Pacing Record Broken At Covehead

Plenty Of Action Seen In Wrestling Card At Sporting Club Last Night

Wrestling, after a long absence, came back to the Sporting Club last night and a fair crowd of fans saw action aplenty in the two bouts on the card with kicking, gouging, hair-pulling, all coming into play at various times in the matches.

In the main event Ted McKinley of Toronto, British Empire middleweight champion had a tough customer on his hands in Pete Perno of Windsor, Ont., but finally won the third and deciding fall after pitching his opponent out of the ring five times in a row.

The pair grappled with each other for 15 minutes and 38 seconds before McKinley, after being in difficulties several times, finally caught Perno with a body press to take the fall.

Coming out for the second fall Perno started to more or less take command and eleven minutes and 47 seconds after the start squared matters by pinning McKinley's shoulders to the mat.

The third fall was even faster but this time it was McKinley who got the verdict. Five times in a row he fired Perno clear of the ring. Four times the game Perno crawled back in but he couldn't make it the fifth and it was the end.

In the first bout on the card Wilf Inman, a former Charlottetown boy, was awarded a decision over Bob Hysler of Halifax. Inman won the first fall after fourteen minutes and 22 seconds of wrestling and the bout had a sudden ending after three minutes and 42 seconds of the second fall when Hysler was disqualified for repeated foul tactics and then tangling with referee Pete Cormier who handled both bouts.

Royal At Law Sets New Mark

Featured by the breaking of the track pacing record by Royal-At-Law in the second heat of the Free-For-All and then the equalling of the new mark by Alcyone in the third heat, Covehead races yesterday provided racing fans with one of the best meets of the season with each and ever mile producing battles all the way and usually winding up in blanket finishes.

And in addition to the breaking of the track mark, now set at 2:09 1-4, racing fans also saw Nell Kalmuck, Marjorie Budlong, Margaret Jean, and Wait N'See reduce their own records and witnessed Prince Budlong, three-year-old pacer owned by Harold Cudmore, pace a mile in 2:14 in winning the No. 4 Classified, coming within one second of the Maritime-bred record for three-year-olds, now held by Raymond Budlong.

Those were but a few of the highlights. All during the lengthy program, run off in efficient manner by starter Doug McLeod, the close to 1500 fans in attendance were kept in an uproar by the racing provided and it was Eva Worthy, Wait N'See, Alcyone, Bright Spot and Prince Budlong that were finally returned the winners with the two first mentioned horses gaining their victories after having to go extra heats.

NO. 2 CLASSIFIED

First Heat: Taking the rail at the first turn Beaverdale made every post a winning one from there on with Lusticia and Buddy Moko providing lots of competition all through the last half but not able to overtake the McNeil-driven horse. Buddy nipped Lusticia 20 yards from the wire for second position with the other five horses bunched closely a couple of lengths back.

Second Heat: Nell Kalmuck, trotting a storm all during the last half came through in the stretch to win the heat in as close a finish as has been witnessed all season with four horses battling it out right to the wire. Buddy Moko was second, Eva Worthy third, Beaverdale fourth and the remaining three just a few strides back.

Third Heat: An extra heat was made necessary when Eva Worthy went to the front right after the word to make every post a winning one. Buddy Moko tried several times during the mile to head Eva but couldn't quite make it finishing a length back.

Fourth Heat: It was Eva Worthy all the way over Nell Kalmuck and Beaverdale the other two heat winners. She led from wire to wire with Nell Kalmuck challenging from the top of the stretch only to lose out by half a length with Beaverdale a length back.

NO. 3 CLASSIFIED

First Heat: It was a terrific battle all during the mile as they hammered at each other all the way but it was Marjorie Budlong who came through in the stretch to take the heat by a neck from Margaret Jean. Shirley Temple took the rail as starter McLeod sent them away, Margaret Jean trying for the rail raced on the outside of Shirley past the quarter pole and finally went to the front as Shirley made a bobble. Up the backstretch and by the seven-eighth the entire field was bunched with Margaret Jean hanging on but 20 yards from the wire Marjorie Budlong, taking a new record, showed in front of the picked field to capture the heat.

Second Heat: Margaret Jean, after being just beaten the first heat, took the rail on the first turn and then stayed off the challenge of Wait N'See to win the heat and take a new record of 2:10 1-2 in doing so. Once again the fans saw a great battle all the way with the issue in doubt right to the wire.

Third Heat: The second extra heat was made necessary when Wait N'See after going away on the rail when Margaret Jean had to be drawn on account of lameness, led from wire to wire and in doing so took a new record of 2:11 1-2. It was Shirley Temple who provided the competition but couldn't catch Wait N'See in the stretch battle. Marjorie Budlong, winner of the first heat, was third with Lela Budlong fourth, Winnie Scott fifth and Lady Rose sixth.

Fourth Heat: Wait N'See and Marjorie Budlong came out to decide the winner and it was Wait N'See from wire to wire. Marjorie tried from the three quarters pole home but couldn't quite make it, finishing about a length back of the heat and race winner.

FREE-FOR-ALL

First Heat: The fans saw another great battle as Teddy Weir, taking Alcyone out on the backstretch the second trip, moved up on even terms with Kavola and Wilkin, and in the drive to the wire beat out Wilkin after Kavola went to a break at the seven-eighth pole. Royal-At-Law very much in the picture also made a jump but recovered to finish in third place just half a length behind the two leaders with Kavola fourth.

Second Heat: Royal-At-Law going to a drive at the backstretch the second trip around, came up on even terms with Wilkin and then battled it out all the way to the wire before finally showing a nose in front the last few strides to cop the heat, with Kavola third and Alcyone, the previous heat winner, after breaking, fourth. The mile was in 2:09 1-4 a new track pacing record.

Third Heat: Alcyone, sent to a drive by Teddy Weir as they hit into the backstretch their second trip around, came on very fast to nip Royal-At-Law at the wire in an exciting finish, with Kavola and Wilkin also very much in the picture all the way.

NO. 1 CLASSIFIED

First Heat: Taking the rail from O. U. Volo at the first turn young Joe Hennessey piloted Bright Spot into first place to show the way home, but was set back to second for interference on the turn, O. U. Volo being awarded the heat with Pagliacci third.

Second Heat: Taking the rail from O. U. Volo just after getting the word Bright Spot led all the way. O. U. Volo in the contending position all during the mile came on fast in the stretch but couldn't make the grade. Pagliacci, the one trotter, was again third.

Third Heat: Bright Spot, away on the rail was never headed from the moment they got the word. O. U. Volo again came fast in the stretch to get within half a length as they came under the wire with Pagliacci third a couple of lengths back.

NO. 4 CLASSIFIED

First Heat: Prince Budlong, showing great pacing ability, came very fast from the seven-eighths pole to head Calumet Mary who had led practically the entire mile after snapping the rail just after being given the word. Jane Harvester was third, Eleanor G. fourth, and the others in the field strung out a few lengths back.

Second Heat: Prince Budlong, Harold Cudmore's 3-year-old pacer again came through in the stretch as he did in the first heat to beat out Calumet Mary. But the first four horses were all very evenly bunched as they came under the wire with only feet separating them and the remainder were in a pack a length or so back.

Third Heat: Calumet Mary again went to the front after the word but Prince Budlong took over the lead just at the half and was never headed although Just Flicka and Eleanor G. both came on very fast with Just Flicka getting the judge's decision for the second spot.
