

# The TIME YOU LOSE

when Constipated

makes every Beecham's Pill worth at least a Dollar in the Time it has Saved you.

The Constipation Habit costs more than time, for it sets you back in many ways. It lowers vitality, cuts down your ability, wastes even the food you eat. Beecham's Pills make your bowels free and regular. They are famous also as an aid to digestion and a stimulant to the liver. Beecham's Pills, by helping the entire digestive tract, benefit the whole system.

## MARRIAGE SCALES

By MILDRED BARBOUR

"The truth of the matter is," fat man sighs, "I always have the alarming feeling of a balloon in danger of a pinprick!"

Charles pushed back his chair and rose from the table. His round ruddy face was rather pathetic in its burt.

A stab of contrition brought Mariana to her feet. She flung herself into his arms with a flurry of pale primrose chiffons.

Her own arms, emerging white and slim from the spick-edged sleeves of her morning gown, went round his neck and she laid her smooth cool cheek against his.

"That was beastly of me—Forgive me, I really do love you."

When Charles, reassured and radiant, had gone out, she sauntered to the window and watched him idly as he went down the walk to his waiting car. And between her eyes and his heavy, prosaic figure floated the vision of Craig Cullum, the star of the play she had seen the night before. Charles turned to wave at her as he settled back in the car, and Mariana, with a gasp, wondered why she bothed to keep up any pretense of romantic love between them.

## Clean Kidneys By Drinking Lots of Water

Take Salts to Flush Kidneys if Bladder Bothers or Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clear, thus often avoiding serious kidney disorders. By all means have your physician examine your kidneys at least twice a year.

## The Bounders of Thy Sky

"There is no immortality in nature."

"I don't know. Some of the clouds seem rather questionable; they live high, are often dissipated and can usually be classed with the wets."

Spare the children from suffering from worms by using Miller's Worm Powders, a most effective vermifuge with which to combat these insidious foes of the young and helpless. It is an excellent worm destroyer, and when its qualities become known in a household no other will be used. The medicine acts by itself, requiring no purgative to assist it, and so thoroughly that nothing more is desired.

## "Good-bye, dears, Be careful to-day"

MOTHER knows the many dangers lurking ahead of the children each day, and constantly instills into them the habits of safety.

Chief among these is personal cleanliness. The danger of infection through dirt is ever present, but children taught to keep clean, to purify hands and face with Lifebuoy Soap, are much less likely to suffer from the thousand possible dangers of the day.

The rich, powerful lather of Lifebuoy does more than cleanse surface dirt—it goes deep down into every pore, driving out impurities and leaving its sanitary protection to guard against infection. Keep a cake of Lifebuoy at every place where there is running water.

## MRS. COFFMAN ILL SEVEN YEARS

Saved from an Operation by Lydia E. Pinkham's Vegetable Compound

Sidell, Ill.—"I was a nervous wreck. I was suffering from a pain in my left side, which was left almost unbearable, and I could not even let the bed clothing rest on my body at night. I had been sick for seven years, but not so bad until the last eighteen months, and had become so run-down that I cared for nobody, and I couldn't do my work without help, and the doctors told me that an operation was all there was left. I would not consent to that, so my husband brought me a bottle of Lydia E. Pinkham's Vegetable Compound and begged me to take it. I have taken fourteen bottles of it and I feel ten years younger. Life is full of hope. I do all my household work and had a large garden this year. I never will be without the Vegetable Compound in the house, and when my two little girls reach womanhood I intend to teach them to take it. I am never too busy to tell some suffering sister of my help, and you can use my name and letter to spread the good news of Lydia E. Pinkham's medicine."—Mrs. L. M. COFFMAN, E. E. Sidell, Ill.

## Insidious Eye strain

We use this adjective advisedly. Sufferers from Eye strain may have perfect vision and therefore do not suspect the presence of any eye defect. The motive power of the entire human organism is Nerve Energy. Normal eyes it is computed utilize about 20% of this Nerve Energy, but when Eye strain is present, a much larger proportion is required. Hence defective eyes, through their consumption of an excessive amount of Nerve Energy, may seriously affect the functioning of other organs of the body, and produce ill health.
