Edgar McNutt in writing from England says that the following men of the 105th have been transferred from the 13th Reserve Battalion to the 26th Battalion, France: May 3rd, 1917—D.S. Bertram. May 9th.—A. P. Arsenault, A. Bernard, A.T. Cheverie, P. Fredrickson, T. F. Jay, J. F. McDonald, W. McDonald, W.A. McDonald, E. K. McGrath, F. J. McLeod C. Pacquet, J. Quinn, E. Stavert, J. J. Trainor.

PATRIOTIC EMBLEMS.— During his visit last week to Montreal in connection with the "Win-the-War and Canadian Unity League," Rev. J. J. McDonald had a conference with Sir Herbert Ames concerning Patriotic Fund organization. On Sir Herbert's invitation Father McDonald and Rev. K.C. McPherson visited the Patriotic Headquarters where they were given an insight into the splendid details of the work done there. The offices are located in the Drummond Building near the Windsor Hotel, and were placed at the disposal of the Patriotic League free of charge. The local manager is Col. Clarence Smith of Montreal. It is gratifying to know that Sir Herbert has promised if within the range of possibility, to give a week of his valuable time to Prince Edward Island where he hopes to address meetings at central points probably towards the end of August Father McDonald invited him to present to the most successful promoters of Patriotic work in the rural districts, the patriotic emblems secured for this purpose. These emblems it may be mentioned were secured in Montreal and are certainly well selected and worth striving for.

JEWELERS HALF-HOLIDAY—The Charlottetown Jewelers will close their stores on Wednesday afternoons during June, July and August. 644-5-23M4i.

COMING SPORTS. — Dr. A. J. Fraser, of Montague, has returned from Vernon, and reports the Riverside park nearly ready for training. Seveal local horses will be put in training at once for the races which take place on July 9th. It is understood that there will be three races as usual, but it is likely that two slow classes will be exclusively for country horses. A trot and pace.

FINE CROP REPORTS.— The Department of Agriculture is in receipt of a communication from the Census and Statistics Office, which reports that 95 per cent of the wheat seeding is finished in a large part of Western Canada, and that about 20 per cent of the oats and flax seeding is also finished. The reports states that growth is very rapid and that conditions are ideal for germination. This is an encouraging report in view of the fact that we have entertained an anticipation of a shortage in the western crops.

DOING THEIR BIT.—The Bradalbane War Working Band held a very successful concert and supper on May 24th. As a consequence of this entertainment the club has to their credit the sum of $45.00. Both from a social and financial standpoint it was a decided success. This club has been in operation for a year, and during that time has made a very creditable showing. Their work consists principally of sending comforts such as towels, smokes, eats, writing material, etc., to the boys. Besides sending parcels to all the Bradalbane boys on active service they get the name of friendless boys and forward comforts to them. The B.W.W.B. club take this opportunity of thanking Miss Rose Stanway, city, for her help in forwarding parcels and giving such valuable suggestions.

BOYS TOBACCO FUND GROWING

The growing interest in the Tobacco Fund for the Island boys in England and at the front is gratifying. Many are commending it and promising to contribute and quite a little fund has already been handed in. As already stated the tobacco will be forwarded duty free and will be distributed among the different Island units by the Island representatives on their arrival in England. Contributions may be sent to the Guardian or any of the other dailies, to Mr. B. Graham Rogers or Hon. A. E. Arsenault, Summerside and will be acknowledged through the press. It is a treat for the boys, a treat from home delivered to them by frends from home. Give it a boost by sending in at the earliest opportunity a contribution big or little.

Re-opening of the "Daylight" LinenRoom

A Re-arrangement of stock makes it possible for us to to re-open and greatly extend our "daylight" linen department.

It is down at the end of the first floor—windows all round—plenty of sunlight so essential in choosing linens.

It is arranged so that all the stock is carried in dust protected shelves, under glass. Every article you buy—comes to you as fresh, as it came to us.

Now about values. This department is simply filled with goods bought at prices that we cannot now rival. We are selling every day, goods CHEAPER than many a wholesale house—BECAUSE we bought the stock when linens were cheap.

Look for our ads from day to day—on linen values.
