VICTORY FOR MURRAY RIVER BASEBALL TEAM

The Murray River baseball team defeated a picked nine from Charlottetown in a rather one-sided game, played on the Murray River baseball diamond several days ago. Roy Keenan, the pitcher for the river nicks, was one of the powerful factors in the overwhelming defeat of the city athletes, pitching masterly ball at all stages of the game and holding his opponents to a few scattered hits.

On the other hand, the Murray River batsmen hit the ball consistently, hard and timely, running up 23 runs to the town boys five.

In the opening innings, Ham Dewar, on the mound for the townies, pitched good ball, but the ragged support handed him seemed to take the ginger out of him, and in the final stages, hits were registered at him in swift succession.

The line-up of the teams was as follows: Murray River Catcher, Chilton; Rolfe Moore Pitcher, Diamond; Roy Keenan 1st Base, Ham Dewar; Lee Dickie 2nd Base, Earl McDonald; Bill Keenan 3rd Base, Fred Blanchard.

Shortstop Ed, Down; Right Field Harry Squarebriggs; Left Field Art Vatcher; Centre Field Foster Moore; Fisher; Neel McDonald of Toronto, Ont., inspired to the satisfaction of both teams.

3rd Base, Norris McDonald; Lee Vatcher.

IN MEMORIAM

LOLA B. JAY.

Much sympathy is felt for Mr. and Mrs. Lloyd Jay of Pisquid whose darling baby Lola Bessie passed away on Friday the 20th inst. at 11.30 a.m. as a result of an accident which happened on Saturday the 14th inst., when the little one scalded herself. Thus for

almost a week all that human brains could think to do on behalf of the babe was unavailing, with the result at the age of two years the spirit left the little body to that land where there is no pain.

The funeral of the deceased was held on Saturday afternoon which was attended by one of the largest crowds of sympathisers ever seen at a funeral in the district. The service was conducted by the Rev. Robert M. Brodie who was assisted by Mr. C. Brown. The hymns sung being "Wherefore should I make any moan", "Asleep in Jesus" and "Safe in the arms of Jesus." At the conclusion of a very touching service the remains were laid to rest in Mount Stewart cemetery. The pall-bearers being Messrs. Wesley Jay, R. W. Jay, Ruben Birt and Roy Leard while W. D. Birt was in charge of the hearse.

After spending a most enjoyable afternoon on the picnic grounds, the whole concourse moved to the New Glasgow hotel where a splendid entertainment was given, commencing at 8 p.m. The hall was packed to its utmost capacity not even a foot of standing room being left. A large number who could not gain admittance remained outside at the doors and windows of the hall. There was no admission fee.

Mr. Chas. Dickleson was called to the chair, Mr. Dickleson, who is the oldest man in the community, being over eighty-five, then related some of the happenings which he had heard from the lips of the founders of the settlement, incident on their landing at New Glasgow.

It was interesting to hear his account of the stern struggle which our forefathers had had when they landed on this island. The whole country was covered with the primeval forest and the only path was by the river or the lake. The audience listened with the greatest interest and attention to the remarks of Mr. Dickleson.

Mr. Artemas Moffatt was appointed to the active duties of chairman and thanks to his competent management there was not a moment's delay between the different items on the programme.

Rev. John M. Murchison of Malpeque sang very sweetly "The March of the Cameron Men." On being heartily encored he responded with a comic song.

Mr. Wm. Brown read a poem entitled "An Address to the Clyde," composed by his grandfather George Smith and dealing with the landing of the first settlers in this district.

The Misses Morley, two little girls who are visitors from New Bedford, Mass., very gracefully danced the Highland Fling and other dances.

The next item on the programme was a quartet composed of four Misses' Liniment For Dandruff.

AutoStrop Razor - sharpens itself

IT'S the stropping that counts! Any razor is soon ruined by unskilled stropping.

There is one and one only Razor that sharpens itself—the AutoStrop Razor. You can't strop it wrongly—just slip the strop through the razor head and a few strokes to and fro will renew the blade edge.

Ask your friends, any who have used others and are now using the AutoStrop Razor, and they will tell you "it's the best."

Any dealer will demonstrate the AutoStrop Razor to you, guarantee satisfaction or refund of purchase price.

Only \$5.00—complete with strop and twelve blades in an attractive assortment of cases to suit any purpose.

What about the children? Is there any reason why they should not have a home equipped with a bath room and inside toilet just like their city relations?

The Americans Find in the Gerbard Heintzman Piano The Superb Instrument

It will interest readers to know why this American had to come to Canada to secure an ideal Piano, and readers will be interested to know why the Gerbard Heintzman Piano was the choice of all the Pianos made in Canada.

Read his unsolicited testimonial, and note particularly that he states that he would have much preferred buying the Piano in the States if he could have found the equal of the Gerbard Heintzman. The testimonial is as follows: Boston, Mass. Messrs Gerbard Heintzman, Ltd., Toronto, Ont. Gentlemen—I am pleased to advise you that the Louis XV, Grand piano I bought from you arrived at my home a few days ago and is giving us splendid satisfaction.

It is probably due you that I should give you the facts as to my purchasing a piano in Canada when there are so many noted piano manufacturers in this country, in explanation I beg to say when I started out to buy a piano I had in view two points which to me seemed paramount, and I wanted a piano of certain tonal qualities which should embody my ideals of volume and brilliancy. Secondly, I wanted the finest workmanship in case and finish to complete perfectly my piano. With these two points in view I visited the ware-rooms of nearly all the high-class manufacturers in the States but I could not find here that really fine tonal property I sought.

Why A Farm Needs A Milwaukee Air Power Water System

Combined in a few words the answer is: Because it is the best investment a farmer can make. Time spent in carrying water, in pumping water and in taking stock to the watering trough is time that can be better advantage at other work. The matter of home comfort also is important. Isn't the wife of the farmer just as good as the city woman? What about the children? Is there any reason why they should not have a home equipped with a bath room and inside toilet just like their city relations?
