the condition of the roads and so many ill, the articles left over from the supper were auctioned by Mr. David Wright and the neat sum of \$26.40 was realized by the ladies.—L.M.

The March meeting of the United Ladies' Aid was held at the home of Mrs. Lewis Wright. The committee in charge was Mrs. Arch King, Mrs. Lem Robertson and Mrs. L. Wright. The scheme for "swelling the funds" was a success. The net sum of \$26.40 was realized by the ladies.—L.M.

Mr. Donald Ross, Lower Montague, while sawing wood at his brother's had the misfortune of coming in contact with the saw and losing two of his fingers. He was immediately rushed to the Kings County Hospital where treatment was supplied by the kind nurses and Doctor. His many friends wish him home soon, for "Sandy" as he is more familiarly known is a true friend and good neighbor to all.

On Saturday last Mr. Jack Clarke, Lower Montague, had the misfortune of getting his horse in the ice near Georgetown. With the help of some kind friends the animal was soon gotten out, but suffered severely from being in the ice water. This is the third time Mr. Clarke has got his horse in the ice this winter. The longest way around seems the safest way home since "Jack Frost" hasn't done his duties as well as he night. The horse was driven by Mr. Ed. Puratt.

The March meeting of the Lower Montague W. I. was held at the home of Mrs. David Wright. The meeting opened by singing "When Irish Eyes are Smiling" and the roll call was answered by an Irish joke. Mrs. Gertrude Ross, vice-president, presided. A quilt made and donated by Mrs. Annie Schirmer was to be lotteried within the following month, and it was also decided to hold a bean supper. The meeting closed by the King and a delicious luncheon was served by the hostess.

New Spencer Theatre in Amherst

AMHERST, March 15—Construction of a new theatre in the town of Amherst is under contemplation, and it is expected that work on the modern structure will be commenced just as soon as a building permit is received and applications are available. P. G. Spencer of St. John's who was in Amherst this morning made the announcement to the News, and declared as well that J. M. Kenney of Halifax and Yarmouth was in town at the present time studying the site and considering tentative plans for the building.

Always prepared to display confidence in the town of Amherst, Mr. Spencer informed the News that he had been in telephonic communication with J. J. Fitzgibbon, President of the Famous Players Canadian Corporation, as well as Mr. Balaban, President of the Paramount Corporation—and both gave their support to the idea. Previously Mr. Spencer stated that a new theatre was to be constructed in Campbellton and the Famous Players Canadian Corporation, who have an interest in the Spencer chain, are subsidiary to the Paramount Corporation of the United States. Famous Players of Canada have 400 to 500 theatres in the Dominion while Paramount has control of more than 2,000 theatres in the United States.

Amherstians will recall that Mr. J. M. Kenney as contractor, constructed the Capitol theatre and according to Mr. Spencer has in the last few years built or remodelled in the Maritime Province alone some fifteen theatres for the Famous Players.

The new theatre will be constructed on the present parking space alongside the Capitol. In fact it will be removed only a distance of some twenty feet, allowing a right of way and room for external exits. It will extend to within some six or seven feet of the present Nelson Dry Cleaning plant—a property which was purchased many months ago by the Maritime theatre magnate for expansion purposes.

And according to Mr. Spencer the new theatre will be on modern lines—a one story structure, with a seating capacity for some eight hundred people. In fact it was planned along lines similar to the Royal Theatre in Truro, other than the fact that it will have exits from the sides rather than the front. It will be a commodious structure in every way, while the lobby will be attractively arranged.

Not only will Amherstians be pleased over this good news, but theatre goers all over the county will be appreciative of this step.

Will Be Manager

Gordon Gazeley, who has been manager of the F. G. Spencer theatre here for nearly 22 years will assume the management of the new theatre, in addition to the present theatre, which will continue in operation. Mr. Gazeley is active in the Gyro Club and other social and business activities in Campbellton and has played a prominent role in the town's life for the last two decades.

Mr. Spencer today stated that the Famous Players Canadian Corporation, a subsidiary of Paramount Corporation, which operates more than 400 theatres across Canada, will be associated with the Spencer Company in the present enterprise.

The F. G. Spencer Company Ltd. has been operating a theatre in Campbellton for more than 30 years. The first theatre, on Water Street, was destroyed by fire in 1928 and the site of the present theatre was acquired the following year. Since renovated, the theatre is one of the most modern structures on the North Shore.

May Open In Fall

It is planned to have the new theatre ready for opening in the fall. Mr. Spencer stated that modern equipment and furnishings, it will compare favorably with any theatre in Eastern Canada. The theatre will consist of a single floor, in line with modern styled theatres. It will rise to five feet above the ground level. The provision for installation of the new building is expected to be a style of modern theatres within a few years.

Ontario Gov't Forecasts Deficit

TORONTO, March 20—(CP)—Provincial Treasurer Frost in his third budget address to the Ontario Legislature today forecast a \$2,066,684 deficit for the coming fiscal year based on record anticipated gross ordinary expenditures of \$149,436,816 and revenues of \$128,370,131, but pledged the deficit will be overtaken from increased ordinary revenue after the Dominion Provincial conference.

Mr. Frost said no new taxes were proposed, though appropriations for almost every department would be increased and amendments made in the Succession Duty Act and the Mining Tax Act. For the fiscal year ending March 31, 1947, he proposed capital expenditures more than double those of the present fiscal year, \$46,415,800 compared with \$22,368,500.

Wife of British Peer Found Dead By Hanging

SANFORD, St. Martin, Oxfordshire, England, March 20—(CP)—Lady Sandford, wife of the Conservative peer Lord Sandford, was found dead by hanging at her home here today.

She had been in ill-health for two years and was said to have been suffering from post-war strain. In her youth she was associated with the British suffragette movement.

Lord Sandford formerly was treasurer of the King's household and represented Banbury riding, Oxford, for 23 years in the House of Commons.

Fashion Horoscope

by Colette

Oh thick waistlines heavy thighs—Don't Do—

Don't span with wide contrasting belt, clinging skirt.

Do choose beltless gown of fabric that doesn't cling.

Do wear your skirts an inch longer or an inch and a half longer than the day's. For formal wear do choose fabrics with sufficient body to stand away from those heavy thighs. Also see that your slips and skirts are cut full enough to hang beautifully instead of bunching and spanning from the waist down.

You've simply got to see our clothes that follow your body lines the story.

Getting Off on the Right Foot

AN OPEN LETTER TO CANADA'S EX-FIGHTING MEN

You and your fellow servicemen have fought for the peace, freedom and happiness we now enjoy.

We, in common with all true Canadians, believe that you should receive your fair share—a goodly share—of the prosperity that could not be ours without the victory you have achieved. We believe that, unless our ex-fighting men as a whole reach a good standard of living, Canada cannot attain that full measure of the prosperity for which we all hope.

We, at the Bank of Montreal, are anxious to do all in our power to help every veteran find his particular niche in the new peace-time Canada, either in a job to his liking or in a business of his own that will afford him a full and prosperous life.

Reproduced in this advertisement are some thoughts from a booklet we have prepared to help veterans find their feet in civilian life. It is our hope that when you are struggling with the problem of starting afresh on "elvy street" the booklet may be very helpful to you.

Further, we extend a friendly invitation to you to drop in and chat things over with any one of our managers.

His knowledge of the present situation, local conditions, trends in business circles and the economic life of the community may be useful in the search for your niche. Perhaps he can offer helpful suggestions, sound advice, or a timely bank loan if you are thinking of launching out for yourself.

The booklet, "Getting Off on the Right Foot", is yours for the asking... Write, or see, your nearest B of M manager today.
