Abegweit Sisters And Moncton Ladies Failed to Register

ON GOOD ICE FRIDAY NIGHT AT THE ARENA IN FAST GAME, THE RED WINGS OF MONCTON AND ABEGWAIT SISTERS PLAY DRAW.

At the arena Friday night the return match between the Red Wings of Moncton and the Abegweit Sisters was played before a large gathering of fans.

Much interest was manifested in this game as Moncton had defeated the Sisters in Moncton by a score of 2-0 and both teams faced each other confident of a win, but all through the three periods and ten minutes overtime play other side failed to register a goal although some nice shots were made at each goal.

The first period ran away at 9-0, Referee Herrell on the whistle both teams playing the puck from the outside, but the Sisters, Miss Mullen and the Goals had no difficulty in turning away the near ones.

The individual rushes of Miss Polleys, Miss Melanson, Miss Landriagan and Mrs. Steeves of this period, while for the Sisters, Miss Kieley, Miss M. Burke and Miss Mullen made some nice runs. Miss Rodd's back checking, saved the situation many times, and the rush-defence work, and her splendid defence work, and like her name she failed to register a goal, her position well and is always showing up in rink end rushes, only lacking on the shot. Moncton defence played a real good game and have a remarkably good goalie, who knows just how to take the low ones. Both sides missed chances to score by not passing at the right time. Period ending 0-0.

Shortly after the second period opened up Miss Kieley received a bad fall and had to retire for a short time. Miss Rodd started things going. Making a nice rink end run, he shot being right on the mess, but Miss Livingstone made a good stop and cleared the nets before the puck was done. The puck was returned to the Sisters' territory by Miss Polleys only to lose to Miss Moore, who made another long run and missed net.

On Saturday night, the ladies of the Moncton Hockey team and the Redmacs wended their way on slushy sidewalks to the Arena only to be met by soft and slushy ice, but either team, as one of the quitting variety, and before quite a number of interested fans staged a good last game of hockey. The fact that there was scoring done in this game, gave it more pep and each team had always something to strive for, but what they got
